I spoke with Devon Mode and she will be our new representative. If you would send your Okey Dokey to Ken he can do his part. Thanks, VW

In the first section it should read "Health and Human Services."

Would you add language accepting the resignation of Michael Saunders from the Safety Advisor Committee.

Then appoint Woody Little and Amanda Mueller to the Safety Advisory Committee 3 year term.

That should fill the committee.

Chuck,

Attached are the agenda items for this week. Please let me know if you need to me to make any changes to the language for any of them.

Thanks,
