EXHIBIT A**Part 1
Statement of Work****1. Overview and Background**

- a. The Strengthening, Preserving and Reunifying Families Program (SPRF Program) was created by the Oregon legislature with the goal of reducing trauma to children who are at risk of being removed from their families of origin because of reasons of abuse or neglect, and to resolve those issues by means of offering family-focused services starting at the assessment phase of the case and extending into aftercare services; or for those children in substitute care, service transitioning into aftercare services when children are returned home.
- b. The overall goals of the SPRF Program are to maintain children safely at home with their parents or caregivers, safely and equitably reduce the number of children in the foster care system, reduce the length of stay in foster care, and to reduce the referral or reentry rates of families into the Child Welfare system.
- c. Services provided will be culturally-competent, evidenced-based, client-centered, and family-focused. SPRF Program services can be both front-end intervention programs in the home and community to support and maintain in-home placement; and services in the home, community and with the foster parent, child and biological parents to support early reunification programs.
- d. Under this SPRF Program Agreement, County shall provide Yamhill County DHS Clients with safe, sober Transition Treatment Recover Services through housing and other family stabilization services.

2. Definitions

- a. "Child Welfare Caseworker" or "Caseworker" means DHS Child Welfare staff. Although County will coordinate aspects of client-family case management responsibility with one primary DHS Child Welfare Caseworker, there are circumstances where the term "Caseworker" will also include DHS supervisors, managers or technical staff, and can include Child Welfare workers with experience in other Child welfare disciplines, such as Child Protective Services ("CPS"), Foster Care, Family Based Services, Residential Services, Adoptions, and others.
- b. "Child" or "Children" means Children and youth who are part of an open case with DHS Child Welfare in Yamhill County, regardless of whether the Child is currently in substitute care or is receiving in-home services. Children 18 years and older may reside with their parents or caregivers in-program while receiving services as long as the Child is authorized by DHS, generally while the Child is attending high school.

- c. "Client," "Clients," "Client Families" or "Families" means persons who are part of a DHS-defined family-unit and identified on the referral for service as being the authorized recipient of services provided by the County under the terms and conditions of this Agreement.
- d. "Intake and Family Stabilization" or "IFS" means Yamhill County sober housing intake and family stabilization services.
- e. "Parent" means Parent engaged in a Child Welfare program or service with an open case or assessment.
- f. "Self Sufficiency Program" means Department of Human Services Self Sufficiency Program and services.
- g. "TANF" means Temporary Aid to Needy Families offered through Oregon Self Sufficiency Program.
- h. "Transitional Treatment and Recovery Services" or "TTRS" means Yamhill County Sober Housing and Recovery Services, also referred to as the "Program".

3. Referral Process

- a. DHS Child Welfare will identify eligible Client populations and securely email or fax applications to County.
- b. County will further screen for appropriateness in TTRS or intake setting(s) to assure families meet level II, outpatient, and alcohol and drug treatment criteria. Clients will meet guidelines for medically necessary alcohol and drug treatment and must not present an immediate threat to other Client populations enrolled in any of the County's programs. County may provide services to a variety of populations in any given treatment setting.
- c. Any and all information pertaining to dependency case and medical diagnoses and psychosocial history will be provided at the time of referral.

- c. Clients may be affected by criminality, addiction issues, and diagnosed mental health issues as they transition to a sober and self-sufficient lifestyle. Clients will be involved with the Child Welfare system in Yamhill County and have identifiable and documented barriers to self-sufficiency and Child safety. Clients referred for services can include Parents and their Children, Parents working to be reunified with their Children who are placed in substitute care and Children who may not be biological siblings to other Children in the household, and other combinations of Families and family-units defined by DHS.

No service shall be provided to any Client in excess of twelve calendar months under the terms and conditions of this Agreement without case-specific written approval of the DHS Contract Administrator

1. Background Checks.

- a. The Agency shall ensure that all employees and volunteers who perform work related to this Agreement, or who have access to any information about clients served under this Agreement, are approved by the Department of Human Services Background Check Unit (BCU) in accordance with Oregon Administrative Rules 407-007-0200 through 407-007-0370.
- b. In addition to potentially disqualifying conditions under OAR 407-007-0290, the following is a potentially disqualifying condition: abuse as determined from child protective services investigation reports held by the Department regardless of the date of initial report or outcome which have an outcome of founded, substantiated, or valid and in which the Subject Individual (SI) is determined to have been responsible for the abuse.
- c. An employee or volunteer may be hired on a preliminary basis, in accordance with the requirements and limits described in OAR 407-007-0315, prior to being approved by DHS's Background Check Unit. An employee or volunteer hired on a preliminary basis may not have unsupervised contact with individuals receiving services under this Agreement and may only participate in the limited activities described in OAR 407-007-0315. An employee or volunteer hired on a preliminary basis must be actively supervised at all times as described in OAR 407-007-0315.
- d. Any current employee or volunteer hired for a new position with the Agency must be approved by the BCU at the time the employee or volunteer accepts the new position. Notwithstanding the requirements of paragraph b. of this section, a current employee or volunteer who accepts a new position with the Agency may be hired for a new position on a preliminary basis without active supervision in accordance with the limits and requirements described in OAR 407-007-0315.
- e. There are only two possible outcomes of a background check: approval or denial. If the employee or volunteer is denied, she or he may not have contact with DHS clients referred for service under this Agreement and may not have access to information about DHS clients. Employees or volunteers who are denied do have the right to contest the denial. The process for contesting a denial is described in OARs 407-007-0330 and 407-007-0335.
- f. For purposes of compliance with OAR 407-007-0200 through 407-007-0370, the Agency is a "Qualified Entity", as that term is defined in OAR 407-007-210, and must comply with all the provisions pertaining to Qualified Entities contained in OAR 407-007-0200 through 407-007-0370.

2. **Equal Access to Services.** Agency shall provide equal access to covered services for both males and females under 18 years of age, including access to appropriate facilities, services and treatment, to achieve the policy in ORS 417.270.
3. **Media Disclosure.** Agency will not provide information to the media regarding a recipient of services purchased under this Agreement without first consulting the DHS office that referred the child or family. Agency will make immediate contact with the DHS office when media contact occurs. The DHS office will assist Agency with an appropriate follow-up response for the media.
4. **Nondiscrimination.** Agency must provide services to DHS clients without regard to race, religion, national origin, sex, age, marital status, sexual orientation or disability (as defined under the Americans with Disabilities Act). Agency services must reasonably accommodate the cultural, language and other special needs of clients.

EXHIBIT B**Standard Terms and Conditions**

1. **Governing Law, Consent to Jurisdiction.** This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between the parties that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within a circuit court for the State of Oregon of proper jurisdiction. THE PARTIES, BY EXECUTION OF THIS AGREEMENT, HEREBY CONSENT TO THE IN PERSONAM JURISDICTION OF SAID COURTS. Except as provided in this section, neither party waives any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. The parties acknowledge that this is a binding and enforceable agreement and, to the extent permitted by law, expressly waive any defense alleging that either party does not have the right to seek judicial enforcement of this Agreement.
2. **Compliance with Law.** Both parties shall comply with laws, regulations, and executive orders to which they are subject and which are applicable to the Agreement or to the Work. Without limiting the generality of the foregoing, both parties expressly agree to comply with the following laws, regulations and executive orders to the extent they are applicable to the Agreement: (a) all applicable requirements of state civil rights and rehabilitation statutes, rules and regulations; (b) all state laws requiring reporting of Client abuse; (c) ORS 659A.400 to 659A.409, ORS 659A.145 and all regulations and administrative rules established pursuant to those laws in the construction, remodeling, maintenance and operation of any structures and facilities, and in the conduct of all programs, services and training associated with the Work. These laws, regulations and executive orders are incorporated by reference herein to the extent that they are applicable to the Agreement and required by law to be so incorporated. All employers, including County and DHS, that employ subject workers who provide services in the State of Oregon shall comply with ORS 656.017 and provide the required Workers' Compensation coverage, unless such employers are exempt under ORS 656.126.
3. **Independent Contractors.** The parties agree and acknowledge that their relationship is that of independent contracting parties and that County is not an officer, employee, or agent of the State of Oregon as those terms are used in ORS 30.265 or otherwise.
4. **Representations and Warranties.**
 - a. County represents and warrants as follows:
 - (1) **Organization and Authority.** County is a political subdivision of the State of Oregon duly organized and validly existing under the laws of the State of Oregon. County has full power, authority and legal right to make this Agreement and to incur and perform its obligations hereunder.
 - (2) **Due Authorization.** The making and performance by County of this Agreement (a) have been duly authorized by all necessary action by

County and (b) do not and will not violate any provision of any applicable law, rule, regulation, or order of any court, regulatory commission, board, or other administrative agency or any provision of County's charter or other organizational document and (c) do not and will not result in the breach of, or constitute a default or require any consent under any other agreement or instrument to which County is a party or by which County may be bound or affected. No authorization, consent, license, approval of, filing or registration with or notification to any governmental body or regulatory or supervisory authority is required for the execution, delivery or performance by County of this Agreement.

- (3) Binding Obligation. This Agreement has been duly executed and delivered by County and constitutes a legal, valid and binding obligation of County, enforceable in accordance with its terms subject to the laws of bankruptcy, insolvency, or other similar laws affecting the enforcement of creditors' rights generally.
- (4) County has the skill and knowledge possessed by well-informed members of its industry, trade or profession and County will apply that skill and knowledge with care and diligence to perform the Work in a professional manner and in accordance with standards prevalent in County's industry, trade or profession;
- (5) County shall, at all times during the term of this Agreement, be qualified, professionally competent, and duly licensed to perform the Work; and
- (6) County prepared its proposal related to this Agreement, if any, independently from all other proposers, and without collusion, fraud, or other dishonesty.

b. DHS represents and warrants as follows:

- (1) Organization and Authority. DHS has full power, authority, and legal right to make this Agreement and to incur and perform its obligations hereunder.
- (2) Due Authorization. The making and performance by DHS of this Agreement (a) have been duly authorized by all necessary action by DHS and (b) do not and will not violate any provision of any applicable law, rule, regulation, or order of any court, regulatory commission, board, or other administrative agency and (c) do not and will not result in the breach of, or constitute a default or require any consent under any other agreement or instrument to which DHS is a party or by which DHS may be bound or affected. No authorization, consent, license, approval of, filing or registration with or notification to any governmental body or regulatory or supervisory authority is required for the execution, delivery or performance by DHS of this Agreement, other than approval by the Department of Justice if required by law.

- (3) **Binding Obligation.** This Agreement has been duly executed and delivered by DHS and constitutes a legal, valid and binding obligation of DHS, enforceable in accordance with its terms subject to the laws of bankruptcy, insolvency, or other similar laws affecting the enforcement of creditors' rights generally.

c. **Warranties Cumulative.** The warranties set forth in this section are in addition to, and not in lieu of, any other warranties provided.

5. Funds Available and Authorized Clause.

- a. The State of Oregon's payment obligations under this Agreement are conditioned upon DHS receiving funding, appropriations, limitations, allotment, or other expenditure authority sufficient to allow DHS, in the exercise of its reasonable administrative discretion, to meet its payment obligations under this Agreement. County is not entitled to receive payment under this Agreement from any part of Oregon state government other than DHS. Nothing in this Agreement is to be construed as permitting any violation of Article XI, Section 7 of the Oregon Constitution or any other law regulating liabilities or monetary obligations of the State of Oregon. DHS represents that as of the date it executes this Agreement, it has sufficient appropriations and limitation for the current biennium to make payments under this Agreement.
- b. **Payment Method.** Payments under this Agreement will be made by Electronic Funds Transfer (EFT), unless otherwise mutually agreed, and shall be processed in accordance with the provisions of OAR 407-120-0100 through 407-120-0380 or OAR 410-120-1260 through OAR 410-120-1460, as applicable, and any other Oregon Administrative Rules that are program-specific to the billings and payments. Upon request, County shall provide its taxpayer identification number (TIN) and other necessary banking information to receive EFT payment. County shall maintain at its own expense a single financial institution or authorized payment agent capable of receiving and processing EFT using the Automated Clearing House (ACH) transfer method. The most current designation and EFT information will be used for all payments under this Agreement. County shall provide this designation and information on a form provided by DHS. In the event that EFT information changes or the County elects to designate a different financial institution for the receipt of any payment made using EFT procedures, the County shall provide the changed information or designation to DHS on a DHS-approved form. DHS is not required to make any payment under this Agreement until receipt of the correct EFT designation and payment information from the County.

6. **Recovery of Overpayments.** If billings under this Agreement, or under any other Agreement between County and DHS, result in payments to County to which County is not entitled, DHS, after giving to County written notification and an opportunity to object, may withhold from payments due to County such amounts, over such periods of time, as are necessary to recover the amount of the overpayment, subject to Section 7 below. Prior to withholding, if County objects to the withholding or the amount proposed

to be withheld, County shall notify DHS that it wishes to engage in dispute resolution in accordance with Section 19 of this Agreement.

7. **Compliance with Law.** Nothing in this Agreement shall require County or DHS to act in violation of state or federal law or the Constitution of the State of Oregon.

8. **Ownership of Intellectual Property.**

- a. **Definitions.** As used in this Section 8 and elsewhere in this Agreement, the following terms have the meanings set forth below:

- (1) "County Intellectual Property" means any intellectual property owned by County and developed independently from the Work.
- (2) "Third Party Intellectual Property" means any intellectual property owned by parties other than DHS or County.

- b. Except as otherwise expressly provided herein, or as otherwise required by state or federal law, DHS will not own the right, title and interest in any intellectual property created or delivered by County or a subcontractor in connection with the Work. With respect to that portion of the intellectual property that the County owns, County grants to DHS a perpetual, worldwide, non-exclusive, royalty-free and irrevocable license, subject to any provisions in the Agreement that restrict or prohibit dissemination or disclosure of information, to (1) use, reproduce, prepare derivative works based upon, distribute copies of, perform and display the intellectual property, (2) authorize third parties to exercise the rights set forth in Section 8.b.(1) on DHS' behalf, and (3) sublicense to third parties the rights set forth in Section 8.b.(1).

- c. If state or federal law requires that DHS or County grant to the United States a license to any intellectual property, or if state or federal law requires that the DHS or the United States own the intellectual property, then County shall execute such further documents and instruments as DHS may reasonably request in order to make any such grant or to assign ownership in the intellectual property to the United States or DHS. To the extent that DHS becomes the owner of any intellectual property created or delivered by County in connection with the Work, DHS will grant a perpetual, worldwide, non-exclusive, royalty-free and irrevocable license, subject to any provisions in the Agreement that restrict or prohibit dissemination or disclosure of information, to County to use, copy, distribute, display, build upon and improve the intellectual property.

- d. County shall include in its subcontracts terms and conditions necessary to require that subcontractors execute such further documents and instruments as DHS may reasonably request in order to make any grant of license or assignment of ownership that may be required by federal or state law.

9. **County Default.** County shall be in default under this Agreement upon the occurrence of any of the following events:

- a. County fails to perform, observe or discharge any of its covenants, agreements or obligations set forth herein;

- 145468/sml

as determined by County in the reasonable exercise of its administrative discretion;

- (3) Upon 30 days advance written notice to DHS, if DHS is in default under this Agreement and such default remains uncured at the end of said 30 day period or such longer period, if any, as County may specify in the notice; or
- (4) Immediately upon written notice to DHS, if Oregon statutes or federal laws, regulations or guidelines are modified, changed or interpreted by the Oregon Legislative Assembly, the federal government or a court in such a way that County no longer has the authority to meet its obligations under this Agreement.

b. DHS Termination. DHS may terminate this Agreement:

- (1) For its convenience, upon at least 30 days advance written notice to County;
- (2) Upon 45 days advance written notice to County, if DHS does not obtain funding, appropriations and other expenditure authorizations from federal, state or other sources sufficient to meet the payment obligations of DHS under this Agreement, as determined by DHS in the reasonable exercise of its administrative discretion. Notwithstanding the preceding sentence, DHS may terminate this Agreement, immediately upon written notice to County or at such other time as it may determine if action by the Oregon Legislative Assembly or Emergency Board reduces DHS' legislative authorization for expenditure of funds to such a degree that DHS will no longer have sufficient expenditure authority to meet its payment obligations under this Agreement, as determined by DHS in the reasonable exercise of its administrative discretion, and the effective date for such reduction in expenditure authorization is less than 45 days from the date the action is taken;
- (3) Immediately upon written notice to County if Oregon statutes or federal laws, regulations or guidelines are modified, changed or interpreted by the Oregon Legislative Assembly, the federal government or a court in such a way that DHS no longer has the authority to meet its obligations under this Agreement or no longer has the authority to provide payment from the funding source it had planned to use;
- (4) Upon 30 days advance written notice to County, if County is in default under this Agreement and such default remains uncured at the end of said 30 day period or such longer period, if any, as DHS may specify in the notice;
- (5) Immediately upon written notice to County, if any license or certificate required by law or regulation to be held by County or a subcontractor to perform the Work is for any reason denied, revoked, suspended, not renewed or changed in such a way that County or a subcontractor no

longer meets requirements to perform the Work. This termination right may only be exercised with respect to the particular part of the Work impacted by loss of necessary licensure or certification;

- (6) Immediately upon written notice to County, if DHS determines that County or any of its subcontractors have endangered or are endangering the health or safety of a client or others in performing work covered by this Agreement.

- c. **Mutual Termination.** The Agreement may be terminated immediately upon mutual written consent of the parties or at such time as the parties may agree in the written consent.

12. Effect of Termination

a. Entire Agreement.

- (1) Upon termination of this Agreement, DHS shall have no further obligation to pay County under this Agreement.
- (2) Upon termination of this Agreement, County shall have no further obligation to perform Work under this Agreement.

- b. **Obligations and Liabilities.** Notwithstanding Section 12.a., any termination of this Agreement shall not prejudice any obligations or liabilities of either party accrued prior to such termination.

13. Limitation of Liabilities. NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT. NEITHER PARTY SHALL BE LIABLE FOR ANY DAMAGES OF ANY SORT ARISING SOLELY FROM THE TERMINATION OF THIS AGREEMENT OR ANY PART HEREOF IN ACCORDANCE WITH ITS TERMS.

14. Insurance. County shall require subcontractors to maintain insurance as set forth in Exhibit C, which is attached hereto.

15. Records Maintenance; Access. County shall maintain all financial records relating to this Agreement in accordance with generally accepted accounting principles. In addition, County shall maintain any other records, books, documents, papers, plans, records of shipments and payments and writings of County, whether in paper, electronic or other form, that are pertinent to this Agreement in such a manner as to clearly document County's performance. All financial records, other records, books, documents, papers, plans, records of shipments and payments and writings of County whether in paper, electronic or other form, that are pertinent to this Agreement, are collectively referred to as "Records." County acknowledges and agrees that DHS and the Oregon Secretary of State's Office and the federal government and their duly authorized representatives shall have access to all Records to perform examinations and audits and make excerpts and transcripts. County shall retain and keep accessible all Records for a minimum of six years, or such longer period as may be required by applicable law, following final payment and termination of this Agreement, or until the conclusion of any audit,

controversy or litigation arising out of or related to this Agreement, whichever date is later. County shall maintain Records in accordance with the records retention schedules set forth in OAR Chapter 166.

16. **Information Privacy/Security/Access.** If the Work performed under this Agreement requires County or its subcontractor(s) to have access to or use of any DHS computer system or other DHS Information Asset for which DHS imposes security requirements, and DHS grants County or its subcontractor(s) access to such DHS Information Assets or Network and Information Systems, County shall comply and require all subcontractor(s) to which such access has been granted to comply with OAR 407-014-0300 through OAR 407-014-0320, as such rules may be revised from time to time. For purposes of this section, "Information Asset" and "Network and Information System" have the meaning set forth in OAR 407-014-0305, as such rule may be revised from time to time.
17. **Force Majeure.** Neither DHS nor County shall be held responsible for delay or default caused by fire, civil unrest, labor unrest, natural causes, or war which is beyond the reasonable control of DHS or County, respectively. Each party shall, however, make all reasonable efforts to remove or eliminate such cause of delay or default and shall, upon the cessation of the cause, diligently pursue performance of its obligations under this Agreement. DHS may terminate this Agreement upon written notice to the other party after reasonably determining that the delay or breach will likely prevent successful performance of this Agreement.
18. **Assignment of Agreement, Successors in Interest.**
 - a. County shall not assign or transfer its interest in this Agreement without prior written approval of DHS. Any such assignment or transfer, if approved, is subject to such conditions and provisions as DHS may deem necessary. No approval by DHS of any assignment or transfer of interest shall be deemed to create any obligation of DHS in addition to those set forth in the Agreement.
 - b. The provisions of this Agreement shall be binding upon and shall inure to the benefit of the parties hereto, and their respective successors and permitted assigns.
19. **Alternative Dispute Resolution.** The parties should attempt in good faith to resolve any dispute arising out of this agreement. This may be done at any management level, including at a level higher than persons directly responsible for administration of the agreement. In addition, the parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.
20. **Subcontracts.** County shall not enter into any subcontracts for any of the Work required by this Agreement without DHS' prior written consent. In addition to any other provisions DHS may require, County shall include in any permitted subcontract under this Agreement provisions to require that DHS will receive the benefit of subcontractor performance as if the subcontractor were the County with respect to Sections 1, 2, 3, 4, 8, 15, 16, 18, 21, and 23 of this Exhibit B. DHS' consent to any subcontract shall not relieve County of any of its duties or obligations under this Agreement.
21. **No Third Party Beneficiaries.** DHS and County are the only parties to this Agreement and are the only parties entitled to enforce its terms. The parties agree that County's

performance under this Agreement is solely for the benefit of DHS to assist and enable DHS to accomplish its statutory mission. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly or otherwise, to third persons any greater than the rights and benefits enjoyed by the general public unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement.

22. **Amendments.** No amendment, modification or change of terms of this Agreement shall bind either party unless in writing and signed by both parties and when required the Department of Justice. Such amendment, modification or change, if made, shall be effective only in the specific instance and for the specific purpose given.
23. **Severability.** The parties agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.
24. **Survival.** Sections 1, 4, 5, 6, 7, 8, 12, 13, 14, 15, 16, 19, 21, 22, 23, 24, 25, 26, 28, 29, 30 and 31 of this Exhibit B shall survive Agreement expiration or termination as well as those the provisions of this Agreement that by their context are meant to survive. Agreement expiration or termination shall not extinguish or prejudice either party's right to enforce this Agreement with respect to any default by the other party that has not been cured.
25. **Notice.** Except as otherwise expressly provided in this Agreement, any communications between the parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, or mailing the same, postage prepaid to County or DHS at the address or number set forth in this Agreement, or to such other addresses or numbers as either party may indicate pursuant to this section. Any communication or notice so addressed and mailed by regular mail shall be deemed received and effective five days after the date of mailing. Any communication or notice delivered by facsimile shall be deemed received and effective on the day the transmitting machine generates a receipt of the successful transmission, if transmission was during normal business hours of the recipient, or on the next business day, if transmission was outside normal business hours of the recipient. Notwithstanding the forgoing, to be effective against the other party, any notice transmitted by facsimile must be confirmed by telephone notice to the other party at number listed below. Any communication or notice given by personal delivery shall be deemed effective when actually delivered to the addressee.

26. **Headings.** The headings and captions to sections of this Agreement have been inserted for identification and reference purposes only and shall not be used to construe the meaning or to interpret this Agreement.

27. **Counterparts.** This Agreement and any subsequent amendments may be executed in several counterparts, all of which when taken together shall constitute one agreement binding on all parties, notwithstanding that all parties are not signatories to the same counterpart. Each copy of this Agreement and any amendments so executed shall constitute an original.
28. **Waiver.** The failure of either party to enforce any provision of this Agreement shall not constitute a waiver by that party of that or any other provision. No waiver or consent shall be effective unless in writing and signed by the party against whom it is asserted.
29. **Construction.** *[Reserved]*
30. **Contribution.** If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against a party (the "Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party's liability with respect to the Third Party Claim.

With respect to a Third Party Claim for which the State is jointly liable with the County (or would be if joined in the Third Party Claim), the State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the County in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the County on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the State on the one hand and of the County on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the State had sole liability in the proceeding.

With respect to a Third Party Claim for which the County is jointly liable with the State (or would be if joined in the Third Party Claim), the County shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the State in such proportion as is appropriate to reflect the relative fault of the County on the one hand and of the State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the County on the one hand and of the State on the other hand shall be determined by reference to, among other things, the parties' relative

intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The County's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.

31. **Indemnification by Subcontractors.** County shall take all reasonable steps to cause its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnatee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of County's contractor or any of the officers, agents, employees or subcontractors of the contractor ("Claims"). It is the specific intention of the parties that the Indemnatee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnatee, be indemnified by the contractor from and against any and all Claims.
32. **Stop-Work Order.** DHS may, at any time, by written notice to the County, require the County to stop all, or any part of the work required by this Agreement for a period of up to 90 days after the date of the notice, or for any further period to which the parties may agree through a duly executed amendment. Upon receipt of the notice, County shall immediately comply with the Stop-Work Order terms and take all necessary steps to minimize the incurrence of costs allocable to the work affected by the stop work order notice. Within a period of 90 days after issuance of the written notice, or within any extension of that period to which the parties have agreed, DHS shall either:
- a. Cancel or modify the stop work order by a supplementary written notice; or
 - b. Terminate the work as permitted by either the Default or the Convenience provisions of Section 11. Termination.

If the Stop Work Order is canceled, DHS may, after receiving and evaluating a request by the County, make an adjustment in the time required to complete this Agreement and the Agreement price by a duly executed amendment.

EXHIBIT C

Subcontractor Insurance Requirements

General Requirements. County shall require its first tier contractor(s) that are not units of local government as defined in ORS 190.003, if any, to: i) obtain insurance as specified in this Exhibit C and meeting all the requirements under this Exhibit C before the contractors perform under contracts between County and the contractors (the "Subcontracts"), and ii) maintain the insurance in full force throughout the duration of the Subcontracts. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to DHS. County shall not authorize contractors to begin work under the Subcontracts until the insurance is in full force. Thereafter, County shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. County shall incorporate appropriate provisions in the Subcontracts permitting it to enforce contractor compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. Examples of "reasonable steps" include issuing stop work orders (or the equivalent) until the insurance is in full force or terminating the Subcontracts as permitted by the Subcontracts, or pursuing legal action to enforce the insurance requirements. In no event shall County permit a contractor to work under a Subcontract when the County is aware that the contractor is not in compliance with the insurance requirements. As used in this section, a "first tier" contractor is a contractor with whom the county directly enters into a contract. It does not include a subcontractor with whom the contractor enters into a contract.

1. **Workers' Compensation.** Insurance must be in compliance with ORS 656.017, which requires all employers that employ subject workers, as defined in ORS 656.027, to provide workers' compensation coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2). If contractor is a subject employer, as defined in ORS 656.023, contractor shall obtain employers' liability insurance coverage limits of not less than \$1,000,000.
