

Emergency Management Performance Grant (EMPG) Eligibility Verification and Checklist FY2015 Grant Application

Directions: Place an "X" or check mark in each box as you answer the question or complete the listed item. All yellow highlighted underlined boxes require an answer – either a date or number of staff members.

This document is to verify YAMHILL COUNTY meets all criteria for eligibility to apply for the EMPG grant:

- Have a dedicated emergency manager.
 - Number of hours worked weekly: 40
- NIMS compliant as of 11/30/14 for FY15 funding.
 - New applicant must demonstrate NIMS Compliance via hard copy documentation during FY15 to be eligible for grant funding. (Contact OEM NIMS POC for assistance).***
- EOP is current, promulgated, and on file at OEM.
Tentative Date: 6/25/15
- EOP consistent with Comprehensive Preparedness Guide (CPG) 101.
- Natural Hazard Mitigation Plan (NHMP) current and FEMA approved.
Date: 11/4/2019
 - New applicant must complete in FY14 to be eligible for grant funding if not already in place.***
- Identified/Functional Emergency Operations Center.
- Have an established incident command structure.

This further verifies that all required work plan elements have been scheduled for the fiscal year:

Planning

- Update of jurisdictional Hazard Analysis.
- Convene natural hazards committee at least twice a year.
- Complete NIMS Assessment.
- Complete Capability Assessment Tool.
- Identify and submit potential PA applicants.
- One (1) additional Planning activity selected.

Training

- Complete a minimum of 20 hours of emergency management related training.
Number of staff who need to meet requirement: 3
- Complete NIMS training.
Number of staff who need to meet requirement: 3
- Complete Professional Development Series.
Number of staff who need to meet requirement: 3

Exercise

- Quarterly exercises scheduled.
- Full scale exercise scheduled.
- Submission of EMERS, After Action Reports, and Corrective Actions and Improvement Plans scheduled.
- Quarterly updates scheduled to report on status of corrective action/improvement plan action items.
- EMPG funded staff are scheduled to participate in three (3) exercises.
Number of staff who need to meet requirement: 3
- TEPW attendance scheduled.

Other

- Budget
- Signed Cover Sheet
- Completed EHP(s), if applicable
- City/County Collaboration and Review, *if applicable*

- Third (due 4/15/16)
- Fourth (due 7/15/16)

**County/City Review Completed
(If Applicable):**

- Annual Submission
- First (due 10/15/15)
- Second (due 1/15/16)
- Third (due 4/15/16)
- Fourth (due 7/15/16)

EMF #: 4.6 – Planning - General

Objectives:

1. Develop, revise, or enhance emergency management plans and annexes in support of disaster response and recovery. *These plans and annexes are identified and addressed in the Project Work Sheets and aligned with the applicable eligible FEMA Planning category.*
2. Subgrantees will identify potential Public Assistance (PA) applicants to be mapped into RAPTOR for use during emergencies.
3. Subgrantees will update their Hazard Analysis using OEM's methodology.
4. Subgrantees will convene two Natural Hazard Mitigation Planning (NHMP) meetings.
5. Subgrantees will complete the Capability Assessment Tool.
6. Subgrantees will complete the NIMS Assessment.

Core Capabilities Addressed: Planning, Operational Coordination, Threat and Hazard Identification, Risk and Disaster Resilience Assessment

Performance Measure and Basis of Evaluation: Performance will be measured by the quarterly completion of the benchmarks outlined in this Project Work Sheet and the final completion of these specific projects:

1. Plans and/or Annexes are developed, revised, updated, and exercised, as outlined in the Planning Project Work Sheet
2. Potential PA applicants are identified and entered into RAPTOR.
3. Local/Tribal Hazard Analyses are updated.
4. Two NHMP meetings were conducted.
5. OEM's Capability Assessment Tool completed.
6. NIMS Assessment completed.

Challenges/Risks:

1. Local EOPs are being written by a contractor overseen by OEM.
2. Quarterly meetings could be cancelled.

**State of Oregon
FY2015 EMPG Subgrantee Work Plan
Yamhill County**

Mandatory Planning Activities for State and Subgrantees:

4.6.01 EOP current, promulgated, and submitted to OEM.

Date Subgrantee Submitted to OEM: Anticipated: 6/25/2015

4.6.02B Update of the jurisdictional *Hazard Analysis* using OEM's Methodology
Applies to all subgrantees with a Hazard Analysis dated prior to January 1, 2014

Date Submitted to OEM: March 2015

4.6.03 Natural Hazard Mitigation Plan (NHMP) current and FEMA approved.

Date of FEMA approval: 11/4/2014

4.6.04 Convene at least two Natural Hazard Mitigation Plan (NHMP) committee meetings

Mandatory Planning Activities for Subgrantees:

4.6.05 Complete OEM's annual Capability Assessment Tool. (due in November 2015)

4.6.06 Complete NIMS Assessment. (due in November 2015)

4.6.07 Identify potential Public Assistance (PA) applicants, submit list to OEM for inclusion in RAPTOR.

The State and Subgrantees must complete at least one (1) additional activity from the below list. Note: These are the only FEMA approved Planning Activities for which EMPG funding may be used.

4.6.08 **Emergency Management/Operations Plans**

- Modifying existing incident management and emergency operations plans
- Developing/enhancing large-scale and catastrophic event incident plans

4.6.09 **Communications Plans**

- Developing and updating Statewide Communication Interoperability Plans
- Developing and updating Tactical Interoperability Plans

4.6.10 **Continuity/Administrative Plans**

- Developing/enhancing COOP/COG Plans
- Developing/enhancing financial and administrative procedures for use before, during, and after disaster events in support of a comprehensive emergency management program

State of Oregon
FY2015 EMPG Subgrantee Work Plan
Yamhill County

4.6.11 All-of-Nation/Whole Community Engagement/Planning

- Developing/enhancing emergency operations plans to integrate citizen/volunteer and other non-governmental organization resources and participation
- Engaging the whole community in public education and awareness activities
- Planning to foster public-private sector partnerships, including innovation for disasters initiatives that support the mission areas identified in the Goal
- Executing an America's PrepareAthon! activity to engage the whole community in a hazard-specific activity on the National Day of Action
- Establishing a Citizen Corps Council that brings together representatives of the whole community to provide input on emergency operations plans, risk assessments, mitigation plans, alert and warning systems, and other plans; assist in outreach and education of community members in preparedness activities; and build volunteer capability to support disaster response and recovery
- Delivering the CERT Basic Training Course and supplemental training for CERT members who have completed the basic training, the CERT Train-the-Trainer Course, and the CERT Program Manager course
- Developing or enhancing mutual aid agreements/compacts, including required membership in EMAC

4.6.12 Resource Management Planning

- Developing/Enhancing logistics and resource management plans
- Developing/Enhancing volunteer and/or donations management plans

4.6.13 Evacuation Planning

- Developing/enhancing evacuation plans, including plans for: alerts/warning, crisis communications, pre-positioning of equipment for areas potentially impacted by mass evacuations, sheltering, and re-entry.

4.6.14 Pre-disaster and Post-disaster Recovery Plans

- Disaster housing planning, such as creating/supporting a state disaster housing task force and developing/enhancing state disaster housing plans.
- Pre-event response/recovery/mitigation plans in coordination with state, local, and tribal governments
- Developing/enhancing other response and recovery plans
- Developing recovery plans and preparedness programs consistent with the principles and guidance in the National Disaster Recovery Framework (NDRF) that will provide the foundation for recovery programs and whole-community partnerships.

State of Oregon
FY2015 EMPG Subgrantee Work Plan
Yamhill County

**4.6.15 Federal (and Mutual Aid) Emergency Response Official (F/ERO)
Credentialing and Validation**

- Working group meetings and conferences relating to emergency responder credentialing and validation
- Compiling data to enter into an emergency responder repository
- Coordinating with other State, local, and tribal partners to ensure interoperability among existing and planned credentialing and validation systems and equipment
- Planning to incorporate emergency responder identity and credential validation into training and exercises

EMF #: 4.13 - Training Program

Objective:

1. Personnel complete mandatory NIMS training.
2. Personnel complete mandatory PDS training.
3. Personnel complete a minimum of 20 hours emergency management related training as outlined in OAR 104 Division 10.
4. Jurisdictions conduct public education and outreach activities.

Core Capabilities Addressed: Situational Awareness, Operational Coordination, Operational Communication

Performance Measure and Basis of Evaluation:

1. NIMS training requirement met.
2. PDS training requirement met.
3. OAR 104: Minimum training requirements of 20 hours a year are met by each EMPG funded staff.
4. Public education activities occur.

Challenges/Risks:

1. Courses can be interrupted by actual events and weather.
2. Courses can be cancelled due to lack of enrollment.
3. Courses may fill up quickly.

Mandatory for ALL EMPG funded personnel:

- 4.13.1 Complete a minimum of 20 hours of emergency management related training

Training must be identified in the jurisdictional Training and Exercise Plan (TEP) or be emergency management specific Professional/Career Development.
