Subject: Request to the Board

Hi Kathy and Laura,

I would like to ask the Board for permission to apply for an Accreditation Readiness grant through the Oregon Health Authority in the amount of \$10,000. The terms of the grants are March 1, 2014 through August 31, 2014.

The purpose of this grant is to build capacity to prepare for Public Health Accreditation. Public Health has submitted its application to the Public Health Accreditation Board, and will have the formal site visit in November 2014. In preparation for this site visit public health staff is working to gather documents, ensure policies and procedures are in place and make sure there is a robust continuous quality improvement program. These funds will provide staff time to work on completion of a workforce development plan and prepare staff and Board of Health members for the site visit.

Anne, please place on the agenda for next week's Board session.

Thank you!
