and

*Whereas*, the nature of the industry is fluid with craftspeople moving from firm to firm and project to project;  
and

*Whereas*, with proper planning, communication and controls, it is possible to eliminate injuries and incidents  
from construction sites; and

safely after every shift; and

*Whereas*, local private and public owners in Yamhill County have been national leaders in construction safety  
and have the opportunity to demonstrate leadership once again; and

*Whereas*, a diversity of stakeholders will enrich the dialogue and accelerate the adoption of best practices; and
