Re: Riverbend Landfill  
SW Permit No. 345  
Yamhill County

Dear Mr. Pierce:

We are initiating an administrative permit addendum to update sections 17.0 and 21.0 of the Riverbend Landfill Solid Waste Disposal Site Permit. Both sections will now reflect April 30 of each year as the due date for the Annual Environmental Monitoring Report. Although the permit has an expiration date of December 1, 2009, it has been administratively extended in compliance with OAR 340-093-0070(6)(b)(C).

The modification (addendum) will become effective upon mailing unless the permittee requests a hearing within 20 days. A request for hearing shall be made in writing and state the grounds for the request. The hearing will be conducted as a contested case hearing in accordance with ORS 183.413 through 183.470 and OAR chapter 340, division 011. If a hearing is requested, the existing permit continues in effect until a final order is issued.

Thank you for your continued efforts to remain in compliance with your Solid Waste Disposal Site Permit. If you have any questions regarding the information contained in this letter, please contact Bob Schwarz at (541) 298-7255 x 230, or by e-mail at [schwarz.bob@deq.state.or.us](mailto:schwarz.bob@deq.state.or.us). Groundwater questions should be addressed to Audrey Eldridge at (541) 776-6029, or by e-mail at [Eldridge.Audrey@deq.state.or.us](mailto:Eldridge.Audrey@deq.state.or.us).

Sincerely,
