Commissioners, the county must approve Title III projects by September 30, 2017. We have one project that has already been approved but has not been carried out yet. Additionally, the Sheriff's department is applying for the remaining funds for Search and Rescue, Emergency Services and Firefighting on federal lands. The application is attached. These funds can only be used for reimbursement after an emergency or event. There is no deadline for the funds to be expended.

I am asking the Board to approve the following projects for the Title III funds:

1. Community Wildfire Protection plan – Red Shot Lane and Panther Creek (\$40,800)
2. Yamhill County Sheriff's Office Search and Rescue and Emergency Services (\$57,200)

Thank you for your consideration – Crystal, please place this item on next week's Informal Session list.
