**Subject:** Zetron System Payment

Commissioners, as you are aware, the Board of Commissioners and the YCOM Executive Board have agreed to a number of things that pertain to the operation, maintenance and funding of the radio system. One of the agreements is that the County will pay for the Zetron Interface on behalf of the Dispatch Center. The first invoice is ready for payment and I now require your authorization for payment of this system from the Landfill License Reserve. We have sufficient spending authority.

I respectfully ask that you approve the expenditure of \$120,000 for the Zetron Interface from Silke Communications from "Other Expense" from Fund 38-56 (Landfill License Reserve).

Please let me know if you have any questions. Lucy please add this on to Thursday's Formal Session for the Commissioners' consideration.

Thank you, Laura
