RE: Recommendation of Appointment of Marie Vicksta to RIAC Subcommittee,
Roadside Vegetation Management Technical Advisory Committee

At the RIAC Roadside Vegetation Management Technical Advisory Committee meeting on September 26, 2018, member Larry Ojua announced his time limitations made him unable to continue serving and recommended to the committee that another Soil and Water Conservation District employee, Marie Vicksta, be appointed to replace him. Members of the committee agreed that Maria's experience would greatly benefit the committee and they voted to recommend to the Board of Commissioners that Marie Vicksta take Larry Ojua's place. Ms. Vicksta indicated a willingness to serve on the subcommittee if appointed.

I recommend that Marie Vicksta be appointed to a two year term.
