MEMORANDUM

To: Board of Commissioners
From: Stephanie Armstrong, Associate Planner
Re: **McMinnville Urban Area Management Commission (MUAMC)**

The See Ya Later Foundation recently applied for an Urban Growth Boundary (UGB) Amendment to add approximately 22 acres to the city of McMinnville's UGB. To process this type of request requires review by the McMinnville Urban Area Management Commission (MUAMC). This commission works like a local planning commission and reviews city/county issues dealing with the City of McMinnville. The final recommendation of the MUAMC gets forwarded to both the McMinnville City Council and Board of Commissioners for their review and adoption. Two members of the Yamhill County Planning Commission need to be appointed to serve on this commission and Matt Dunckel and Dan Armstrong (Daryl Garrettson no longer wants to serve on the commission) have agreed to represent the planning commission in this capacity. Therefore, our office recommends that the Board of Commissioners officially appoints them to serve on this commission.
