1. **Purpose of State Support for Public Health Services (SSPH).** State Support for Public Health (SSPH) funds awarded to LPHA must only be used in accordance with and subject to the requirements and limitations set forth below to operate a Communicable Disease control program in LPHA's service area that includes the following components: (i) epidemiological investigations that report, monitor and control Communicable Disease, (ii) diagnostic and consultative Communicable Disease services, (iii) early detection, education, and prevention activities to reduce the morbidity and mortality of reportable Communicable Diseases, (iv) appropriate immunizations for human and animal target populations to control and reduce the incidence of Communicable Diseases, and (v) collection and analysis of Communicable Disease and other health hazard data for program planning and management.

2. **Definitions Specific to SSPH**

a. **Communicable Disease:** A disease or condition, the infectious agent of which may be transmitted from one person or animal to another person, either by direct contact or through an intermediate host, vector or inanimate object, and that may result in illness, death or severe disability.

b. **Conference of Local Health Officials ("CLHO") Standards for Communicable Disease Control or CLHO Standards for Communicable Disease Control:** Minimum standards for local health department services for the control of Communicable Diseases as adopted by the Conference of Local Health Officials (CLHO) in June 2008, available online at:...

Program Element #03 - Tuberculosis Services

1. **Description.** ORS 433.006 and Oregon Administrative Rule 333-019-0000 assign responsibility to LPHA for Tuberculosis (“TB”) investigations and implementation of TB control measures within LPHA’s service area. The funds provided under this Agreement for this Program Element may only be used, in accordance with and subject to the requirements and limitations set forth below, as supplemental funds to support LPHA’s TB investigation and control efforts. The funds provided under this Agreement for this Program Element are not intended to be the sole funding for LPHA’s TB investigation and control program.

2. **Definitions Specific to TB Services.**
 - a. **Active TB Disease:** TB disease in an individual whose immune system has failed to control his or her TB infection and who has become ill with active TB disease, as determined in accordance with the Centers for Disease Control and Prevention’s (CDC) laboratory or clinical criteria for active TB and based on a diagnostic evaluation of the individual.

 - b. **Appropriate Therapy:** Current TB treatment regimens recommended by the CDC, the American Thoracic Society, the Academy of Pediatrics, and the Infectious Disease Society of America.

 - c. **Associated Cases:** Additional cases of TB disease discovered while performing a contact investigation.

 - d. **B-waiver Immigrants:** Immigrants or refugees screened for TB prior to entry to the U.S. and found to have TB disease or latent TB infection.

 - e. **Case:** A case is an individual who has been diagnosed by a health care provider, as defined in OAR 333-017-0000, as having a reportable disease, infection, or condition, as described in OAR 333-018-0015, or whose illness meets defining criteria published in OHA’s Investigative Guidelines.

 - f. **Cohort Review:** A systematic review of the management of patients with TB disease and their contacts. The “cohort” is a group of TB cases counted (confirmed as cases) over 3 months. The cases are reviewed 6-9 months after being counted to ensure they have completed treatment or are nearing the end. Details of the management and outcomes of TB cases are reviewed in a group with the information presented by the case manager.

 - g. **Contact:** An individual who was significantly exposed to an infectious case of active TB disease.

 - h. **Directly Observed Therapy (DOT):** LPHA staff (or other person appropriately designated by the county) observes an individual with TB disease swallowing each dose of TB medication to assure adequate treatment and prevent the development of drug resistant TB.

 - i. **Evaluated (in context of contact investigation):** A contact received a complete TB symptom review and tests as described in OHA’s Investigative Guidelines.

- j. **Interjurisdictional Transfer:** A TB suspect, case or contact transferred for follow-up evaluation and care from another jurisdiction either within or outside of Oregon.
- k. **Investigative Guidelines:** Department guidelines, dated as of December 2013, which are incorporated herein by this reference are available for review at <http://public.health.oregon.gov/DiseasesConditions/CommunicableDisease/Tuberculosis/Documents/investigativeguide.pdf>.
- l. **Latent TB Infection (LTBI):** TB disease in a person whose immune system is keeping the TB infection under control. LTBI is also referred to as TB in a dormant stage.
- m. **Medical Evaluation:** A complete medical examination of an individual for tuberculosis including a medical history, physical examination, TB skin test or interferon gamma release assay (QuantiFERON[®]-TB Gold In-Tube test or T-SPOT[®].TB test), chest x-ray, and any appropriate bacteriologic/histologic examinations.
- n. **Suspected Case:** A suspected case is an individual whose illness is thought by a health care provider, as defined in OAR 333-017-0000, to be likely due to a reportable disease, infection, or condition, as described in OAR 333-018-0015, or whose illness meets defining criteria published in OHA's Investigative Guidelines. This suspicion may be based on signs, symptoms, or laboratory findings.
- o. **TB Case Management:** Dynamic and systematic management of a case of TB where a person, known as a case manager, is assigned responsibility for the management of an individual TB case to ensure completion of treatment. TB Case Management requires a collaborative approach to providing and coordinating health care services for the individual. The case manager is responsible for ensuring adequate TB treatment, coordinating care as needed, performing contact investigations and following infected contacts through completion of treatment, identifying barriers to care and implementing strategies to remove those barriers.

3. Procedural and Operational Requirements.

- a. LPHA must include the following minimum TB services in its TB investigation and control program if that program is supported in whole or in part with funds provided under this Agreement, as defined above and further described below and in OHA's Investigative Guidelines.
- b. Tuberculosis Case Management Services. LPHA's TB Case Management Services must include the following minimum components:
 - i. LPHA must investigate and monitor treatment for each case and suspected case of active TB disease identified by or reported to LPHA whose residence is in LPHA's jurisdiction, to confirm the diagnosis of TB and ensure completion of adequate therapy.
 - ii. LPHA must require individuals who reside in LPHA's jurisdiction and who LPHA suspects of having active TB disease, to receive appropriate medical examinations and laboratory testing to confirm the diagnosis of TB and response to therapy, through the

completion of treatment. LPHA must assist in arranging the laboratory testing and medical examination, as necessary.

- iii. LPHA must provide medication for the treatment of TB to all individuals who reside in LPHA's jurisdiction and who have TB but who do not have the means to purchase TB medications or for whom obtaining or using identified means is a barrier to TB treatment compliance. LPHA must monitor, at least monthly and in person, individuals receiving medication(s) for adherence to treatment guidelines, medication side effects, and clinical response to treatment.
- iv. LPHA must develop a plan to ensure patient adherence with TB treatment guidelines for each individual within LPHA's jurisdiction identified by or reported to LPHA as having active TB disease. This plan should include the use of DOT for the majority of patients. If DOT will not be used, other methods to ensure patient adherence with treatment guidelines must be utilized and documented (e.g. monthly pill counts or other). Evidence of patient adherence (such as DOT records) must be documented in each individual's chart.
- v. DOT Guidelines: DOT is the standard of care for the treatment of TB. Virtually all cases of active TB disease should be treated via DOT. If DOT is not utilized, the LPHA may be asked to justify to Department why DOT was not used for that particular individual.

The clinical indications and socioeconomic factors listed below are strong indicators that DOT is necessary to ensure adequate treatment of the individual and to prevent acquired drug resistant TB. Patients with the following risk factors must be on DOT. If patients with any of the below circumstances will not be on DOT for any reason during their course of treatment, OHA must be contacted and a plan to ensure compliance discussed.

(A) Clinical indications which require DOT include:

- (I) HIV and TB co-infection
- (II) Reactivation of TB disease or history of previous TB treatment
- (III) MDR-TB
- (IV) Smear positivity
- (V) Cavitory disease
- (VI) History of drug and alcohol abuse within the last 6 months
- (VII) Evidence of severe malnourishment with BMI <18.5
- (VIII) Patient < 18 years old

(B) Socioeconomic factors which require DOT include:

- (I) Homelessness
- (II) History of failure to arrive for clinic appointments and/or noncooperation with LPHA interventions and/or history of non-adherence with prescribed medical therapy (TB or other)
- (III) Presence of child/children or immunocompromised individual in the household

- (IV) Resident of a congregate setting such as jail, long term care facility, group home or homeless shelter.
 - (V) Patient unable to self-administer medications due to mental, physical, or emotional impairments
 - (VI) Patient shows poor understanding of TB diagnosis, or non-acceptance of diagnosis. Consider level of understanding especially carefully for patients with low literacy and/or low levels of English proficiency.
- (C) Patients not on DOT initially must start DOT if any of the following occur:
- (I) Slow sputum culture conversion (culture still positive > 2 months after treatment started)
 - (II) Slow clinical improvement or clinical deterioration while on TB therapy
 - (III) Adverse reaction to TB medications
 - (IV) Significant interruptions in therapy due to nonadherence
- vi. LPHA may assist the patient in completion of treatment by utilizing the below methods. Methods to ensure adherence should be documented.
- (A) Proposed interventions for assisting the individual to overcome obstacles to treatment adherence (e.g. assistance with transportation).
 - (B) Proposed use of incentives and enablers to encourage the individual's compliance with the treatment plan.
- vii. With respect to each case of TB within LPHA's jurisdiction that is identified by or reported to LPHA, LPHA shall perform a contact investigation to identify contacts, associated cases and source of infection. The LPHA must evaluate all located contacts, or confirm that all located contacts were advised of their risk for TB infection and disease.
- The LPHA must offer or advise each located contact identified with TB infection or disease, or confirm that all located contacts were offered or advised, to take appropriate therapy and shall monitor each contact who starts treatment through the completion of treatment (or discontinuation of treatment).
- c. If LPHA receives in-kind resources under this agreement in the form of medications for treating TB, LPHA shall use those medications to treat individuals for TB. In the event of a non-TB related emergency (i.e. meningococcal contacts), with notification to TB Program, the LPHA may use these medications to address the emergent situation.
 - d. The LPHA will present TB cases through participation in the quarterly cohort review. If the LPHA is unable to present the TB case at the designated time, other arrangements shall be made in collaboration with OHA.
 - e. The LPHA will accept Class B waivers and interjurisdictional transfers for evaluation and follow-up, as appropriate for LPHA capabilities.

4. **Reporting Obligations and Periodic Reporting Requirements.** LPHA shall prepare and submit the following reports to OHA:

- a. LPHA shall notify OHA's TB Program of each case or suspected case of active TB disease identified by or reported to LPHA no later than 5 business days within receipt of the report (OR – within 5 business days of the initial case report), in accordance with the standards established pursuant to OAR 333-018-0020. In addition, LPHA shall, within 5 business days of a status change of a suspected case of TB disease previously reported to OHA, notify OHA of the change. A change in status occurs when a suspected case is either confirmed to have TB disease or determined not to have TB Disease. The LPHA shall utilize OHA's "TB Disease Case Report Form" for this purpose. After a case of TB disease has concluded treatment, case completion information shall be sent to OHA's TB Program utilizing the "TB Disease Case Report Form" within 5 business days of conclusion of treatment.
- b. LPHA shall submit the "TB Contact Investigation Form" to OHA's TB Program or enter contacts into the Orpheus database in accordance with the timelines described in the instructions for the reporting forms designated by OHA for this purpose. Contact investigations are not required for strictly extrapulmonary cases. Consult with local medical support as needed.

5. **Performance Measures.** If LPHA uses funds provided under this agreement to support its TB investigation and control program, LPHA shall operate its program in a manner designed to achieve the following national TB performance goals by 2015:

- a. For patients with newly diagnosed TB for whom 12 months or less of treatment is indicated, **93.0% will complete treatment within 12 months.**
- b. For TB patients with positive acid-fast bacillus (AFB) sputum-smear results, **100.0% (of patients) will be elicited for contacts.**
- c. For contacts of sputum AFB smear-positive TB cases, **93.0% will be evaluated for infection and disease.**
- d. For contacts of sputum AFB smear-positive TB cases with newly diagnosed latent TB infection (LTBI), **88.0% will start treatment.**
- e. For contacts of sputum AFB smear-positive TB cases that have started treatment for newly diagnosed LTBI, **79.0% will complete treatment.**
- f. For TB cases in patients ages 12 years or older with a pleural or respiratory site of disease, **95% will have a sputum culture result reported.**

**Appendix A
to Program Element #43**

**Billing Health Plans in Public Clinics
Standards**

Purpose: To standardize and assist in improving immunization billing practice.

For the purpose of this document, Local Health Department (LHD) will be used to identify the vaccine provider.

Guiding Principles / Assumptions:

1. LHDs should be assessing immunization coverage in their respective communities, assuring that vaccine is accessible to all across the lifespan, and billing appropriately for vaccine provided by the LHD.
2. Health plans should reimburse LHDs for the covered services of their members, with vaccine costs reimbursed at 100%.
3. LHDs who serve insured individuals should work to develop immunization billing capacity that covers the cost of providing services to those clients (e.g., develop agreements or contracts with health plans, when appropriate, set up procedures to screen clients appropriately, and bill an administration fee that reflects the true cost of services.)
4. Oregon Immunization Program (OIP) staff and contractors will work with LHDs and health plans to improve contracting/agreement opportunities and billing processes.
5. Each LHD is uniquely positioned to determine the best methods of meeting both the immunization needs of its community and how to recover the costs of providing services.
6. OIP will work with appropriate CLHO committees to add the standards to Program Element 43 and negotiate the Tier One implementation date.
7. The billing standards are designed as tiers, with Tier One activities laying the foundation for more advanced billing capacity in Tiers Two and Three.

Tier One

The LHD:

- Identifies staff responsible for billing and contracting activities
- Identifies major health insurance plans in the jurisdiction, including those most frequently carried by LHD clients
- Determines an administration fee for Billable clients based on the full cost recovery of services provided and documents how fees were determined
- Charges the maximum allowable vaccine administration fee¹ for all eligible VFC/317 clients and discounts the fee for eligible clients as needed
- Develops immunization billing policies and procedures that address:
 - Strategies to manage clients who are not eligible for VFC or 317 and are unable to meet the cost of immunizations provided
 - The actual cost of administration fees and the adjustments made, if any, to administration fees based on payor, patient age, and/or vaccine eligibility code
 - The purchasing of privately owned vaccine and how fees are set for vaccine charges to the client
 - The appropriate charge for vaccine purchased from OIP, by including a statement that says, "We will not charge more than the OIP-published price for billable vaccine."
 - Billing processes based on payor type (DMAP/CCOs, private insurance, etc.), patient age, and vaccine eligibility code
 - The appropriate billing procedures for Medicaid-covered adults²
 - The appropriate billing procedures for Medicaid-covered children birth through 18 years³
 - Is updated annually or as changes occur
- With certain limited exceptions as published in vaccine eligibility charts, uses no federally funded vaccine on insured clients, including adult Medicaid and all Medicare clients⁴
- Implementation shall be completed by December 31, 2014.

Tier Two

In addition to all Tier 1 activities, the LHD:

- As needed, considers developing contracts or other appropriate agreements with relevant payors to assure access to immunization services for insured members of the community
- Fulfills credentialing requirements of contracts/agreements
- Bills private and public health plans directly for immunization services, when feasible, rather than collecting fees from the client and having them submit for reimbursement
- Screens immunization clients to determine amount owed for service at all LHD clinics, including those held offsite
- Devises a plan to implement results of administration fee cost analysis

¹ This fee is determined by the Centers for Medicaid and Medicare Services (CMS) for each state

² Uses vaccine eligibility code B for Billable (or L if Locally-owned) and bills DMAP/CCOs for the vaccine and an administration fee that reflects the actual cost of providing immunizations

³ Uses vaccine eligibility code M for OHP/Medicaid clients and bills DMAP/CCOs an administration fee that does not exceed the CMS allowed amount for the State of Oregon, \$21.96 per injection

⁴ Insured clients should be assigned a vaccine eligibility code of B or L

Tier Three

In addition to all Tier 1 and Tier 2 activities, the LHD:

- Conducts regular quality assurance measures to ensure costs related to LHD's immunization services are being covered
- Implements administration charges based on results of the administration fee cost analysis
- Works to assure access to immunizations for Medicare-eligible members of the community and, if access is poor, provides Medicare Part B and/or Part D vaccines, as needed, and bills appropriately to cover the cost

- i. Resolve Violations for non-PNC Systems: LPHA may conduct work on EPA public water systems that are not PNC systems in the manner described in b. vii (a.) above for addressing PNCs. LPHA shall prioritize work on these systems according to the relative health risk involved with MCL violations the highest priority, and according to system classification with community water systems receiving the highest priority.
 - ii. Conduct Engineering Plan Review Inspections: LPHA may, on request of DWS, inspect construction or major modifications of public water systems to determine conformance to engineering plans reviewed and approved by the DWS. Inspections must consist of an on-site visit to verify construction is completed in accordance with the approved plans. LPHA shall document the facilities checked and any differences between the constructed facilities and the approved plans. Documentation shall be forwarded to DWS within 30 days of the inspection.
 - iii. Assist with Emergency Response Plan Development: LPHA may assist water suppliers to complete their Emergency Response Plans and ensure that completed plans meet DWS standards.

5. **Performance Measures.** DWS will use three (3) performance measures to evaluate LPHA's performance as follows:
- a. **Complete 100% of water system surveys.** Calculation: number of surveys completed divided by the number of surveys required.
 - b. **Respond to 100% of alerts.** Calculation: number of alerts responded to divided by the number of alerts generated.
 - c. **Resolve or address 100% of PNCs.** Calculation: number of PNCs resolved and addressed divided by the total number of PNCs. A PNC is addressed when it is referred to DWS for formal enforcement.

- 6. Responsibilities of DWS.** The intent of this Program Element Description and associated funding award is to enable LPHA to independently conduct an effective local drinking water program. DWS recognizes its role to provide assistance and program support to LPHA to foster uniformity of statewide services. DWS agrees to provide the following services to LPHA. In support of local program services, DWS will:
- a. Distribute drinking water program and technical information in a timely manner to LPHA.
 - b. Sponsor at least one annual 8-hour workshop for LPHA drinking water program staff at a central location and date to be determined by DWS. DWS will provide workshop registration, on-site lodging, meals, and arrange for continuing education unit (CEU) credits. LPHA is responsible for travel expenses for LPHA staff to attend. Alternatively, at the discretion of the DWS, the workshop may be web-based.
 - c. Sponsor at least one regional 4-hour workshop at three (3) locations at locations and dates to be determined by DWS to supplement the annual workshop. DWS will provide training materials and meeting rooms. LPHA is responsible for travel expenses for its staff to attend. Alternatively, at the discretion of the DWS, the workshop may be web-based.
 - d. Provide LPHA with the following information from the public water system database:
 - i. Immediately: Alert data.
 - ii. Continuously: Listings of PNCs, updated monthly.
 - iii. Quarterly: Performance measure calculations.
 - iv. Continuously: Individual water system inventory and water quality data.
 - e. Support electronic communications and data transfer between DWS and LPHA to reduce time delays, mailing costs, and generation of hard copy reports.
 - f. Maintain sufficient technical staff capacity to assist LPHA staff with unusual drinking water problems that require either more staff than is available to LPHA for a short time period, such as a major emergency, or problems whose technical nature or complexity exceed the capability of LPHA staff.
 - g. Refer to LPHA all routine inquiries or requests for assistance received from public water system operators for which LPHA is responsible.
 - h. Prepare formal enforcement actions against public water systems in the subject County, except for licensed facilities, according to the priorities contained in the current State/EPA agreement.
 - i. Prepare other actions against water systems as may be authorized or required by DWS.

Revised April 2015

TITLE OF FORM: OHA Public Health Division Expenditure and Revenue Report

FORM NUMBER: 23-152

WHO MUST COMPLETE THE 23-152: All agencies receiving funds awarded through Oregon Health Authority Intergovernmental Agreement for Financing Public Health Services must complete this report for each grant-funded program. Agencies are responsible for assuring that each report is completed accurately, signed and submitted in a timely manner.

WHERE TO SUBMIT: Email to: *David.P.COLEMAN@state.or.us*

WHEN TO SUBMIT: Reports for grants are due **25 days** following the end of the 3-, 6-, and 9-month periods (10/25, 1/25, 4/25) and **50 days** after the 12-month period (8/25) in each fiscal year. **Any** expenditure reports due and not received by the 25th will delay payments for **all** grant programs until reports for **all** programs have been received from the payee for the reporting period.

INSTRUCTIONS FOR COMPLETION: Report expenditures of Non-OHA/PHD (Oregon Health Authority/Public Health Division) funds in addition to those for which reimbursement is being claimed. This reporting feature is necessary for programs due to the requirement of matching federal dollars with state and/or local dollars.

A. YEAR TO DATE expenditures are reported when payment is made or a legal obligation is incurred.

B. YEAR TO DATE revenue is reported when recognized.

A. EXPENDITURES

Enter cumulative expenditures in appropriate column.

• **Non-OHD/PHD Expenditures** are all program expenditures **not** reimbursed by Public Health Division.

• **PHD Expenditures** are reimbursable expenditures **less** program income.

WIC grantees must break down PHD cumulative expenditures into the 4 categories listed on the form. Refer to Policy 315: Fiscal Requirements of the Oregon WIC Program Policy and Procedure Manual for definitions of the categories.

Line 1. Personal Services: Report total salaries that apply to the program. Since payroll expenses may vary from month to month, an approximate amount may be listed for each reporting period **except** the final period.

Line 2. Services and Supplies: Report all services and supplies expenditures for the program.

Line 3. Capital Outlay: Capital Outlay is defined as expenditure of a single item costing more than \$5,000 with a life expectancy of more than one year. Property records for non-expendable personal property shall be maintained accurately per Subtitle A-Department of Health and Human Services, 45 Code of Federal Regulation (CFR) Part 92.32 and Part 74.34.

Prior approval must be obtained for any purchase of a single item or special purpose equipment having an acquisition cost of \$5,000 or more (PHS Grants Policy Statement; WIC, see Federal Regulations Section 246.14).

B. REVENUES

Line 7. Medicaid/OHP/CCare: Medicaid includes CCare, OHP and other Medicaid programs.

WHEN A BUDGET REVISION IS REQUIRED: It is understood that the pattern of expenses will follow the estimates set forth in the approved budget application. To facilitate program development, however, transfers between expense categories may be made by the local agency except in the following instances, when a budget revision will be required:

- If a transfer would result in or reflect a significant change in the character or scope of the program.
- If there is a significant expenditure in a budget category for which funds were not initially budgeted in approved application.

REIMBURSEMENT FROM THE STATE: Transfer document will be forwarded to the county treasurer (where appropriate) with a copy to the local agency when Public Health Division makes reimbursement.

SPECIAL TERMS AND CONDITIONS

- 1. Enforcement of the Oregon Indoor Clean Air Act.** This section is for the purpose of providing for the enforcement of laws by LPHA relating to smoking and enforcement of the Oregon Indoor Clean Air Act (for the purposes of this section, the term “LPHA” will also refer to local government entities e.g. certain Oregon counties that agree to engage in this activity.)
 - a. Authority.** Pursuant to ORS 190.110, LPHA may agree to perform certain duties and responsibilities related to enforcement of the Oregon Indoor Clean Air Act, 433.835 through 433.875 and 433.990(D) (hereafter “Act”) as set forth below.
 - b. LPHA Responsibilities.** LPHA shall assume the following enforcement functions:
 - (1) Maintain records of all complaints received using the complaint tracking system provided by OHA’s Tobacco Prevention and Education Program (TPEP).

 - (4) Work with noncompliant sites to participate in the development of a remediation plan for each site found to be out of compliance after an inspection by the LPHA.
 - (5) Conduct a second inspection of all previously inspected sites to determine if remediation has been completed within the deadline specified in the remediation plan.

 - (7) For each non-compliant site, within five business days of the second inspection, send the following to TPEP: intake form, copy of initial response letter, remediation form, and all other documentation pertaining to the case.
 - (8) LPHA shall assume the costs of the enforcement activities described in this section. In accordance with an approved Community-based work plan as prescribed in OAR 333-010-0330(3)(b), LPHAs may use Ballot Measure 44 funds for these enforcement activities.

- (9) If a local government has local laws or ordinances that prohibit smoking in any areas listed in ORS 433.845, the local government is responsible to enforce those laws or ordinances using local enforcement procedures. In this event, all costs of enforcement will be the responsibility of the local government. Ballot Measure 44 funds may apply; see Section 2.h. above.

c. OHA Responsibilities. OHA shall:

- (2) Provide technical assistance to LPHAs.

LPHA's failure to comply with these requirements shall constitute a default under this Agreement and such default shall not be subject to Exhibit F, Limitation of Liabilities.

- a. Consultation and Testing.** If LPHA reasonably believes that the LPHA's or OHA's data transactions system or other application of HIPAA privacy or security compliance policy may result in a violation of HIPAA requirements, LPHA shall promptly consult the OHA Information Security Office. LPHA or OHA may initiate a request for testing of HIPAA transaction requirements, subject to available resources and the OHA testing schedule.
- b. Data Transactions Systems.** If LPHA intends to exchange electronic data transactions with a health care component of OHA in connection with claims or encounter data, eligibility or enrollment information, authorizations or other electronic transaction, LPHA shall execute an Electronic Data Interchange (EDI) Trading Partner Agreement with OHA and shall comply with OHA EDI Rules set forth in OAR 943-120-0110 through 943-120-0160.

**OREGON HEALTH AUTHORITY
2015-2017 INTERGOVERNMENTAL AGREEMENT
FOR THE FINANCING OF PUBLIC HEALTH SERVICES**

EXHIBIT E

GENERAL TERMS AND CONDITIONS

1. Disbursement and Recovery of Financial Assistance.

a. Disbursement Generally. Subject to the conditions precedent set forth below and except as otherwise specified in an applicable footnote in the Financial Assistance Award, OHA shall disburse financial assistance awarded for a particular Program Element, as described in the Financial Assistance Award, to LPHA in substantially equal monthly allotments during the period specified in the Financial Assistance Award for that Program Element, subject to the following:

- i.** At the request of LPHA, OHA may adjust monthly disbursements of financial assistance to meet LPHA program needs.
- ii.** OHA may reduce monthly disbursements of financial assistance as a result of, and consistent with, LPHA's underexpenditure of prior disbursements.
- iii.** After providing LPHA 30 calendar days advance notice, OHA may withhold monthly disbursements of financial assistance if any of LPHA's reports required to be submitted to OHA under Section 8 of this Exhibit E or that otherwise are not submitted in a timely manner or are incomplete or inaccurate subject to Exhibit C, Sections 2, 3, or 4. OHA may withhold the disbursements under this subsection until the reports have been submitted or corrected to OHA's satisfaction.

OHA may disburse to LPHA financial assistance for a Program Element in advance of LPHA's expenditure of funds on delivery of the services within that Program Element, subject to OHA recovery at Agreement Settlement of any excess disbursement. The mere disbursement of financial assistance to LPHA in accordance with the disbursement procedures described above does not vest in LPHA any right to retain those funds. Disbursements are considered an advance of funds to LPHA which LPHA may retain only to the extent the funds are expended in accordance with the terms and conditions of this Agreement.

b. Conditions Precedent to Disbursement. OHA's obligation to disburse financial assistance to LPHA under this Agreement is subject to satisfaction, with respect to each disbursement, of each of the following conditions precedent:

- i.** No LPHA default as described in Section 12 "LPHA Default" of this Exhibit has occurred.

- ii. LPHA's representations and warranties set forth in Section 2 "Representations and Warranties" of this Exhibit are true and correct on the date of disbursement with the same effect as though made on the date of disbursement.

c. Recovery of Financial Assistance.

- i. **Notice of Underexpenditure or Misexpenditure.** If OHA believes there has been an Underexpenditure (as defined in Exhibit A) of moneys disbursed under this Agreement, OHA shall provide LPHA with written notice thereof and OHA and LPHA shall engage in the process described in Section 1.c.ii. below. If OHA believes there has been a Misexpenditure (as defined in Exhibit A) of moneys disbursed to LPHA under this Agreement, OHA shall provide LPHA with written notice thereof and OHA and LPHA shall engage in the process described in Section 1.c.iii.

- ii. **Recovery of Underexpenditure.**

- (A) **LPHA's Response.** LPHA shall have 90 calendar days from the effective date of the notice of Underexpenditure to pay OHA in full or notify the OHA that it wishes to engage in the appeals process set forth in Section 1.c.ii.(B) below. If LPHA fails to respond within that 90-day time period, LPHA shall promptly pay the noticed Underexpenditure amount.

- (B) **Appeals Process.** If LPHA notifies OHA that it wishes to engage in an appeal process, LPHA and OHA shall engage in non-binding discussions to give the LPHA an opportunity to present reasons why it believes that there is no Underexpenditure, or that the amount of the Underexpenditure is different than the amount identified by OHA, and to give OHA the opportunity to reconsider its notice. LPHA and OHA may negotiate an appropriate apportionment of responsibility for the repayment of an Underexpenditure. At LPHA request, OHA will meet and negotiate with LPHA in good faith concerning appropriate apportionment of responsibility for repayment of an Underexpenditure. In determining an appropriate apportionment of responsibility, LPHA and OHA may consider any relevant factors. An example of a relevant factor is the extent to which either party contributed to an interpretation of a statute, regulation or rule prior to the expenditure that was officially reinterpreted after the expenditure. If OHA and LPHA reach agreement on the amount owed to OHA, LPHA shall promptly repay that amount to OHA by issuing payment to OHA or by directing OHA to withhold future payments pursuant to Section 1.c.ii.(C) below. If OHA and LPHA continue to disagree about whether there has been an Underexpenditure or the amount owed, the parties may agree to consider further appropriate dispute resolution processes, including, subject to Oregon Department of Justice (DOJ) and LPHA counsel approval, arbitration.

- (C) **Recovery From Future Payments.** To the extent that OHA is entitled to recover an Underexpenditure pursuant to Section 1.c.ii.(B), OHA may recover the Underexpenditure by offsetting the amount thereof against future amounts owed to LPHA by OHA, including, but not limited to, any amount owed to

LPHA by OHA under any other contract or agreement between LPHA and OHA, present or future. OHA shall provide LPHA written notice of its intent to recover the amounts of the Underexpenditure from amounts owed LPHA by OHA as set forth in this Section 1.c.ii.(C), and shall identify the amounts owed by OHA which OHA intends to offset, (including contracts or agreements, if any, under which the amounts owed arose) LPHA shall then have 14 calendar days from the date of OHA's notice in which to request the deduction be made from other amounts owed to LPHA by OHA and identified by LPHA. OHA shall comply with LPHA's request for alternate offset, unless the LPHA's proposed alternative offset would cause OHA to violate federal or state statutes, administrative rules or other applicable authority, or would result in a delay in recovery that exceeds three months. In the event that OHA and LPHA are unable to agree on which specific amounts, owed to LPHA by OHA, the OHA may offset in order to recover the amount of the Underexpenditure, then OHA may select the particular contracts or agreements between OHA and LPHA and amounts from which it will recover the amount of the Underexpenditure, within the following limitations: OHA shall first look to amounts owed to LPHA (but unpaid) under this Agreement. If that amount is insufficient, then OHA may look to any other amounts currently owing or owed in the future to LPHA by OHA. In no case, without the prior consent of LPHA, shall OHA deduct from any one payment due LPHA under the contract or agreement from which OHA is offsetting funds an amount in excess of twenty-five percent (25%) of that payment. OHA may look to as many future payments as necessary in order to fully recover the amount of the Underexpenditure .

iii. Recovery of Misexpenditure.

(A) LPHA's Response. From the effective date of the notice of Misexpenditure, LPHA shall have the lesser of (i) 60 calendar days, or (ii) if a Misexpenditure relates to a Federal Government request for reimbursement, 30 calendar days fewer than the number of days (if any) OHA has to appeal a final written decision from the Federal Government, to either:

- (i) Make a payment to OHA in the full amount of the noticed Misexpenditure identified by OHA;
- (ii) Notify OHA that LPHA wishes to repay the amount of the noticed Misexpenditure from future payments pursuant to Section 1.c.iii.(C) below; or
- (iii) Notify OHA that it wishes to engage in the applicable appeal process set forth in Section 1.c.iii.(B) below.

If LPHA fails to respond within the time required by this Section 1.c.iii.(A), OHA may recover the amount of the noticed Misexpenditure from future payments as set forth in Section 1.c.iii.(C) below.

(B) Appeal Process for Misexpenditure. If LPHA notifies OHA that it wishes to engage in an appeal process with respect to a noticed Misexpenditure, the parties shall comply with the following procedures, as applicable:

(i) Appeal from OHA-Identified Misexpenditure. If OHA's notice of Misexpenditure is based on a Misexpenditure solely of the type described in Sections 13.b. or c. of Exhibit A, LPHA and OHA shall engage in the process described in this Section 1.c.iii.(B)(i.) to resolve a dispute regarding the noticed Misexpenditure. First, LPHA and OHA shall engage in non-binding discussions to give LPHA an opportunity to present reasons why it believes that there is, in fact, no Misexpenditure or that the amount of the Misexpenditure is different than the amount identified by OHA, and to give OHA the opportunity to reconsider its notice. LPHA and OHA may negotiate an appropriate apportionment of responsibility for the repayment of a Misexpenditure. At LPHA request, OHA will meet and negotiate with LPHA in good faith concerning appropriate apportionment of responsibility for repayment of a Misexpenditure. In determining an appropriate apportionment of responsibility, LPHA and OHA may consider any relevant factors. An example of a relevant factor is the extent to which either party contributed to an interpretation of a statute, regulation or rule prior to the expenditure that was officially reinterpreted after the expenditure. If OHA and LPHA reach agreement on the amount owed to OHA, LPHA shall promptly repay that amount to OHA by issuing payment to OHA or by directing OHA to withhold future payments pursuant to Section 1.c.iii.(C) below. If OHA and LPHA continue to disagree as to whether or not there has been a Misexpenditure or as to the amount owed, the parties may agree to consider further appropriate dispute resolution processes including, subject to Oregon Department of Justice (DOJ) and LPHA counsel approval, arbitration.

(ii) Appeal from Federal-Identified Misexpenditure.

(a) If OHA's notice of Misexpenditure is based on a Misexpenditure of the type described in Exhibit A, Section 13.a. and the relevant Federal Agency provides a process either by statute or administrative rule to appeal the determination of improper use of federal funds, the notice of disallowance or other federal identification of improper use of funds and if the disallowance is not based on a federal or state court judgment founded in allegations of Medicaid fraud or abuse, then LPHA may, prior to 30 calendar days prior to the applicable federal appeals deadline, request that OHA appeal the determination of improper use, notice of disallowance or other federal identification of improper use of funds in accordance with the process established or adopted by the Federal Agency. If LPHA so requests that OHA appeal the determination of improper use of federal funds, federal notice of disallowance or other federal identification of improper use of funds, the amount in controversy shall, at the option of LPHA, be retained by the LPHA or returned to OHA pending the final federal

decision resulting from the initial appeal. If the LPHA does request, prior to the deadline set forth above, that OHA appeal, OHA shall appeal the determination of improper use, notice of disallowance or other federal identification of improper use of funds in accordance with the established process and shall pursue the appeal until a decision is issued by the Departmental Grant Appeals Board of the U.S. Department of Health and Human Services (HHS) (the "Grant Appeals Board") pursuant to the process for appeal set forth in 45 C.F.R. Subtitle A, Part 16, or an equivalent decision is issued under the appeal process established or adopted by the Federal Agency. LPHA and OHA shall cooperate with each other in pursuing the appeal. If the Grant Appeals Board or its equivalent denies the appeal then either LPHA, OHA, or both may, in their discretion, pursue further appeals. Regardless of any further appeals, within 90 days of the date the federal decision resulting from the initial appeal is final, LPHA shall repay to OHA the amount of the noticed Misexpenditure (reduced, if at all, as a result of the appeal) by issuing payment to OHA or by directing OHA to withhold future payments pursuant to Section 1.c.iii.(C) below. To the extent that LPHA retained any of the amount in controversy while the appeal was pending, the LPHA shall pay to OHA the interest, if any, charged by the Federal Government on such amount.

- (b) If the relevant Federal Agency does not provide a process either by statute or administrative rule to appeal the determination of improper use of federal funds, the notice of disallowance or other federal identification of improper use of funds or LPHA does not request that OHA pursue an appeal prior to 30 calendar days prior to the applicable federal appeals deadline, and if OHA does not appeal, then within 90 days of the date the federal determination of improper use of federal funds, the federal notice of disallowance or other federal identification of improper use of funds is final LPHA shall repay to OHA the amount of the noticed Misexpenditure by issuing a payment to OHA or by directing OHA to withhold future payments pursuant to Section 1.c.iii.(C) below.
- (c) If LPHA does not request that OHA pursue an appeal of the determination of improper use of federal funds, the notice of disallowance, or other federal identification of improper use of funds, prior to 30 calendar days prior to the applicable federal appeals deadline but OHA nevertheless appeals, LPHA shall repay to OHA the amount of the noticed Misexpenditure (reduced, if at all, as a result of the appeal) within 90 calendar days of the date the federal decision resulting from the appeal is final, by issuing payment to OHA or by directing OHA to withhold future payments pursuant to Section 1.c.iii.(C) below.
- (d) Notwithstanding Section 1.c.iii.(A)(i.) through 1.c.iii.(A)(iii.), if the Misexpenditure was expressly authorized by an OHA rule or an

OHA writing that applied when the expenditure was made, but was prohibited by federal statutes or regulations that applied when the expenditure was made, LPHA will not be responsible for repaying the amount of the Misexpenditure to OHA, provided that:

- (1) Where post-expenditure official reinterpretation of federal statutes or regulations results in a Misexpenditure, LPHA and OHA will meet and negotiate in good faith an appropriate apportionment of responsibility between them for repayment of the Misexpenditure.
- (2) For purposes of this Section 1.c.iii.(B)(ii.)(d), an OHA writing must interpret this Agreement or an OHA rule and be signed by the Director of the OHA or by one of the following OHA officers concerning services in the category where the officers are listed:

Public Health Services:

- Public Health Director
- Deputy Public Health Director
- Office Administrators for the Director or Deputy Director

OHA shall designate alternate officers in the event the offices designated in the previous sentence are abolished. Upon LPHA request, OHA shall notify LPHA of the names of individual officers with the above titles. OHA shall send OHA writings described in this paragraph to LPHA by mail and email.

- (3) The writing must be in response to a request from LPHA for expenditure authorization, or a statement intended to provide official guidance to LPHA or counties generally for making expenditures under this Agreement. The writing must not be contrary to this Agreement or contrary to law or other applicable authority that is clearly established at the time of the writing.
- (4) If OHA writing is in response to a request from LPHA for expenditure authorization, the request must be in writing and signed by the director of an LPHA department with authority to make such a request or by the LPHA Counsel. It must identify the supporting data, provisions of this Agreement and provisions of applicable law relevant to determining if the expenditure should be authorized.
- (5) An OHA writing expires on the date stated in the writing, or if no expiration date is stated, six years from the date of the writing. An expired OHA writing continues to apply to LPHA

expenditures that were made in compliance with the writing and during the term of the writing.

- (6) OHA may revoke or revise an OHA writing at any time if it determines in its sole discretion that the writing allowed expenditure in violation of this Agreement or law or any other applicable authority.
- (7) OHA rule does not authorize an expenditure that this Agreement prohibits.

(C) **Recovery From Future Payments.** To the extent that OHA is entitled to recover a Misexpenditure pursuant to Section 1.c.iii.(B)(i.) or (ii.), OHA may recover the Misexpenditure by offsetting the amount thereof against future amounts owed to LPHA by OHA, including but not limited to, any amount owed to LPHA by OHA under this Agreement or any amount owed to LPHA by OHA under any other contract or agreement between LPHA and OHA, present or future. OHA shall provide LPHA written notice of its intent to recover the amount of the Misexpenditure from amounts owed LPHA by OHA as set forth in this Section 1.c.iii.(C) and shall identify the amounts owed by OHA that OHA intends to offset (including the contracts or agreements, if any, under which the amounts owed arose and from those OHA wishes to deduct payments from). LPHA shall then have 14 calendar days from the date of OHA's notice in which to request the deduction be made from other amounts owed to LPHA by OHA and identified by LPHA. OHA shall comply with LPHA's request for alternate offset, unless the LPHA's proposed alternative offset would cause OHA to violate federal or state statutes, administrative rules or other applicable authority. In the event that OHA and LPHA are unable to agree on which specific amounts are owed to LPHA by OHA, that OHA may offset in order to recover the amount of the Misexpenditure, then OHA may select the particular contracts or agreements between OHA and County and amounts from which it will recover the amount of the Misexpenditure, after providing notice to LPHA, and within the following limitations: OHA shall first look to amounts owed to LPHA (but unpaid) under this Agreement. If that amount is insufficient, then OHA may look to any other amounts currently owing or owed in the future to LPHA by OHA. In no case, without the prior consent of LPHA, shall OHA deduct from any one payment due LPHA under the contract or agreement from which OHA is offsetting funds an amount in excess of twenty-five percent (25%) of that payment. OHA may look to as many future payments as necessary in order to fully recover the amount of the Misexpenditure.

d. Additional Provisions With Respect to Underexpenditures and Misexpenditures.

- i. LPHA shall cooperate with OHA in the Agreement Settlement process.
- ii. OHA's right to recover Underexpenditures and Misexpenditures from LPHA under this Agreement is not subject to or conditioned on LPHA's recovery of any money from any other entity.

- iii. If the exercise of the OHA's right to offset under this provision requires the LPHA to complete a re-budgeting process, nothing in this provision shall be construed to prevent the LPHA from fully complying with its budgeting procedures and obligations, or from implementing decisions resulting from those procedures and obligations.
 - (A) Nothing in this provision shall be construed as a requirement or agreement by the LPHA or the OHA to negotiate and execute any future contract with the other.
 - (B) Nothing in this Section 1.d. shall be construed as a waiver by either party of any process or remedy that might otherwise be available.

2. Representations and Warranties.

- a. LPHA represents and warrants (subject to the limitations of Article XI, §10 of the Oregon Constitution and the Oregon Tort Claims Act as amended (currently ORS 30.260 through 30.300),) as follows:
 - i. **Organization and Authority.** LPHA is a political subdivision of the State of Oregon duly organized and validly existing under the laws of the State of Oregon. LPHA has full power, authority and legal right to make this Agreement and to incur and perform its obligations hereunder.
 - ii. **Due Authorization.** The making and performance by LPHA of this Agreement (1) have been duly authorized by all necessary action by LPHA and (2) do not and will not violate any provision of any applicable law, rule, regulation, or order of any court, regulatory commission, board, or other administrative agency or any provision of LPHA's charter or other organizational document and (3) do not and will not result in the breach of, or constitute a default or require any consent under any other agreement or instrument to which LPHA is a party or by which LPHA may be bound or affected. No authorization, consent, license, approval of, filing or registration with or notification to any governmental body or regulatory or supervisory authority is required for the execution, delivery or performance by LPHA of this Agreement.
 - iii. **Binding Obligation.** This Agreement has been duly executed and delivered by LPHA and constitutes a legal, valid and binding obligation of LPHA, enforceable in accordance with its terms subject to the laws of bankruptcy, insolvency, or other similar laws affecting the enforcement of creditors' rights generally.
 - iv. **Services.** To the extent services are performed by LPHA, the delivery of each Program Element service will comply with the terms and conditions of this Agreement and meet the standards for such Program Element service as set forth herein, including but not limited to, any terms, conditions, standards and requirements set forth in the Financial Assistance Award and applicable Program Element Description.

- b. Warranties Cumulative. The warranties set forth in this section are in addition to, and not in lieu of, any other warranties provided.
- c. OHA represents and warrants (subject to the limitations of Article XI, §7 of the Oregon Constitution and the Oregon Tort Claims Act as amended (currently ORS 30.260 through 30.300),) as follows:
 - i. Organization and Authority. OHA has full power, authority and legal right to make this Agreement and to incur and perform its obligations hereunder.
 - ii. Due Authorization. The making and performance by OHA of this Agreement (1) have been duly authorized by all necessary action by OHA and (2) do not and will not violate any provision of any applicable law, rule, regulation, or order of any court, regulatory commission, board, or other administrative agency and (3) do not and will not result in the breach of, or constitute a default or require any consent under any other agreement or instrument to which OHA is a party or by which OHA may be bound or affected. No authorization, consent, license, approval of, filing or registration with or notification to any governmental body or regulatory or supervisory authority is required for the execution, delivery or performance by OHA of this Agreement, other than approval by the Department of Justice if required by law.
 - iii. Binding Obligation. This Agreement has been duly executed and delivered by OHA and constitutes a legal, valid and binding obligation of OHA, enforceable in accordance with its terms subject to the laws of bankruptcy, insolvency, or other similar laws affecting the enforcement of creditors' rights generally.
- 3. **Use of Financial Assistance.** LPHA may use the financial assistance disbursed to LPHA under this Agreement solely to cover actual Allowable Costs reasonably and necessarily incurred to implement Program Elements during the term of this Agreement. LPHA may not expend financial assistance provided to LPHA under this Agreement for a particular Program Element (as reflected in the Financial Assistance Award) on the implementation of any other Program Element.
- 4. **Provider Contracts.** Except when the Program Element Description expressly requires a Program Element Service or a portion thereof to be delivered by LPHA directly, LPHA may use the financial assistance provided under this Agreement for a particular Program Element service to purchase that service, or portion thereof, from a third person or entity (a "Provider") through a contract (a "Provider Contract"). Subject to Section 5 of this Exhibit E, LPHA may permit a Provider to purchase the service, or a portion thereof, from another person or entity under a subcontract and such subcontractors shall also be considered Providers for purposes of this Agreement and the subcontracts shall be considered Provider Contracts for purposes of this Agreement. LPHA shall not permit any person or entity to be a Provider unless the person or entity holds all licenses, certificates, authorizations and other approvals required by applicable law to deliver the Program Element service. The Provider Contract must be in writing and contain each of the provisions set forth in Exhibit H, in substantially the form set forth therein, in addition to any other provisions that must be included to comply with applicable law, that must be included in a Provider Contract under the terms of this Agreement or that are necessary to implement Program Element service delivery in accordance with the applicable Program

Element Descriptions and the other terms and conditions of this Agreement. LPHA shall maintain an originally executed copy of each Provider Contract at its office and shall furnish a copy of any Provider Contract to OHA upon request.

5. **Provider Monitoring.** LPHA shall monitor each Provider's delivery of Program Element services and promptly report to OHA when LPHA identifies a major deficiency in a Provider's delivery of a Program Element service or in a Provider's compliance with the Provider Contract between the Provider and LPHA. LPHA shall promptly take all necessary action to remedy any identified deficiency. LPHA shall also monitor the fiscal performance of each Provider and shall take all lawful management and legal action necessary to pursue this responsibility. In the event of a major deficiency in a Provider's delivery of a Program Element service or in a Provider's compliance with the Provider Contract between the Provider and LPHA, nothing in this Agreement shall limit or qualify any right or authority OHA has under state or federal law to take action directly against the Provider.
6. **Records Maintenance, Access, and Confidentiality.**
 - a. **Access to Records and Facilities.** OHA, the Oregon Secretary of State's office, the Federal Government, and their duly authorized representatives shall have access to the books, documents, papers and records of LPHA that are directly related to this Agreement, the financial assistance provided hereunder, or any Program Element service for the purpose of making audits, examinations, excerpts, copies and transcriptions. In addition, LPHA shall permit authorized representatives of OHA to perform site reviews of all Program Element services delivered by LPHA.
 - b. **Retention of Records.** LPHA shall retain and keep accessible all books, documents, papers, and records, that are directly related to this Agreement, the financial assistance provided hereunder, or any Program Element service, for a minimum of three (3) years, or such longer period as may be required by other provisions of this Agreement or applicable law, following the termination of this Agreement. If there are unresolved audit or Agreement Settlement questions at the end of the applicable retention period, LPHA shall retain the records until the questions are resolved.
 - c. **Expenditure Records.** LPHA shall establish such fiscal control and fund accounting procedures as are necessary to ensure proper expenditure of and accounting for the financial assistance disbursed to LPHA by OHA under this Agreement. In particular, but without limiting the generality of the foregoing, LPHA shall (i) establish separate accounts for each Program Element for which LPHA receives financial assistance from OHA under this Agreement and (ii) document expenditures of financial assistance provided hereunder for employee compensation in accordance with 2 CFR Subtitle B with guidance at 2 CFR Part 200 and, when required by OHA, utilize time/activity studies in accounting for expenditures of financial assistance provided hereunder for employee compensation. LPHA shall maintain accurate property records of non-expendable property, acquired with Federal Funds, in accordance with 2 CFR Subtitle B with guidance at 2 CFR Part 200.
 - d. **Safeguarding of LPHA Client Information.** LPHA shall maintain the confidentiality of LPHA Client records as required by applicable state and federal law. Without limiting the generality of the preceding sentence, LPHA shall comply with the

following confidentiality laws, as applicable: ORS 433.045, 433.075, 433.008, 433.017, 433.092, 433.096, 433.098 and 42 CFR Part 2. LPHA shall create and maintain written policies and procedures related to the disclosure of LPHA Client information, and shall make such policies and procedures available to OHA for review and inspection as reasonably requested by OHA.

7. **Alternative Formats and Translation of Written Materials, Interpreter Services.** In connection with the delivery of Program Element services, LPHA shall:
- a. Make available to an LPHA Client, without charge to the LPHA Client, upon the LPHA Client's or OHA's request, any and all written materials in alternate, if appropriate, formats as required by OHA's administrative rules or by OHA's written policies made available to LPHA.
 - b. Make available to an LPHA Client, without charge to the LPHA Client, upon the LPHA Client's or OHA's request, any and all written materials in the prevalent non-English languages in LPHA's service area.
 - c. Make available to an LPHA Client, without charge to the LPHA Client, upon the LPHA Client's or OHA's request, oral interpretation services in all non-English languages in LPHA's service area.
 - d. Make available to an LPHA Client with hearing impairment, without charge to the LPHA Client, upon the LPHA Client's or OHA's request, sign language interpretation services and telephone communications access services.

For purposes of the foregoing, "written materials" includes, without limitation, all written materials created or delivered in connection with the Program Element services and all Provider Contracts related to this Agreement.

8. **Reporting Requirements.** For each calendar quarter or portion thereof, during the term of this Agreement, in which LPHA expends and receives financial assistance awarded to LPHA by OHA under this Agreement, LPHA shall prepare and deliver to OHA, no later than the 25 days following the end of the first, second, and third quarters (or end of three, six, and nine month periods) and 50 days following the end of the fourth quarter (or 12 month period) the following reports:
- a. A separate expenditure report for each Program in which LPHA expenditures and receipts of financial assistance occurred during the quarter as funded by indication on the original or formally amended Financial Assistance Award located in the same titled section of Exhibit C of the Agreement. Each report, (other than reports for PE 41 "Family Planning") must be substantially in the form set forth in Exhibit C titled "Oregon Health Authority, Public Health Division Expenditure and Revenue Report for All Programs Except Family Planning."
 - b. Expenditure reports for PE 41, must be substantially in the form set forth in Exhibit C titled "Oregon Health Authority Public Health Division Expenditure and Revenue Report for Family Planning Only", if LPHA expended financial assistance disbursed hereunder for PE 41 during the quarter.

All reports must be completed in accordance with the associated instructions and must provide complete, specific and accurate information on LPHA's use of the financial assistance disbursed to LPHA hereunder. In addition, LPHA shall comply with all other reporting requirements set forth in this Agreement, including but not limited to, all reporting requirements set forth in applicable Program Element descriptions. If LPHA fails to comply with these reporting requirements, OHA may withhold future disbursements of all financial assistance under this Agreement, as further described in Section 1 of this Exhibit E.

9. **Operation of Public Health Program.** LPHA shall operate (or contract for the operation of) a public health program during the term of this Agreement. If LPHA uses financial assistance provided under this Agreement for a particular Program Element, LPHA shall include that Program Element in its public health program from the date it begins using the funds provided under this Agreement for that Program Element until the earlier of (a) termination or expiration of this Agreement, (b) termination by OHA of OHA's obligation to provide financial assistance for that Program Element, in accordance with Section 14 of this Exhibit E or (c) termination by LPHA, in accordance with Section 14 of this Exhibit E, of LPHA's obligation to include that Program Element in its public health program.
10. **Technical Assistance.** During the term of this Agreement, OHA shall provide technical assistance to LPHA in the delivery of Program Element services to the extent resources are available to OHA for this purpose. If the provision of technical assistance to the LPHA concerns a Provider, OHA may require, as a condition to providing the assistance, that LPHA take all action with respect to the Provider reasonably necessary to facilitate the technical assistance.
11. **Payment of Certain Expenses.** If OHA requests that an employee of LPHA, or a Provider or a citizen providing services or residing within LPHA's service area, attend OHA training or an OHA conference or business meeting and LPHA has obligated itself to reimburse the individual for travel expenses incurred by the individual in attending the training or conference, OHA may pay those travel expenses on behalf of LPHA but only at the rates and in accordance with the reimbursement procedures set forth in the Oregon Accounting Manual www.oregon.gov/DAS/SCD/SARS/policies/oam/10.35.00.PR.pdf?ga=t as of the date the expense was incurred and only to the extent that OHA determines funds are available for such reimbursement.
12. **LPHA Default.** LPHA shall be in default under this Agreement upon the occurrence of any of the following events:
 - a. LPHA fails to perform, observe or discharge any of its covenants, agreements or obligations set forth herein.
 - b. Any representation, warranty or statement made by LPHA herein or in any documents or reports made by LPHA in connection herewith that are reasonably relied upon by OHA to measure the delivery of Program Element services, the expenditure of financial assistance or the performance by LPHA is untrue in any material respect when made;
 - c. LPHA (i) applies for or consents to the appointment of, or taking of possession by, a receiver, custodian, trustee, or liquidator of itself or all of its property, (ii) admits in

writing its inability, or is generally unable, to pay its debts as they become due, (iii) makes a general assignment for the benefit of its creditors, (iv) is adjudicated as bankrupt or insolvent, (v) commences a voluntary case under the federal Bankruptcy Code (as now or hereafter in effect), (vi) files a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, (vii) fails to controvert in a timely and appropriate manner, or acquiesces in writing to, any petition filed against it in an involuntary case under the Bankruptcy Code, or (viii) takes any action for the purpose of effecting any of the foregoing; or

- d. A proceeding or case is commenced, without the application or consent of LPHA, in any court of competent jurisdiction, seeking (i) the liquidation, dissolution or winding-up, or the composition or readjustment of debts, of LPHA, (ii) the appointment of a trustee, receiver, custodian, liquidator, or the like of LPHA or of all or any substantial part of its assets, or (iii) similar relief in respect to LPHA under any law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, and such proceeding or case continues undismissed, or an order, judgment, or decree approving or ordering any of the foregoing is entered and continues unstayed and in effect for a period of sixty consecutive days, or an order for relief against LPHA is entered in an involuntary case under the federal Bankruptcy Code (as now or hereafter in effect).

13. OHA Default. OHA shall be in default under this Agreement upon the occurrence of any of the following events:

- a. OHA fails to perform, observe or discharge any of its covenants, agreements, or obligations set forth herein; or
- b. Any representation, warranty or statement made by OHA herein or in any documents or reports made by OHA in connection herewith that are reasonably relied upon by LPHA to measure performance by OHA is untrue in any material respect when made.

14. Termination.

- a. **LPHA Termination.** LPHA may terminate this Agreement in its entirety or may terminate its obligation to include one or more particular Program Elements in its public health program:
 - i. For its convenience, upon at least three calendar months advance written notice to OHA, with the termination effective as of the first day of the month following the notice period;
 - ii. Upon 45 days advance written notice to OHA, if LPHA does not obtain funding, appropriations and other expenditure authorizations from LPHA's governing body, federal, state or other sources sufficient to permit LPHA to satisfy its performance obligations under this Agreement, as determined by LPHA in the reasonable exercise of its administrative discretion;

- iii. Upon 30 days advance written notice to OHA, if OHA is in default under the Agreement and such default remains uncured at the end of said 30 day period or such longer period, if any, as LPHA may specify in the notice; or
 - iv. Immediately upon written notice to OHA, if Oregon statutes or federal laws, regulations or guidelines are modified, changed or interpreted by the Oregon Legislative Assembly, the federal government or a court in such a way that LPHA no longer has the authority to meet its obligations under this Agreement.
- b. **OHA Termination.** OHA may terminate this Agreement in its entirety or may terminate its obligation to provide financial assistance under this Agreement for one or more particular Program Elements described in the Financial Assistance Award:
- i. For its convenience, upon at least three calendar months advance written notice to LPHA, with the termination effective as of the first day of the month following the notice period;
 - ii. Upon 45 days advance written notice to LPHA, if OHA does not obtain funding, appropriations and other expenditure authorizations from federal, state or other sources sufficient to meet the payment obligations of OHA under this Agreement, as determined by OHA in the reasonable exercise of its administrative discretion. Notwithstanding the preceding sentence, OHA may terminate this Agreement in its entirety or may terminate its obligation to provide financial assistance under this Agreement for one or more particular Program Elements, immediately upon written notice to LPHA or at such other time as it may determine if action by the Oregon Legislative Assembly or Emergency Board reduces the OHA's legislative authorization for expenditure of funds to such a degree that OHA will no longer have sufficient expenditure authority to meet its payment obligations under this Agreement, as determined by OHA in the reasonable exercise of its administrative discretion, and the effective date for such reduction in expenditure authorization is less than 45 days from the date the action is taken;
 - iii. Immediately upon written notice to LPHA if Oregon statutes or federal laws, regulations or guidelines are modified, changed or interpreted by the Oregon Legislative Assembly, the federal government or a court in such a way that OHA no longer has the authority to meet its obligations under this Agreement or no longer has the authority to provide the financial assistance from the funding source it had planned to use;
 - iv. Upon 30 days advance written notice to LPHA, if LPHA is in default under this Agreement and such default remains uncured at the end of said 30 day period or such longer period, if any, as OHA may specify in the notice;
 - v. Immediately upon written notice to LPHA, if any license or certificate required by law or regulation to be held by LPHA or a Provider to deliver a Program Element service described in the Financial Assistance Award is for any reason denied, revoked, suspended, not renewed or changed in such a way that LPHA or a Provider no longer meets requirements to deliver the service. This termination right may

only be exercised with respect to the particular Program Element impacted by the loss of necessary licensure or certification; or

- vi. Immediately upon written notice to LPHA, if OHA determines that LPHA or any of its Providers have endangered or are endangering the health or safety of an LPHA Client or others.

15. Effect of Termination

- a. Upon termination of this Agreement in its entirety, OHA shall have no further obligation to pay or disburse financial assistance to LPHA under this Agreement, whether or not OHA has paid or disbursed to LPHA all financial assistance described in the Financial Assistance Award, except (a) with respect to funds described in the Financial Assistance Award, to the extent OHA's disbursement of financial assistance for a particular Program Element service, the financial assistance for which is calculated on a rate per unit of service or service capacity basis, is less than the applicable rate multiplied by the number of applicable units of the Program Element service or Program Element service capacity of that type performed or made available from the effective date of this Agreement through the termination date, and (b) with respect to funds described in the Financial Assistance Award, to the extent OHA's disbursement of financial assistance for a particular Program Element service, the financial assistance for which is calculated on a cost reimbursement basis, is less than the cumulative actual Allowable Costs reasonably and necessarily incurred with respect to delivery of that Program Element service, from the effective date of this Agreement through the termination date.
- b. Upon termination of LPHA's obligation to perform under a particular Program Element service, OHA shall have (a) no further obligation to pay or disburse financial assistance to LPHA under this Agreement for administration of that Program Element service whether or not OHA has paid or disbursed to LPHA all financial assistance described in the Financial Assistance Award for administration of that Program Element and (b) no further obligation to pay or disburse any financial assistance to LPHA under this Agreement for such Program Element service, whether or not OHA has paid or disbursed to LPHA all financial assistance described in the Financial Assistance Award for such Program Element service except (1) with respect to funds described in the Financial Assistance Award, to the extent OHA's disbursement of financial assistance for the particular Program Element service, the financial assistance for which is calculated on a rate per unit of service or service capacity basis, is less than the applicable rate multiplied by the number of applicable units of the Program Element service or Program Element service capacity of that type performed or made available during the period from the effective date of this Agreement through the termination date, and (2) with respect to funds described in the Financial Assistance Award, to the extent OHA's disbursement of financial assistance for a particular Program Element service, the financial assistance for which is calculated on a cost reimbursement basis, is less than the cumulative actual Allowable Costs reasonably and necessarily incurred by LPHA with respect to delivery of that Program Element service during the period from the effective date of this Agreement through the termination date.

- c. Upon termination of OHA's obligation to provide financial assistance under this Agreement for a particular Program Element service, LPHS shall have no further obligation under this Agreement to provide that Program Element service.
 - d. **Disbursement Limitations.** Notwithstanding subsections a. and b. above, under no circumstances will OHA be obligated to provide financial assistance to LPHA for a particular Program Element service in excess of the amount awarded under this Agreement for that Program Element service as set forth in the Financial Assistance Award.
 - e. **Survival.** Exercise of a termination right set forth in Section 14 of this Exhibit E or termination of this Agreement in accordance with its terms, shall not affect LPHA's right to receive financial assistance to which it is entitled hereunder as described in subsections a. and b. above or the right of OHA or LPHA to invoke the dispute resolution processes under Sections 17 and 18 below. Notwithstanding subsections a. and b. above, exercise of the termination rights in Section 14 of this Exhibit E or termination of this Agreement in accordance with its terms, shall not affect LPHA's obligations under this Agreement or OHA's right to enforce this Agreement against LPHA in accordance with its terms, with respect to financial assistance actually disbursed by OHA under this Agreement, or with respect to Program Element services actually delivered. Specifically, but without limiting the generality of the preceding sentence, exercise of a termination right set forth in Section 14 of this Exhibit E or termination of this Agreement in accordance with its terms shall not affect LPHA's representations and warranties; reporting obligations; record-keeping and access obligations; confidentiality obligations; obligation to comply with applicable federal requirements; the restrictions and limitations on LPHA's expenditure of financial assistance actually disbursed by OHA hereunder, LPHA's obligation to cooperate with OHA in the Agreement Settlement process; or OHA's right to recover from LPHA; in accordance with the terms of this Agreement; any financial assistance disbursed by OHA under this Agreement that is identified as an Underexpenditure or Misexpenditure. If a termination right set forth in Section 14 of this Exhibit E is exercised, both parties shall make reasonable good faith efforts to minimize unnecessary disruption or other problems associated with the termination.
16. **Effect of Amendments Reducing Financial Assistance.** If LPHA and OHA amend this Agreement to reduce the amount of financial assistance awarded for a particular Program Element, LPHA is not required by this Agreement to utilize other LPHA funds to replace the funds no longer received under this Agreement as a result of the amendment, and LPHA may, from and after the date of the amendment, reduce the quantity of that Program Element service included in its public health program commensurate with the amount of the reduction in financial assistance awarded for that Program Element. Nothing in the preceding sentence shall affect LPHA's obligations under this Agreement with respect to financial assistance actually disbursed by OHA under this Agreement or with respect to Program Element services actually delivered.
17. **Resolution of Disputes over Additional Financial Assistance Owed LPHA After Termination.** If, after termination of this Agreement, LPHA believes that OHA disbursements of financial assistance under this Agreement for a particular Program Element are less than the amount of financial assistance that OHA is obligated to provide to LPHA under this Agreement

for that Program Element, as determined in accordance with the applicable financial assistance calculation methodology, LPHA shall provide OHA with written notice thereof. OHA shall have 90 calendar days from the effective date of LPHA's notice to pay LPHA in full or notify LPHA that it wishes to engage in a dispute resolution process. If OHA notifies LPHA that it wishes to engage in a dispute resolution process, LPHA and OHA's Assistant Administrator shall engage in non-binding discussion to give OHA an opportunity to present reasons why it believes that it does not owe LPHA any additional financial assistance or that the amount owed is different than the amount identified by LPHA in its notices, and to give LPHA the opportunity to reconsider its notice. If OHA and LPHA reach agreement on the additional amount owed to LPHA, OHA shall promptly pay that amount to LPHA. If OHA and LPHA continue to disagree as to the amount owed, the parties may agree to consider further appropriate dispute resolution processes, including, subject to Oregon Department of Justice and LPHA counsel approval, binding arbitration. Nothing in this Section shall preclude the LPHA from raising underpayment concerns at any time prior to termination of this Agreement under Section 18 below.

18. **Resolution of Disputes, Generally.** In addition to other processes to resolve disputes provided in this Exhibit, either party may notify the other party that it wishes to engage in a dispute resolution process. Upon such notification, the parties shall engage in non-binding discussion to resolve the dispute. If the parties do not reach agreement as a result of non-binding discussion, the parties may agree to consider further appropriate dispute resolution processes, including, subject to Oregon Department of Justice and LPHA counsel approval, binding arbitration. The rights and remedies set forth in this Agreement are not intended to be exhaustive and the exercise by either party of any right or remedy does not preclude the exercise of any other rights or remedies at law or in equity.
19. Nothing in this Agreement shall cause or require LPHA or OHA to act in violation of state or federal constitutions, statutes, regulations or rules. The parties intend this limitation to apply in addition to any other limitation in this Agreement, including limitations in Section 1 of this Exhibit E.
20. **Purchase and Disposition of Equipment.**
 - a. For purposes of this section, "Equipment" means tangible, non-expendable personal property having a useful life of more than one year and a net acquisition cost of more than \$5,000 per unit. 5. **No Third Party Beneficiaries.** OHA and LPHA are the only parties to this Agreement and are the only parties entitled to enforce its terms. The parties agree that LPHA's performance under this Agreement is solely for the benefit of OHA to assist and enable OHA to accomplish its statutory mission. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly or otherwise, to third persons any greater than the rights and benefits enjoyed by the general public unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement.

11. **Limitation of Liabilities.** **NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT. NEITHER PARTY SHALL BE LIABLE FOR ANY DAMAGES OF**

ANY SORT ARISING SOLELY FROM THE TERMINATION OF THIS AGREEMENT OF ANY PART HEREOF IN ACCORDANCE WITH ITS TERMS.

12. Ownership of Intellectual Property.

- a. Definitions. As used in this section and elsewhere in this Agreement, the following terms have the meanings set forth below:
 - i. "County Intellectual Property" means any intellectual property owned by County and developed independently from the Work.
 - ii. "Third Party Intellectual Property" means any intellectual property owned by parties other than OHA or County.
- b. Except as otherwise expressly provided herein, or as otherwise required by state or federal law, OHA will not own the right, title and interest in any intellectual property created or delivered by LPHA or a Provider in connection with the Program Element services. With respect to that portion of the intellectual property that LPHA owns, LPHA grants to OHA a perpetual, worldwide, non-exclusive, royalty-free and irrevocable license, subject to any provisions in the Agreement that restrict or prohibit dissemination or disclosure of information, to (1) use, reproduce, prepare derivative works based upon, distribute copies of, perform and display the intellectual property, (2) authorize third parties to exercise the rights set forth in Section 12.b.(1) on OHA's behalf, and (3) sublicense to third parties the rights set forth in Section 12.b.(1).
- c. If state or federal law requires that OHA or LPHA grant to the United States a license to any intellectual property, or if state or federal law requires that OHA or the United States own the intellectual property, then LPHA shall execute such further documents and instruments as OHA may reasonably request in order to make any such grant or to assign ownership in the intellectual property to the United States or OHA. To the extent that OHA becomes the owner of any intellectual property created or delivered by LPHA in connection with the Program Element services, OHA will grant a perpetual, worldwide, non-exclusive, royalty-free and irrevocable license, subject to any provisions in the Agreement that restrict or prohibit dissemination or disclosure of information, to LPHA to use, copy, distribute, display, build upon and improve the intellectual property.
- d. LPHA shall include in its Provider Contracts terms and conditions necessary to require that Providers execute such further documents and instruments as OHA may reasonably request in order to make any grant of license or assignment of ownership that may be required by federal or state law.

- 13. Force Majeure.** Neither OHA nor LPHA shall be held responsible for delay or default caused by fire, civil unrest, labor unrest, natural causes, or war which is beyond the reasonable control of OHA or LPHA, respectively. Each party shall, however, make all reasonable efforts to remove or eliminate such cause of delay or default and shall, upon the cessation of the cause, diligently pursue performance of its obligations under this Agreement. Each party may

terminate this Agreement upon written notice to the other party after reasonably determining that the delay or breach will likely prevent successful performance of this Agreement.

14. **Contribution.** If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against a party (the "Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party's liability with respect to the Third Party Claim.

With respect to a Third Party Claim for which the State is jointly liable with the LPHA (or would be if joined in the Third Party Claim), the State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the Agency in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the Agency on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the State on the one hand and of the LPHA on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the State had sole liability in the proceeding.

The relative fault of the LPHA on the one hand and of the State on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The LPHA's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.

15. **Indemnification by LPHA Contractors.** LPHA shall take all reasonable steps to cause its contractor(s), that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorney's fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of LPHA's contractor or any of the officers, agents, employees or subcontractors of the contractor ("Claims"). It is the specific intention of the parties that the Indemnitee shall, in

all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnatee, be indemnified by the contractor from and against any and all Claims.

Provider shall maintain accurate property records of non-expendable property, acquired with Federal Funds, in accordance with 2 CFR Subtitle B with guidance at 2 CFR Part 200.

- d. **Safeguarding of Client Information.** Provider shall maintain the confidentiality of client records as required by applicable state and federal law. 3. **Alternative Formats of Written Materials.** In connection with the delivery of services, Provider shall:

- a. Make available to a Client, without charge to the Client, upon the Client's, the County's or the Oregon Health Authority's request, any and all written materials in alternate, if appropriate, formats as required by Oregon Health Authority administrative rules or by Oregon Health Authority's written policies made available to Provider.

Without limiting the generality of the foregoing, Provider expressly agrees to comply with the following laws, regulations and executive orders to the extent they are applicable to the Contract: (a) all applicable requirements of state civil rights and rehabilitation statutes, rules and regulations; (b) all state laws governing operation of public health programs, including without limitation, all administrative rules adopted by the Oregon Health Authority related to public health programs; and (d) ORS 659A.400 to 659A.409, ORS 659A.145 and all regulations and administrative rules established pursuant to those laws in the construction, remodeling, maintenance and operation of any structures and facilities, and in the conduct of all programs, services and training associated with the delivery of services under this Contract.

These laws, regulations and executive orders are incorporated by reference herein to the extent that they are applicable to the Contract and required by law to be so incorporated. All employers, including Provider, that employ subject workers who provide services in the State of Oregon shall comply with ORS 656.017 and provide the required Workers' Compensation coverage, unless such employers are exempt under ORS 656.126. In addition, Provider shall comply, as if it were LPHA thereunder, with the federal requirements set forth in Exhibit G to that certain 2009-2010 Intergovernmental Agreement for the Financing of Public Health Services between LPHA and the Oregon Health Authority dated as of July 1, 2010, which Exhibit is incorporated herein by this reference. Provider may satisfy these requirements for ensuring that employees are aware of the means for making use of the employee grievance procedures by including a section in the Provider employee manual that describes the Provider employee grievance procedures, by publishing other materials designed for this purpose, or by presenting information on the employee grievance procedures at periodic intervals in staff and board meetings.

6. **Independent Contractor.** Unless Provider is a State of Oregon governmental agency, Provider agrees that it is an independent contractor and not an agent of the State of Oregon, the Oregon Health Authority or LPHA.
7. **Indemnification.** To the extent permitted by applicable law, Provider shall defend (in the case of the State of Oregon and the Oregon Health Authority, subject to ORS chapter 180), save and hold harmless the State of Oregon, the Oregon Health Authority, LPHA, and their officers, employees, and agents from and against all claims, suits, actions, losses, damages, liabilities, costs and expenses of any nature whatsoever resulting from, arising out of or relating to the operations of the Provider, including but not limited to the activities of Provider or its officers, employees, Providers or agents under this Contract.

It is the specific intention of the parties that the Indemnatee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnatee, be indemnified by the Provider from and against any and all Claims.

- 9. Subcontracts.** Provider shall include sections 1 through 8, in substantially the form set forth above, in all permitted subcontracts under this Agreement.

EXHIBIT I

PROVIDER INSURANCE REQUIREMENTS

General Requirements. LPHA shall require its first tier Providers(s) that are not units of local government as defined in ORS 190.003, if any, to: i) obtain insurance specified under TYPES AND AMOUNTS and meeting the requirements under ADDITIONAL INSURED, "TAIL" COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before the Providers perform under contracts between LPHA and the Providers (the "Provider Contracts"), and ii) maintain the insurance in full force throughout the duration of the Provider Contracts. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to OHA. LPHA shall not authorize Providers to begin work under the Provider Contracts until the insurance is in full force. Thereafter, LPHA shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. LPHA shall incorporate appropriate provisions in the Provider Contracts permitting it to enforce Provider compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. Examples of "reasonable steps" include issuing stop work orders (or the equivalent) until the insurance is in full force or terminating the Provider Contracts as permitted by the Provider Contracts, or pursuing legal action to enforce the insurance requirements. In no event shall LPHA permit a Provider to work under a Provider Contract when the LPHA is aware that the Provider is not in compliance with the insurance requirements. As used in this section, a "first tier" Provider is a Provider with whom the LPHA directly enters into a Provider Contract. It does not include a subcontractor with whom the Provider enters into a contract.

If OHA approval is granted, the Provider shall maintain "tail" coverage for the maximum time period that "tail" coverage is reasonably available in the marketplace.
