**Subject:** Board Consideration: Board of Health Membership Recommendation

Hi Kathy and Laura,

I would like to recommend the Board retroactively appointment Seamus McCarthy, effective February 2014, and Suey Linzmeier, effective September 2013, to the Board of Health. When we received the recent Board of Health roster update, I realized that we failed submit a request for Board action even though the Board of Health has recommended these individuals be appointed.

Suey Linzmeier is the Executive Director of Head Start of Yamhill County, a Board member of the Yamhill Community Care Organization and co-chair of the Early Learning Hub. Ms. Linzmeier has been regularly attending the Board of Health meetings and offering insights into health related matters across an array of topics from health and nutrition to education.

Seamus McCarthy is the Director of Operations and Integration at Yamhill Community Care Organization and the former Clinic Manager for the McMinnville branch of Virginia Garcia Memorial Health Center. Mr. McCarthy has a good sense of local efforts to increase primary care access for vulnerable populations and brings a systems integration perspective to Board of Health.

Please let me know if you have any questions.

Lucy, please place this on next week's Board Agenda.

Thanks!
