RE: Appointments and Re-appointments to the Yamhill Transit Advisory Committee

The Yamhill County Transit Advisory Committee was established in 2007 and consists of eleven members: Ten members represent each of the incorporated cities within Yamhill County and one representative from the Confederated Tribes of Grand Ronde.

The members serve 3 year terms with terms expiring the last day of February. The bylaws indicate terms should be staggered. Currently, five members terms expired in 2014 or 2015 and five members terms expire this month 2/28/16 and there is one vacancy.

The committee was reconvened in October 2015 after more than a year of not meeting on a regular basis. The committee met on January 28, 2016 and there was consensus that the group continue and add a representative from the STFAC as an ex-officio member. The group agreed to meet quarterly on the **fourth Thursday of January, April, July, and October at 6:00 pm in the Courthouse Room 32.**

Therefore, the YCTA Board/Board of Commissioners is requested to re-appoint members and identify their terms of service.

The recommendation is as follows;

- a. Appoint the following representatives to the terms as listed below;
