EXHIBIT A
Part 1
Program Description

1. Program Description and Purpose

The purpose of this Agreement is to implement Nurse-Family Partnership (NFP), an evidence-based home visiting (EBHV) program, using federal home visiting grant funds.

The Patient Protection and Affordable Care Act, Public Law 111-148, (PPACA) provided in section 2951 for grants to states for the improvement of maternal and child health services. The OHA's Maternal & Child Health section (MCH) has been awarded grant funds through the federal Maternal, Infant, and Early Childhood Home Visiting (MIECHV) Program to implement EBHV in communities deemed most at-risk through a statewide needs assessment. This project is administered by MCH and guided by the State Home Visiting Steering Committee, a multi-disciplinary group of key decision makers that provides the framework, policy direction and standards for the state home visiting system.

This project is part of a larger effort to strengthen and coordinate Oregon's home visiting network and represents an opportunity to implement or expand EBHV programs across the state that represent geographic and cultural diversity. The goal of Oregon's MIECHV Project is to strengthen state and local home visiting networks' capacity to effectively respond to the needs of pregnant women, children, and families as a strategic service in a comprehensive, early childhood system. The objectives are to:

- a. Improve coordination and collaboration among the various home visiting programs, and provide a foundation for on-going local home visiting and early childhood system development efforts;
- b. Establish shared outcomes for maternal and child health in communities that are in alignment with statewide priorities for the early learning and healthcare transformation;
- c. Develop an interoperable data management system to improve tracking of early childhood indicators in targeted communities;
- d. Evaluate the impact of evidence-based home visiting models in various geographical settings (frontier, rural, and urban) in a manner that informs the current state home visiting system as well as the early childhood system; and
- e. Demonstrate success in the MIECHV benchmark areas:
 - improved maternal and newborn health;
 - decreased child injuries, abuse, and neglect;
 - improved school readiness;
 - improved identification of domestic violence in families;
 - improved family economic self-sufficiency; and
 - improved coordination of community referrals, resources and supports.

2. Services to be provided

The Work to be provided by the Recipient shall be consistent with section 2951 of PPACA, any regulations or requirements issued by the US Department of Health and Human Services, and the grant award to OHA from the US Department of Health and Human Services, which will be made available to the Recipient upon request. In

accordance with Exhibit B. 15, Recipient may sub-contract with entities they deem appropriate to provide the services of this Agreement and will consult with the state Grant Administrator (State Project Officer) as needed to assure compliance with the grant and fidelity to the models implemented. The Recipient will be held accountable for all Work under this Agreement as if the Recipient performed the Work themselves.

Part 3 Special Terms and Conditions

1. HIPAA Compliance.

The health care component of OHA is a Covered Entity and must comply with the Health Insurance Portability and Accountability Act and the federal regulations implementing the Act (collectively referred to as HIPAA). Recipient is a Business Associate of the health care component of OHA and therefore must comply with OAR 943-014-0400 through OAR 943-014-0465 and the Business Associate requirements set forth in 45 CFR 164.502 and 164.504. Recipient's failure to comply with these requirements shall constitute a default under this Agreement and such default shall not be subject to Exhibit B, Limitation of Liabilities.

- a. **Consultation and Testing.** If Recipient reasonably believes that the Recipient's or OHA's data transactions system or other application of HIPAA privacy or security compliance policy may result in a violation of HIPAA requirements, Recipient shall promptly consult the OHA Information Security Office. Recipient or OHA may initiate a request for testing of HIPAA transaction requirements, subject to available resources and the OHA testing schedule.
- b. **Data Transactions Systems.** If Recipient intends to exchange electronic data transactions with a health care component of OHA in connection with claims or encounter data, eligibility or enrollment information, authorizations or other electronic transaction, Recipient shall execute an Electronic Data Interchange (EDI) Trading Partner Agreement with OHA and shall comply with OHA EDI Rules set forth in OAR 943-120-0110 through 943-120-0160.

EXHIBIT B
Standard Terms and Conditions

1. Governing Law, Consent to Jurisdiction.

This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between OHA or any other agency or department of the State of Oregon, or both, and Recipient that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County for the State of Oregon; provided, however, if a Claim must be brought in a federal forum, then it shall be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. In no event shall this Section be construed as a waiver by the State of Oregon of the jurisdiction of any court or of any form of defense to or immunity from any Claim, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise. Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum. This Section shall survive expiration or termination of this Agreement.

2. Compliance with Law.

Recipient shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to the Recipient and this Agreement. This Section shall survive expiration or termination of this Agreement.

3. Independent Parties.

The parties agree and acknowledge that their relationship is that of independent parties and that Recipient is not an officer, employee, or agent of the State of Oregon as those terms are used in ORS 30.265 or otherwise.

4. Grant Funds; Payments.

- a. Recipient is not entitled to compensation under this Agreement by any other agency or department of the State of Oregon. Recipient understands and agrees that OHA's participation in this Agreement is contingent on OHA receiving appropriations, limitations, allotments or other expenditure authority sufficient to allow OHA, in the exercise of its reasonable administrative discretion, to participate in this Agreement.
- b. Disbursement Method. Disbursements under this Agreement will be made by Electronic Funds Transfer (EFT) and shall be processed in accordance with the provisions of OAR 407-120-0100 through 407-120-0380 or OAR 410-120-1260 through OAR 410-120-1460, as applicable, and any other OHA Oregon Administrative Rules that are program-specific to the billings and payments. Upon request, Recipient must provide its taxpayer identification number (TIN) and other necessary banking information to receive EFT payment. Recipient must

maintain at its own expense a single financial institution or authorized payment agent capable of receiving and processing EFT using the Automated Clearing House (ACH) transfer method. The most current designation and EFT information will be used for all disbursements under this Agreement. Recipient must provide this designation and information on a form provided by OHA. In the event that EFT information changes or the Recipient elects to designate a different financial institution for the receipt of any payment made using EFT procedures, Recipient will provide the changed information or designation to OHA on a OHA-approved form.

5. Recovery of Overpayments.

Any funds disbursed to Recipient under this Agreement that are expended in violation or contravention of one or more of the provisions of this Agreement “Misexpended Funds” or that remain unexpended on the earlier of termination or expiration of this Agreement must be returned to OHA. Recipient shall return all Misexpended Funds to OHA promptly after OHA’s written demand and no later than 15 days after OHA’s written demand. Recipient shall return all Unexpended Funds to OHA within 14 days after the earlier of termination or expiration of this Agreement. OHA, in its sole discretion, may recover Misexpended or Unexpended Funds by withholding from payments due to Recipient such amounts, over such periods of time, as are necessary to recover the amount of the overpayment. Prior to withholding, if Recipient objects to the withholding or the amount proposed to be withheld, Recipient shall notify OHA that it wishes to engage in dispute resolution in accordance with Section 14 of this Exhibit.

6. Reserved.

7. Contribution.

If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 (“Third Party Claim”) against a liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party’s liability with respect to the Third Party Claim.

With respect to a Third Party Claim for which the State is jointly liable with the Recipient (or would be if joined in the Third Party Claim), the State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the Recipient in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the Recipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the State on the one hand and of the Recipient on the

other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the State had sole liability in the proceeding.

With respect to a Third Party Claim for which the Recipient is jointly liable with the State (or would be if joined in the Third Party Claim), the Recipient shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the State in such proportion as is appropriate to reflect the relative fault of the Recipient on the one hand and of the State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the Recipient on the one hand and of the State on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The Recipient's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.

This Section shall survive expiration or termination of this Agreement.

8. Indemnification by Subcontractors.

Recipient shall take all reasonable steps to require its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Recipient's contractor or any of the officers, agents, employees or subcontractors of the contractor ("Claims"). It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the contractor from and against any and all Claims. This Section shall survive expiration or termination of this Agreement.

9. Default; Remedies; Termination.

- a. Default by Recipient.** Recipient shall be in default under this Agreement if:
- (1) Recipient fails to perform, observe or discharge any of its covenants, agreements or obligations set forth herein;
 - (2) Any representation, warranty or statement made by Recipient herein or in any documents or reports relied upon by OHA to measure compliance with this Agreement, the expenditure of disbursements or the desired outcomes by Recipient is untrue in any material respect when made;

 - (4) A proceeding or case is commenced, without the application or consent of Recipient, in any court of competent jurisdiction, seeking (1) the liquidation, dissolution or winding-up, or the composition or readjustment of debts, of Recipient, (2) the appointment of a trustee, receiver, custodian, liquidator, or the like of Recipient or of all or any substantial part of its assets, or (3) similar relief in respect to Recipient under any law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, and such proceeding or case continues undismissed, or an order, judgment, or decree approving or ordering any of the foregoing is entered and continues unstayed and in effect for a period of sixty consecutive days, or an order for relief against Recipient is entered in an involuntary case under the Federal Bankruptcy Code (as now or hereafter in effect).
- b. OHA's Remedies for Recipient's Default.** In the event Recipient is in default under Section 9.a., OHA may, at its option, pursue any or all of the remedies available to it under this Agreement and at law or in equity, including, but not limited to:
- (1) termination of this Agreement under Section 9.c.(2);
 - (2) withholding all or part of monies not yet disbursed by OHA to Recipient;
 - (3) initiation of an action or proceeding for damages, specific performance, or declaratory or injunctive relief; or

- (4) exercise of its right of recovery of overpayments under Section 5. of this Exhibit B.

These remedies are cumulative to the extent the remedies are not inconsistent, and OHA may pursue any remedy or remedies singly, collectively, successively or in any order whatsoever. If a court determines that Recipient was not in default under Section 9.a., then Recipient shall be entitled to the same remedies as if this Agreement was terminated pursuant to Section 9.c.(1).

c. Termination.

- (1) OHA's Right to Terminate at its Discretion. At its sole discretion, OHA may terminate this Agreement:
 - (a) For its convenience upon 30 days' prior written notice by OHA to Recipient;
 - (b) Immediately upon written notice if OHA fails to receive funding, appropriations, limitations, allotments or other expenditure authority at levels sufficient to continue supporting the program; or

 - (d) Immediately upon written notice to Recipient if there is a threat to the health, safety, or welfare of any person receiving funds or benefitting from services under this Agreement "OHA Client", including any Medicaid Eligible Individual, under its care.
- (2) OHA's Right to Terminate for Cause. In addition to any other rights and remedies OHA may have under this Agreement, OHA may terminate this Agreement immediately upon written notice to Recipient, or at such later date as OHA may establish in such notice if Recipient is in default under Section 9.a.
- (3) Mutual Termination. The Agreement may be terminated immediately upon mutual written consent of the parties or at such other time as the parties may agree in the written consent.
- (4) Return of Property. Upon termination of this Agreement for any reason whatsoever, Recipient shall immediately deliver to OHA all of OHA's property that is in the possession or under the control of Recipient at that time. This Section 9.c.(4) survives the expiration or termination of this Agreement.
- (5) Effect of Termination. Upon receiving a notice of termination of this Agreement or upon issuing a notice of termination to OHA, Recipient shall immediately cease all activities under this Agreement unless, in a notice issued by OHA, OHA expressly directs otherwise.

10. Insurance.

All employers, including Recipient, that employ subject workers, as defined in ORS 656.027, shall comply with ORS 656.017 and shall provide workers' compensation insurance coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2). Recipient shall require subcontractors to maintain insurance as set forth in Exhibit C, which is attached hereto.

11. Records Maintenance, Access.

Recipient shall maintain all financial records relating to this Agreement in accordance with generally accepted accounting principles. In addition, Recipient shall maintain any other records, books, documents, papers, plans, records of shipments and payments and writings of Recipient, whether in paper, electronic or other form, that are pertinent to this Agreement, in such a manner as to clearly document Recipient's performance. All financial records, other records, books, documents, papers, plans, records of shipments and payments and writings of Recipient whether in paper, electronic or other form, that are pertinent to this Agreement, are collectively referred to as "Records." Recipient acknowledges and agrees that OHA and the Secretary of State's Office and the federal government and their duly authorized representatives shall have access to all Records to perform examinations and audits and make excerpts and transcripts. Recipient shall retain and keep accessible all Records for the longest of:

- a. Six years following final payment and termination of this Agreement;

For purposes of this Section, "Information Asset" and "Network and Information System" have the meaning set forth in OAR 943-014-0305, as such rule may be revised from time to time.

13. Assignment of Agreement, Successors in Interest.
