Subject: request to identify County surplus

Hello Commissioner George and Laura,

Abacus is in the process of replacing 3 couches located in the downstairs living room. Champion Team, Consumer Run Organization, has identified interest in utilizing 2 of the old couches in their new building. Requesting that the 3 old couches be identified as County surplus with the intent to donate 2 couches to Champion Team and donate the remaining couch to City Outreach.

Thank you,

Hi Laura,
Sorry for the delay. I had our office specialist call around to get an idea of how much used couches are going for. Based on the information she provided, I would estimate the value of one of the couches that is in good condition to be worth \$75. The other 2 show more wear and tear, so I estimate the value to be about \$50 each. Thank you for presenting this to the board.

, Emily – I need the estimated value of these couches for today's Board of Commissioners meeting when they will declare them surplus. Do you have the information?

Thanks, Laura
