**Subject:** Board Consideration: Grant Application for Electronic Health Record Equipment

Hi Mary and Laura,

I would like to request the Board's consideration to apply for a \$8,000 non-competitive grant with the Public Health Division of the Oregon Health Authority. If approved and awarded, this grant will provide funding to purchase computer equipment needed to improve electronic health record system use in our clinic. The needed equipment allows us to mount the computer on the wall to save space in the rooms. If approved, we have sufficient expense authority to accept the grant in fiscal year 2014-2015.

Please let me know if you have any questions.

Lucy, please place this request on next week's Board agenda for approval.

Thanks,
