The Contractor acknowledges receipt of all Contract Documents in existence at the date it executed this Agreement. Contractor represents to

5. **Penalty for failure to meet deadline.** The parties agree that Owner has a substantial interest in the timely completion of the Project and all work and services to be performed under this Agreement in accordance with the agreed upon schedule. Payment shall be made by Owner either in a single payment following final approval of the project by the Yamhill County Director of Public Works, or as otherwise provided in the General Conditions, subject to a 5% retainage. Upon satisfactory completion of Project tasks the Contractor shall notify the Supervisor in writing that Contractor has completed performance under this Agreement and shall request payment of applicable retained amounts. Upon receipt of written notice, Supervisor will review the Project work and services completed to date and if acceptable, Supervisor shall authorize payment of applicable retained amounts.

7. **Prevailing wages; certified statement.** The Contractor hereby certifies, and it shall be a condition of the Payment and Performance Bond, as provided by ORS 279C.800 through 279C.870, that in performing this Agreement the Contractor will pay and cause to be paid and all subcontractors will pay and cause to be paid not less than the prevailing rate of wages as of

In the event the Contractor is obligated to abide by prevailing wage requirements imposed by federal law, the Contractor shall comply with the Davis-Bacon Act (40 U.S.C. 3141 et seq). The Contractor shall file with the Owner certified statements as required under ORS 279C.845 with regard to payment of prevailing wages. Pursuant to ORS 279C.845(7) until Owner receives the certified statements, Owner shall retain 25% of any amount earned by the Contractor as required by law. Owner shall pay Contractor any retained amounts under this Section within 14 days of receipt of certified statements.

8. **Incorporation of statutory provisions required for public contracts.** The Contractor certifies it shall comply with all applicable Public Contract Laws to include ORS 279B.200 through 279B.240 and ORS 279C.500 through 279C.545 and 279C.580 (3) and (4). The fee shall be paid at the time Owner enters into this Agreement. The fee shall be paid in accordance with the administrative rules of BOLI.

11. **Certification of compliance with laws.** The Contractor certifies, under penalty of perjury, that Contractor is not in violation of any federal, state or local tax laws, rules or regulations or any federal, state or local laws, rules, codes or regulations applicable to the Project and that Contractor shall remain in compliance with all such laws, codes, rules and regulations during the entire term of this Agreement. In addition, Contractor agrees that it has complied with the tax laws of the state of Oregon or a political subdivision of the state of Oregon, including ORS 305.620 and ORS Chapters 316, 317 and 318.

The Supervisor has authority to reject or accept the Project work or services.

17. **Prohibition of Discrimination.** In hiring employees for performance of work under this Agreement neither Contractor, any subcontractor or any other person acting on their behalf shall by reason of race, religion, age, color, creed, physical handicap or sex discriminate against a person who is qualified and available to perform work or services to which employment relates.

The failure of Owner to enforce at any time any of the terms of this Agreement, or to exercise any option which is provided, or to require at any time performance by Contractor of any of the provisions, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of any part of this Agreement, or the right of Owner to thereafter enforce each and every provision.

22. **Contractor's Representation.** Contractor, by entering into this Agreement, represents that its bid for this Project is made without connection with any person, firm or corporation making or refraining from making a bid for the same or similar project and was in all respects fair and without collusion or fraud.

23. **Severability.** Should any clause or section of this Agreement be declared by court to be void or voidable, the remainder of this Agreement shall remain in full force and effect.

**PERFORMANCE
BOND**

(Public Work)

**Travelers Casualty and Surety Company of America
Hartford, CT 06183**

Bond No.: 106464109

KNOW ALL BY THESE PRESENTS, That we, Baker Rock Crushing Co. Inc. dba Baker Rock Resources, as Principal, and Travelers Casualty and Surety Company of America, a Connecticut corporation, as Surety, are held and firmly bound unto Yamhill County, as Obligee, in the sum of One Million Six Hundred Seventy Two Thousand Seven Hundred Thirty and 10/100ths Dollars (\$1,672,730.10) for the payment whereof said Principal and Surety bind themselves, jointly and severally, as provided herein.

WHEREAS, Principal has entered into a contract with Obligee dated _____ for Yamhill County 2016 Road Paving and Overlay Paving Project _____ ("Contract").

NOW, THEREFORE, the condition of this obligation is such that if Principal shall perform the Construction Work to be done under the Contract, then this obligation shall be null and void; otherwise to remain in full force and effect. Surety's obligations hereunder shall not arise unless Principal is in default under the Contract for failing to perform the Construction Work, and has been declared by Obligee to be in default under the Contract for failing to perform the Construction Work; and Obligee has performed its obligations under the Contract. In such event, Surety shall have a reasonable period of time to:

1. Upon entering into an acceptable written takeover agreement with Obligee, undertake to perform and complete the Construction Work to be done under the Contract; or

2. Obtain bids or negotiated proposals from qualified contractors for a contract for completion of the Construction Work to be done under the Contract, arrange for a contract to be prepared for execution by Obligee and contractor, to be secured with performance and payment bonds executed by a qualified surety; or

3. Waive its right to perform or complete the Construction Work pursuant to paragraphs 1 and 2 above, and with reasonable promptness under the circumstances: (a) After investigation, determine the amount for which it may be liable to the Obligee and, as soon as practicable after the amount is determined, tender payment therefor to the Obligee; or (b) Deny liability in whole or in part and notify the Obligee citing reasons therefor.

4. The Contract balance, as defined below, shall be credited against the reasonable construction cost of completing the Construction Work to be performed under the Contract. If completed by Obligee pursuant to paragraphs 2 or 3 above, and the reasonable construction cost exceeds the Contract balance, Surety shall pay to Obligee such excess, but in no event shall the aggregate liability of Surety exceed the amount of this bond. If Surety completes the Construction Work pursuant to paragraph 1 above, that portion of the Contract balance as may be required to complete the Construction Work to be done under the Contract and to reimburse Surety for its outlays shall be paid to Surety at the times and in the manner as said sums would have been payable to Principal had there been no default under the Contract; provided, however, that to the extent that Surety's outlays exceed the Contract balance paid to Surety by Obligee, Surety shall be entitled to a dollar for dollar reduction of its liability under this bond, and Surety's aggregate liability shall not exceed the penal sum of this bond. The term "Contract balance," as used in the paragraph, shall mean the total amount payable by Obligee under the Contract and any amendments thereto, less the amounts properly paid by Obligee to Principal under the Contract. The term "Construction Work" as used herein shall mean the providing all labor and/or material necessary to complete Principal's scope of work under the Contract. Notwithstanding any language in the Contract to the contrary, the Contract balance shall not be reduced or set off on account of any obligation, contractual or otherwise, except the reasonable construction cost incurred in completing the Construction Work.

5. Any suit by Obligee under this bond must be instituted before the earlier of: (a) the expiration of one year from the date of substantial completion of the Construction Work, or (b) one year after Principal

ceased performing the Construction Work under the Contract, excluding warranty work. If this bond is provided to comply with bond statutes in the location where the Construction Work is being performed, and the bond statutes contain a statute of limitations for suits on the performance bond, then the limitation period set forth herein shall be read out of this bond and the statute of limitation set forth in the bond statutes shall be read into this bond. If the limitation set forth in this bond is void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable, and said period of limitation shall be deemed to have accrued and shall commence to run no later than the earlier of (y) the date of substantial completion of the Construction Work, or (z) the date Principal ceased performing Construction Work, excluding warranty work.

6. No suit or action shall be commenced hereunder other than in a court of competent jurisdiction in the county or other political subdivision of the state in which the project, or any part thereof, is situated, or in the United States District Court for the district in which the project, or any part thereof, is situated, and not elsewhere.

7. This bond shall not afford coverage for any liability of Principal for tortious acts, whether or not said liability is direct or is imposed by the Contract, and shall not serve as or be a substitute for or supplemental to any liability or other insurance required by the Contract. No right of action shall accrue on this bond to or for the use of any person or entity other than the named Obligee.

8. This bond is provided to comply with applicable statutory or other legal requirement for performing construction contracts for public owners in the location where the Construction Work is being performed. Except as provided in paragraph 5 above, all provisions in the bond which are in addition to or differ from applicable statutory or legal requirements shall be read out of this bond, and all pertinent statutes and other legal requirements shall be read into the bond.
