Russ Heath Shop Supervisor

MEMORANDUM

DATE: July 20, 2017
TO: Board of Commissioners
FROM: Public Works Fleet
SUBJECT: Excavator Replacement

Public Works excavator unit # 97-194 a 1997 Caterpillar 320BL is 20 years old and is budgeted for replacement in the 17/18 fiscal year.

This machine met our needs very well over the years and we would like to replace it with a similar size machine. We use it for clearing right of way, removing slide debris, dig outs, ditching etc.

Peterson Caterpillar of Portland is offering a Caterpillar 320F excavator equipped with a bucket rotator. The 320F is an updated version of the current 320BL that we own.

The Caterpillar 320F is available thru the National Joint Powers Alliance. NJPA Contact #032515-CAT. Total purchase price including delivery is \$217,286.00.

Based on the above information, I would like to recommend to purchase one new Caterpillar 320F excavator as quoted from Peterson Caterpillar for a total of \$217,286.00 and declare unit #97-194 surplus property to be sold at public auction via Public Surplus Auctions.

Motor Vehicle Replacement Fund

045-029-802.02 \$217,286.00

Thank You

Russ Heath
