Section 8.1.f.1 of the solid waste ordinance states in part, "Commencing on June 1, 1998 and on June 1 or each year thereafter throughout the term of this Ordinance (The "Adjustment Date"), the rates shall be adjusted in a percentage amount equal to the percent change in the Consumer Price Index for all Urban Consumers for West B/C..."

1. Waste Management Newberg Hauling is requesting the CPI adjustment of 2.3%. Their financial report shows they will use the increase to operate within the operating ratio of 85% to 91%.
2. Waste Management Newberg Transfer Station is requesting the 2.3% increase to stay within their operating ratio of 85% to 91%.

SWAC voted in favor of making a recommendation to the commissioners to approve both rate increases.

Thank you
