We are pleased to quote to you the sum of seventeen thousand six hundred sixty-eight dollars and no/cents (\$17,668.00) for the following:

Quote to replace #3 Bradford White EF100T199E3N commercial gas water heater, located in the crow's nest mechanical room.

Old unit, and new unit, will be transferred through the roof hatch opening by a 40-ton crane, sub-contracted through outside contractor.

On-site maintenance personnel will remove access ladder and hatch assembly for the transfer of water heaters and will replace. #2 water heater will be drained, disconnected and moved to gain access during transfer.

Reset both water heaters and test for proper operation.

In addition to existing quote, customer would like to add and additional water heater to the quote. In addition, add replacement of a Bradford White commercial water heater, located in the crow's nest mechanical room

Excluded from this quote, any unforeseen problems with the existing plumbing or plumbing fixtures.
