Information to assist the Board of Commissioners in considering your application (the back of this page may be used if more space is needed and a resume may be attached):

I have been involved with my kids in county fair activities for over 11 years. We were involved in 4-H for 8 years at the Yamhill Co Fair, and 4-H and FFA for 3 years at the Harney Co Fair. I was involved at the parent level for all of those years. I grew up in Lakeview, OR and participated at the Lake County Fair and Roundup for most of my childhood and young adult life. I have fond memories of growing up around the Fair & Rodeo and have enjoyed participating with my own kids in all of these same events as they have grown up. I understand the importance of the county fair to the family and the community.

I also realize that being a member of the fair board takes dedication and commitment, as well as an understanding that all members of the board bring a unique perspective to discussions and decision-making. At times, those perspectives may not align, but being able to work together respectfully towards the common goal, even when it involves making tough decisions, is important. I have many years of experience as a leader both in my work as a Fire Lieutenant and from having served on several boards: Amity Fire Board, Volunteer Firefighter's Association, Boy Round Up Executive Board, and Amity Christian Church Deacon.
