Re: Declaring radios surplus

Sheriff Svenson,

I would like to declare the following radio's surplus, in addition, chargers and shoulder microphones associated with the radio make/model. I talked with a Radio Tech about the value of the radios. Tait's and Motorola's were valued at \$10.00 each. The rest of the radios do not have any value. In addition to making this radio's surplus, they will need to be wiped clean of our frequency.
