(Yamhill County and Sea Reach Ltd.)**

THIS AGREEMENT is made effective the last date set forth adjacent to the signatures of the parties below between **Yamhill County**, a political subdivision of the State of Oregon (referred to as "Owner" in this Agreement) and Sea Reach Ltd., an Oregon Corporation, located at 146 NE Yamhill Street, Sheridan, Oregon 97378, (referred to as "Contractor" in this Agreement) for the project known as Yamhill County 2015 Road Sign Kiosk Project (referred to in this Agreement as the "Project").

**STATEMENT OF PURPOSE AND IDENTIFICATION OF CONTRACT DOCUMENTS**

A. Owner has budgeted funds to perform the Project. Owner conducted a competitive bidding process to select the lowest responsible bidder to complete the Project. Contractor was the lowest responsible bidder. This Agreement is made to specify the obligations of Owner and Contractor for completion of the Project.

B. This Agreement includes by reference the following Contract Documents that are part of the Project:

- (A) Kiosk specifications, which include the attached and Call for Bids, February 2015
- (B) Special Provisions and Supplemental Standard specifications for County Sign Construction
- (C) Bid Schedules and Signature Page
- (D) Addenda (if any)
- (E) Notice of Intent to Award
- (F) This Agreement
- (G) Agreement amendments (if any)
- (H) Insurance certificates
- (I) Notice to Proceed
- (J) Change Orders (if any)
- (K) Notice of Substantial Completion or Project Acceptance
- (L) Warranty Period

**AGREEMENT:** In consideration of the mutual covenants contained below, Owner and Contractor hereby agree as follows:

**1. Scope of work and services.** The Contractor will commence and complete the construction of the Project in strict accordance with the Contract Documents identified above. The Contractor acknowledges receipt of all Contract Documents in existence at the date it executed this Agreement. Services provided by Contractor under this Agreement will be performed in a manner consistent with that degree of care and skill

B.O. 15-142

ordinarily exercised by members of the same profession currently practicing under similar conditions.

**2. Agreement performed at Contractor's expense as Independent Contractor.** The Contractor will furnish all of the materials, supplies, tools, equipment, labor, and other services necessary for the completion of the Project as described in the Contract Documents. The Contractor is an independent contractor under this Agreement.

**3. Commencement and completion date.** The Contractor will commence the work and services required by the Contract Documents upon execution of this agreement, and will complete the same by September 30, 2015 unless the Contract Period is extended or otherwise modified by written notice or executed Change Order.

**4. Termination.** Owner may terminate this Agreement if the Contractor fails to comply with a material term of this Agreement or for any other reason considered to be in the public interest. If this Agreement is terminated, the Owner will pay for all work and services accepted by the Supervisor, as defined in Section 16, prior to termination.

**5. Penalty for failure to meet deadline.** The parties agree that Owner has a substantial interest in the timely completion of the Project and all work and services to be performed under this Agreement in accordance with the agreed upon schedule. However, the parties agree that the damages to be anticipated from the failure of Contractor to complete this Agreement in the specified time are uncertain and difficult to establish. The parties therefore desire to liquidate Owner's damages for Contractor's failure to complete the Project and all work and services on time. The parties therefore agree that the Contractor is liable for and shall pay as liquidated damages to Owner the sum of \$94.64 (equal to Contract Price times .005) per day for each calendar day to commence on the first calendar day after the required completion date under this Agreement and to continue after each and every calendar day until all work is satisfactorily completed as specified in the Contract Documents.

**6. Compensation.** The Contractor agrees to perform all of the work and services described in the Contract Documents and to comply with the terms therein at the rates set forth in Contractor's responsive bid schedule for the fixed sum of \$18,928 unless the Contract Price is modified by executed Change Order. Payment shall be made by Owner either in a single payment following final approval of the Project by the Yamhill County Director of Public Works. Upon satisfactory completion of Project tasks the Contractor shall notify the Supervisor in writing that Contractor has completed performance under this Agreement and shall request payment of applicable retained amounts. Upon receipt of written notice, Supervisor will review the Project work and services completed to date and if acceptable, Supervisor shall authorize payment of applicable retained amounts.

**7. Work Made for Hire.** The Contractor acknowledges that all work performed or to be performed by Contractor for Owner, including the design and specifications for the blue sign kiosk project, constitutes "work made for hire" under applicable copyright laws,

all copyrights to which are owned by County; and, in any event, Contractor assigns to County all intellectual property rights, including copyrights, in such work.

**8. Incorporation of statutory provisions required for public contracts.** The Contractor certifies it shall comply with all applicable Public Contract Laws to include ORS 279B.200 through 279B.240 and ORS 279C.500 through 279C.545 and 279C.580 (3) and (4). ORS 279B.200 through 279B.240 and ORS 279C.500 through 279C.545 and ORS 279C.580(3) and (4) are incorporated into this Agreement by reference. NOTE: Because this contract is not for a "public improvement," some of these sections are not applicable.

**9. Workers' compensation.** The Contractor, its subcontractors, if any, and all employers working under this Agreement are subject employers under the Oregon Workers' Compensation Law and shall comply with ORS 656.017, which requires them to provide workers' compensation coverage for all their subject workers.

**10. Certification of compliance with laws.** The Contractor certifies, under penalty of perjury, that Contractor is not in violation of any federal, state or local tax laws, rules or regulations or any federal, state or local laws, rules, codes or regulations applicable to the Project and that Contractor shall remain in compliance with all such laws, codes, rules and regulations during the entire term of this Agreement.

**11. Certification of reading and understanding of documents.** The Contractor certifies it has read and fully understands all Contract Documents including all terms and conditions. The Contractor understands and acknowledges that in signing this Agreement the Contractor waives all rights to plead any misunderstandings regarding the same.

**12. Payment.** The Owner agrees to pay the Contractor in the manner and at such times as set forth in the General Conditions such amounts as required by the Agreement, unless otherwise modified by written notice or executed Change Order.

**13. Warranty Period.** Contractor warrants all work and materials under this agreement for five years. Warranties for additional periods provided by suppliers to Contractor apply in addition to this warranty, which commences upon the date Project Acceptance is issued by Owner.

**14. Status of the Project Supervisor.** Bill Anderson is Owner's Project Supervisor (the "Supervisor"). The Supervisor or his designee shall perform technical inspections of work and services and shall have authority to stop the work or services whenever such stoppage shall be necessary to insure proper execution of the Agreement. The Supervisor or his designee may reject all work and materials that do not conform to the Agreement and shall decide questions that arise in the execution of the Project work or services. The Supervisor has authority to reject or accept the Project work or services.

**15. Prohibition of Discrimination.** In hiring employees for performance of work under this Agreement, neither Contractor, any subcontractor or any other person acting on their behalf shall by reason of race, religion, age, color, creed, physical handicap or sex, discriminate against a person who is qualified and available to perform work or services to which employment relates.

**16. Risk of Loss.** The risk of loss or damage to the subject matter of this Agreement arising from any cause whatsoever, including acts of God, shall be upon the Contractor until such time as the Owner has accepted the work and services as provided in this Agreement.

**17. Indemnification.** Contractor shall indemnify, defend and save harmless Owner from and against any suits, actions, legal or administrative proceedings, demands, claims, liabilities, fines, penalties, losses, injuries, damages, expenses or costs, including interest and attorney fees, in any way connected with any injury to any person or damage to any property occasioned in any way by Contractor's or Contractor's subcontractors' prosecution of work or services under this Agreement.

**18. Insurance.** Contractor, at its expense, shall obtain the following insurance coverage and keep them in effect during the entire term of this Agreement:

1. Workers Compensation Insurance in compliance with statutory requirements;
2. Comprehensive General Liability Insurance (including contractual liability and completed operations coverage) on an occurrence basis, with not less than \$1,000,000 per occurrence for bodily injury and property damage liability, with an annual aggregate limit of \$2,000,000;
3. Professional Liability Insurance, including Errors and Omissions coverage, with a per occurrence and aggregate limit of not less than \$1,000,000, to protect against all loss suffered by Owner or third parties, including financial and consequential loss, caused by error, omission, or negligent acts related to the Project work or services provided under the Agreement.
4. Commercial Automobile Liability Insurance, with a combined single limit, or the equivalent of not less than \$1,000,000 per occurrence, for bodily injury and property damage with respect to Contractor's vehicles, whether owned, hired, or non-owned, assigned to, or used by Contractor in connection with the services provided under the Agreement;

The required insurance coverages shall be (i) with insurance companies admitted to do business in the state of Oregon and rated A or better by Best's Insurance Rating, and (ii) acceptable to Owner. Evidence of such insurance will be furnished to Owner before commencing Project work or services. The certificates of insurance shall indicate (a) the types of insurance coverage, (b) the identity of all persons or entities covered, (c) the

amounts of insurance coverage, and (d) the period of insurance coverage. Any required insurance coverage shall provide that it may not be canceled except after at least 30 days written notice to Owner.

The Commercial General Liability and Commercial Automobile Liability shall (i) name Owner, its directors, officers, and employees, as additional insureds, (ii) provide that it is primary insurance with respect to the interests of Owner and that any insurance maintained by Owner is excess and not contributory, and (iii) include a cross-liability and severability of interest clause and a waiver of subrogation clause.

**19. Nonwaiver.** No waiver of any breach of this Agreement shall be held to be a waiver of any other or subsequent breach. All remedies afforded in this Agreement shall be taken and construed as cumulative, that is, in addition to every other remedy provided therein or by law. The failure of Owner to enforce at any time any of the terms of this Agreement, or to exercise any option which is provided, or to require at any time performance by Contractor of any of the provisions, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of any part of this Agreement, or the right of Owner to thereafter enforce each and every provision.

**20. Contractor's Representation.** Contractor, by entering into this Agreement, represents that its proposal for this Project is made without connection with any person, firm or corporation making or refraining from making a proposal for the same or similar project and was in all respects fair and without collusion or fraud.

**21. Severability.** Should any clause or section of this Agreement be declared by court to be void or voidable, the remainder of this Agreement shall remain in full force and effect.

**22. Dispute resolution through mediation and arbitration.** Any dispute between the parties to this Agreement shall be resolved according to the following process:

(a) The parties first shall submit to mediation of the dispute to be conducted by a mutually acceptable mediator. If the parties cannot agree on a mediator, they shall request a mediator to be appointed by the U.S. Mediation and Arbitration service in Portland, Oregon. The mediator's charges and expenses shall be borne equally by the parties. All other expenses, including attorney fees and costs, shall be borne exclusively by the party requiring the service or for which payment is to be made.

(b) If the dispute is not resolved in mediation, the parties shall then submit the dispute to binding arbitration. The decision of the arbitrator shall be final and binding on the parties. All other expenses, including attorney fees and costs, shall be borne exclusively by the party requiring the service or for which payment is to be made.

**23. Attorney fees and costs.** Except as provided in Section 22(b), in the event that either party to this Agreement shall take any action, judicial or otherwise, to enforce or interpret any of the terms of this Agreement, each party shall be wholly responsible for its own expenses which it may incur in taking such action, including costs and attorney fees, whether incurred in a suit or action or appeal from a judgment or decree therein or in connection with any nonjudicial action.
