Subject: Videotaping Formal Sessions

Allen – Dave from KLYC came by today at formal session and let us know that he has a set up that will work for him that doesn't require any additional help beyond what he can handle. He can carry the camera and laptop in by himself. The County will have to purchase one small piece of equipment that costs \$30, and he will provide the cable that connects to the sound system. He will set up and video next week's employee recognition and formal session, and we will have an item on the agenda for the commissioners to vote on the plan to have KLYC videotaping the meetings.

Hope you are feeling better.
