Re: Planning Commission Appointments/Vacancy

This is to advise you that the terms of two current planning commissioners, Alan Halstead and Dan Armstrong, are set to expire July 1, 2015. Alan Halstead has been on the planning commission since 1999 and Dan Armstrong has been on the planning commission since 2011. It is my understanding that both of them would like to continue to serve on the planning commission.

If the Board is so inclined, action should be taken to renew their respective terms. The next planning commission hearing is set for July 16, so your action should take place before that date.

Additionally, I again want to remind you that there is a vacancy on the planning commission. I originally sent the Board a memo of this vacancy in September, 2013. I also sent a reminder email in January, 2015. It is my understanding that there are several applications on file for potential candidates.

I am happy to discuss any of this with you at your convenience. Please let me know how you want to proceed.
