Re: Declaring High band and Low band radio's surplus

Cpt. Svenson,

The following radios do not meet the need of our office. I would like to declare the following radio's surplus, in addition, chargers and shoulder microphones associated with the radio make/model. I talked with a Radio Tech about the value of the radios. Tait's and Motorola's were valued at \$10.00 each. The rest of the radios do not have any value. In addition to making this radio's surplus, they will need to be wiped clean of our frequency.

The Low Band Radios will be given to the Yamhill Fire Department per an established MOU.

Tait Orca Radio's Model 5040; Value \$10/radio.
