Subject: FW: Employee Safety Advisory Committee

Laura,

There were some members who had expired terms on the Employee Safety Advisory Committee and we have a new appointment for the Sheriff's office (listed below). In addition to what Michelle listed below here is the rest of the members who need to have board approval.

Roma Fuerst, HHS – reappointed for another 3 year term

Michael Saunders, Jail – reappointed for another 3-year term

Brenda Hopper, Community Justice – resigned – this has created a vacancy

I wasn't sure who should get this first and it doesn't have to be on this week's agenda it can wait until next week. ☺

Thanks,
Keri

Tracie Utti has resigned from her position on the safety committee. Candice Bernard has volunteered to fill the position. She has department approval. Please ask the Board to consider appointing Candice to the Employee Safety Advisory Committee. Thank you.
