**AGREEMENT:** In consideration of the mutual covenants contained below, Owner and Contractor hereby agree as follows:

1. **Scope of work and services; filing of payment and performance bond.** The Contractor will commence and complete the construction of the Project in strict accordance with the Contract Documents identified above. The Contractor acknowledges receipt of all Contract Documents in existence at the date it executed this Agreement. Contractor represents to

B.O. 15-102

Owner that Contractor has made a reasonable inspection of the Project site(s) and is reasonably familiar with the Project site(s) conditions that might affect Contractor's performance of the Project pursuant to this Agreement. Services provided by Contractor under this Agreement will be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar conditions. The Contractor will file a suitable payment and performance bond before it commences Project work and services.

2. **Agreement performed at Contractor's expense as Independent Contractor.** The Contractor will furnish all of the materials, supplies, tools, equipment, labor, and other services necessary for the construction and completion of the Project as described in the Contract Documents. The Contractor is an independent contractor under this Agreement.

3. **Commencement and completion date.** The Contractor will commence the work and services required by the Contract Documents upon Owner's issuance of a Notice to Proceed and will complete the same by no later than October 31, 2015 unless the Contract Period is extended or otherwise modified by written notice or executed Change Order.

4. **Termination.** Owner may terminate this Agreement if the Contractor fails to comply with a material term of this Agreement or for any other reason considered to be in the public interest. If this Agreement is terminated, the Owner will pay for all work and services accepted by the Supervisor, as defined in Section 16, prior to termination.

5. **Penalty for failure to meet deadline.** The parties agree that Owner has a substantial interest in the timely completion of the Project and all work and services to be performed under this Agreement in accordance with the agreed upon schedule. However, the parties agree that the damages to be anticipated from the failure of Contractor to complete this Agreement in the specified time are uncertain and difficult to establish. The parties therefore desire to liquidate Owner's damages for Contractor's failure to complete the Project and all work and services on time. The parties therefore agree that the Contractor is liable for and shall pay as liquidated damages to Owner the sum of \$4,774.00 (equal to Contract Price times .005) per day for each calendar day to commence on the first calendar day after the required completion date under this Agreement and to continue after each and every calendar day until all work is satisfactorily completed as specified in the Contract Documents.

6. **Compensation.** The Contractor agrees to perform all of the work and services described in the Contract Documents and comply with the terms therein at the rates set forth in Contractor's responsive bid schedule for the fixed sum of \$954,798.60 unless the Contract Price is modified by executed Change Order. Payment shall be made by Owner either in a single payment following final approval of the project by the Yamhill County Director of Public Works, or as otherwise provided in the General Conditions, subject to a 5% retainage. Upon satisfactory completion of Project tasks the Contractor shall notify the Supervisor in writing that Contractor has completed performance under this Agreement and shall request payment of applicable retained amounts. Upon receipt of written notice, Supervisor will review the Project work and services completed to date and if acceptable, Supervisor shall authorize payment of applicable retained amounts.

7. **Prevailing wages; certified statement.** The Contractor hereby certifies, and it shall be a condition of the Payment and Performance Bond, as provided by ORS 279C.800 through 279C.870, that in performing this Agreement the Contractor will pay and cause to be paid and all subcontractors will pay and cause to be paid not less than the prevailing rate of wages as of

the date of the Call for Bids, per hour, per day, and per week for and to each and every worker who may be employed in and about the performance of this Agreement. In the event the Contractor is obligated to abide by prevailing wage requirements imposed by federal law, the Contractor shall comply with the Davis-Bacon Act (40 U.S.C. 3141 et seq). The Contractor shall file with the Owner certified statements as required under ORS 279C.845 with regard to payment of prevailing wages. Pursuant to ORS 279C.845(7) until Owner receives the certified statements, Owner shall retain 25% of any amount earned by the Contractor as required by law. Owner shall pay Contractor any retained amounts under this Section within 14 days of receipt of certified statements.

8. **Incorporation of statutory provisions required for public contracts.** The Contractor certifies it shall comply with all applicable Public Contract Laws to include ORS 279B.200 through 279B.240 and ORS 279C.500 through 279C.545 and 279C.580 (3) and (4). ORS 279B.200 through 279B.240 and ORS 279C.500 through 279C.545 and ORS 279C.580(3) and (4) are incorporated into this Agreement by reference.

9. **Workers' compensation.** The Contractor, its subcontractors, if any, and all employers working under this Agreement are subject employers under the Oregon Workers' Compensation Law and shall comply with ORS 656.017, which requires them to provide workers' compensation coverage for all their subject workers.

10. **BOLI fee.** In accordance with ORS 279C.825, as amended in 2009, the Owner shall pay a fee to the Bureau of Labor and Industries (BOLI), Wage and Hour Division, Rom 1160, Prevailing Wage Unit, 800 NE Oregon Street, #32, Portland, Oregon 97232. The fee is an amount equal to one-tenth of one percent (0.1 percent) of the Contract Price, with a minimum fee of \$250.00 and a maximum fee of \$7,500.00. The fee shall be paid at the time Owner enters into this Agreement. The fee shall be paid in accordance with the administrative rules of BOLI.

11. **Certification of compliance with laws.** The Contractor certifies, under penalty of perjury, that Contractor is not in violation of any federal, state or local tax laws, rules or regulations or any federal, state or local laws, rules, codes or regulations applicable to the Project and that Contractor shall remain in compliance with all such laws, codes, rules and regulations during the entire term of this Agreement.

12. **Certification of reading and understanding of documents.** The Contractor certifies it has read and fully understands all Contract Documents including Solicitation Documents and terms and conditions. The Contractor understands and acknowledges that in signing this Agreement the Contractor waives all rights to plead any misunderstandings regarding the same.

13. **Payment.** The Owner agrees to pay the Contractor in the manner and at such times as set forth in the General Conditions such amounts as required by the Agreement, unless otherwise modified by written notice or executed Change Order.

14. **Warranty Period.** Where the warranty period is not otherwise stated in the General Conditions, the warranty period is 365 days commencing upon the date Project Acceptance is issued by Owner.

15. **Public Works Bond.** Before commencing work, the Contractor shall have a public works bond as described in ORS 279C.836 filed with the Construction Contractors Board. Contractor shall include a provision in any subcontract for the Project that the subcontractor

shall have a public works bond filed with the Construction Contractors Board before commencing work.

16. **Status of the Project Supervisor.** John Phelan, Director of Public Works is the Project Supervisor (the "Supervisor"). The Supervisor or his designee shall perform technical inspections of work and services and shall have authority to stop the work or services whenever such stoppage shall be necessary to insure proper execution of the Agreement. The Supervisor or his designee may reject all work and materials that do not conform to the Agreement and shall decide questions that arise in the execution of the Project work or services. The Supervisor has authority to reject or accept the Project work or services.

17. **Prohibition of Discrimination.** In hiring employees for performance of work under this Agreement neither Contractor, any subcontractor or any other person acting on their behalf shall by reason of race, religion, age, color, creed, physical handicap or sex discriminate against a person who is qualified and available to perform work or services to which employment relates.

18. **Risk of Loss.** The risk of loss or damage to the subject matter of this Agreement arising from any cause whatsoever, including acts of God, shall be upon the Contractor until such time as the Owner has accepted the work and services as provided in this Agreement.

19. **Indemnification.** Contractor shall indemnify, defend and save harmless Owner from and against any suits, actions, legal or administrative proceedings, demands, claims, liabilities, fines, penalties, losses, injuries, damages, expenses or costs, including interest and attorney fees, in any way connected with any injury to any person or damage to any property occasioned in any way by Contractor's or Contractor's subcontractors' prosecution of work or services under this Agreement.

20. **Insurance.** Contractor, at its expense, shall obtain the following insurance coverage and keep them in effect during the entire term of this Agreement:

1. Workers Compensation Insurance in compliance with statutory requirements;

21. **Nonwaiver.** No waiver of any breach of this Agreement shall be held to be a waiver of any other or subsequent breach. All remedies afforded in this Agreement shall be taken and construed as cumulative, that is, in addition to every other remedy provided therein or by law. The failure of Owner to enforce at any time any of the terms of this Agreement, or to exercise any option which is provided, or to require at any time performance by Contractor of any of the provisions, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of any part of this Agreement, or the right of Owner to thereafter enforce each and every provision.

22. **Contractor's Representation.** Contractor, by entering into this Agreement, represents that its bid for this Project is made without connection with any person, firm or corporation making or refraining from making a bid for the same or similar project and was in all respects fair and without collusion or fraud.

(a) The parties first shall submit to mediation of the dispute to be conducted by a mutually acceptable mediator. If the parties cannot agree on a mediator, they shall request a mediator to be appointed by the U.S. Mediation and Arbitration service in Portland, Oregon. The mediator's charges and expenses shall be borne equally by the parties. All other expenses, including attorney fees and costs, shall be borne exclusively by the party requiring the service or for which payment is to be made.

(b) If the dispute is not resolved in mediation, the parties shall then submit the dispute to binding arbitration. Arbitration shall be conducted in accordance with the rules set forth in the Oregon International Commercial Arbitration and Conciliation Act, ORS 36.450 to 36.558, 2007 replacement part. **OWNER'S REPRESENTATIVE:**

*(Architect, Engineer or other party:)*

§ 1 The Contractor and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns to the Owner for the performance of the Construction Contract, which is incorporated herein by reference.

§ 2 If the Contractor performs the Construction Contract, the Surety and the Contractor shall have no obligation under this Bond, except when applicable to participate in a conference as provided in Section 3.

§ 3 If there is no Owner Default under the Construction Contract, the Surety's obligation under this Bond shall arise after

- .1 the Owner first provides notice to the Contractor and the Surety that the Owner is considering declaring a Contractor Default. Such notice shall indicate whether the Owner is requesting a conference among the Owner, Contractor and Surety to discuss the Contractor's performance. If the Owner does not request a conference, the Surety may, within five (5) business days after receipt of the Owner's notice, request such a conference. If the Surety timely requests a conference, the Owner shall attend. Unless the Owner agrees otherwise, any conference requested under this Section 3.1 shall be held within ten (10) business days of the Surety's receipt of the Owner's notice. If the Owner, the Contractor and the Surety agree, the Contractor shall be allowed a reasonable time to perform the Construction Contract, but such an agreement shall not waive the Owner's right, if any, subsequently to declare a Contractor Default;
- .2 the Owner declares a Contractor Default, terminates the Construction Contract and notifies the Surety; and
- .3 the Owner has agreed to pay the Balance of the Contract Price in accordance with the terms of the Construction Contract to the Surety or to a contractor selected to perform the Construction Contract.

§ 4 Failure on the part of the Owner to comply with the notice requirement in Section 3.1 shall not constitute a failure to comply with a condition precedent to the Surety's obligations, or release the Surety from its obligations, except to the extent the Surety demonstrates actual prejudice.

§ 5 When the Owner has satisfied the conditions of Section 3, the Surety shall promptly and at the Surety's expense take one of the following actions:

§ 5.1 Arrange for the Contractor, with the consent of the Owner, to perform and complete the Construction Contract;

§ 5.2 Undertake to perform and complete the Construction Contract itself, through its agents or independent contractors;

§ 5.3 Obtain bids or negotiated proposals from qualified contractors acceptable to the Owner for a contract for performance and completion of the Construction Contract, arrange for a contract to be prepared for execution by the Owner and a contractor selected with the Owner's concurrence, to be secured with performance and payment bonds executed by a qualified surety equivalent to the bonds issued on the Construction Contract, and pay to the Owner the amount of damages as described in Section 7 in excess of the Balance of the Contract Price incurred by the Owner as a result of the Contractor Default; or

§ 5.4 Waive its right to perform and complete, arrange for completion, or obtain a new contractor and with reasonable promptness under the circumstances:

- .1 After investigation, determine the amount for which it may be liable to the Owner and, as soon as practicable after the amount is determined, make payment to the Owner; or
- .2 Deny liability in whole or in part and notify the Owner, citing the reasons for denial.

§ 6 If the Surety does not proceed as provided in Section 5 with reasonable promptness, the Surety shall be deemed to be in default on this Bond seven days after receipt of an additional written notice from the Owner to the Surety demanding that the Surety perform its obligations under this Bond, and the Owner shall be entitled to enforce any remedy available to the Owner. If the Surety proceeds as provided in Section 5.4, and the Owner refuses the payment or the Surety has denied liability, in whole or in part, without further notice the Owner shall be entitled to enforce any remedy available to the Owner.

§ 7 If the Surety elects to act under Section 5.1, 5.2 or 5.3, then the responsibilities of the Surety to the Owner shall not be greater than those of the Contractor under the Construction Contract, and the responsibilities of the Owner to the Surety shall not be greater than those of the Owner under the Construction Contract. Subject to the commitment by the Owner to pay the Balance of the Contract Price, the Surety is obligated, without duplication, for

- .1 the responsibilities of the Contractor for correction of defective work and completion of the Construction Contract;
- .2 additional legal, design professional and delay costs resulting from the Contractor's Default, and resulting from the actions or failure to act of the Surety under Section 5; and
- .3 liquidated damages, or if no liquidated damages are specified in the Construction Contract, actual damages caused by delayed performance or non-performance of the Contractor.

§ 8 If the Surety elects to act under Section 5.1, 5.3 or 5.4, the Surety's liability is limited to the amount of this Bond.

§ 9 The Surety shall not be liable to the Owner or others for obligations of the Contractor that are unrelated to the Construction Contract, and the Balance of the Contract Price shall not be reduced or set off on account of any such unrelated obligations. No right of action shall accrue on this Bond to any person or entity other than the Owner or its heirs, executors, administrators, successors and assigns.

§ 10 The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders and other obligations.

§ 11 Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the location in which the work or part of the work is located and shall be instituted within two years after a declaration of Contractor Default or within two years after the Contractor ceased working or within two years after the Surety refuses or fails to perform its obligations under this Bond, whichever occurs first. If the provisions of this Paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.

§ 12 Notice to the Surety, the Owner or the Contractor shall be mailed or delivered to the address shown on the page on which their signature appears.

§ 13 When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

#### § 14 Definitions

§ 14.1 **Balance of the Contract Price.** The total amount payable by the Owner to the Contractor under the Construction Contract after all proper adjustments have been made, including allowance to the Contractor of any amounts received or to be received by the Owner in settlement of insurance or other claims for damages to which the Contractor is entitled, reduced by all valid and proper payments made to or on behalf of the Contractor under the Construction Contract.

§ 14.2 **Construction Contract.** The agreement between the Owner and Contractor identified on the cover page, including all Contract Documents and changes made to the agreement and the Contract Documents.

§ 14.3 **Contractor Default.** Failure of the Contractor, which has not been remedied or waived, to perform or otherwise to comply with a material term of the Construction Contract.

§ 14.4 **Owner Default.** Failure of the Owner, which has not been remedied or waived, to pay the Contractor as required under the Construction Contract or to perform and complete or comply with the other material terms of the Construction Contract.

§ 14.5 **Contract Documents.** All the documents that comprise the agreement between the Owner and Contractor.

§ 15 If this Bond is issued for an agreement between a Contractor and subcontractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

- .1 have furnished a written notice of non-payment to the Contractor, stating with substantial accuracy the amount claimed and the name of the party to whom the materials were, or equipment was, furnished or supplied or for whom the labor was done or performed, within ninety (90) days after having last performed labor or last furnished materials or equipment included in the Claim; and
- .2 have sent a Claim to the Surety (at the address described in Section 13).

§ 5.2 Claimants, who are employed by or have a direct contract with the Contractor, have sent a Claim to the Surety (at the address described in Section 13).

§ 6 If a notice of non-payment required by Section 5.1.1 is given by the Owner to the Contractor, that is sufficient to satisfy a Claimant's obligation to furnish a written notice of non-payment under Section 5.1.1.

§ 7 When a Claimant has satisfied the conditions of Sections 5.1 or 5.2, whichever is applicable, the Surety shall promptly and at the Surety's expense take the following actions:

§ 7.1 Send an answer to the Claimant, with a copy to the Owner, within sixty (60) days after receipt of the Claim, stating the amounts that are undisputed and the basis for challenging any amounts that are disputed; and

§ 7.2 Pay or arrange for payment of any undisputed amounts.

§ 7.3 The Surety's failure to discharge its obligations under Section 7.1 or Section 7.2 shall not be deemed to constitute a waiver of defenses the Surety or Contractor may have or acquire as to a Claim, except as to undisputed amounts for which the Surety and Claimant have reached agreement. If, however, the Surety fails to discharge its obligations under Section 7.1 or Section 7.2, the Surety shall indemnify the Claimant for the reasonable attorney's fees the Claimant incurs thereafter to recover any sums found to be due and owing to the Claimant.

§ 8 The Surety's total obligation shall not exceed the amount of this Bond, plus the amount of reasonable attorney's fees provided under Section 7.3, and the amount of this Bond shall be credited for any payments made in good faith by the Surety.

§ 9 Amounts owed by the Owner to the Contractor under the Construction Contract shall be used for the performance of the Construction Contract and to satisfy claims, if any, under any construction performance bond. By the Contractor furnishing and the Owner accepting this Bond, they agree that all funds earned by the Contractor in the performance of the Construction Contract are dedicated to satisfy obligations of the Contractor and Surety under this Bond, subject to the Owner's priority to use the funds for the completion of the work.

§ 10 The Surety shall not be liable to the Owner, Claimants or others for obligations of the Contractor that are unrelated to the Construction Contract. The Owner shall not be liable for the payment of any costs or expenses of any Claimant under this Bond, and shall have under this Bond no obligation to make payments to, or give notice on behalf of, Claimants or otherwise have any obligations to Claimants under this Bond.

§ 11 The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders and other obligations.

§ 12 No suit or action shall be commenced by a Claimant under this Bond other than in a court of competent jurisdiction in the state in which the project that is the subject of the Construction Contract is located or after the expiration of one year from the date (1) on which the Claimant sent a Claim to the Surety pursuant to Section 5.1.2 or 5.2, or (2) on which the last labor or service was performed by anyone or the last materials or equipment were furnished by anyone under the Construction Contract, whichever of (1) or (2) first occurs. If the provisions of this Paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.

§ 13 Notice and Claims to the Surety, the Owner or the Contractor shall be mailed or delivered to the address shown on the page on which their signature appears. Actual receipt of notice or Claims, however accomplished, shall be sufficient compliance as of the date received.

§ 14 When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

§ 15 Upon request by any person or entity appearing to be a potential beneficiary of this Bond, the Contractor and Owner shall promptly furnish a copy of this Bond or shall permit a copy to be made.
