Subject: Add-On Item for Thursday - Payment of Cultural Resource Survey for Whiteson Property

Commissioners – I would like to ask for the Board to approve of paying for the cultural resource survey for the Whiteson property from the Landfill License Reserve Fund.

After speaking with Ken Huffer (the previous parks manager), a little clarification is in order regarding this invoice. When the previous Board of Commissioners directed the Parks Manager to proceed with the creation of a park at the Whiteson property, Ken proceeded with the land use process for the conditional use permit on the property, which the Board ultimately approved. One of the conditions of the conditional use permit was to conduct this cultural resource survey. This is where the discussion likely occurred regarding the use of the Landfill License Reserve fund to pay for the survey.

The Board action for Thursday's agenda will be - Approve of the payment of \$15,984 to Archaeological Investigations Northwest, Inc. from the Landfill License Reserve Fund.

Anne, please place this item on the Board agenda for Thursday as an add-on item. Please let me know if you have any additional questions about this issue. I have attached the results of the assessment to this email.

Thanks, Laura
