**Subject:** Board Consideration: Sources of Strength grant request

Hi Mary and Laura,

I am requesting permission to apply for grant funding of \$2,500 provided by the Oregon Alliance to Prevent Suicide to support the implementation of the Sources of Strength program an evidenced based suicide prevention activity. If awarded, the funding will be utilized to support the work of school districts in the county interested in implementing Sources of Strength as well as support schools with new programs. If awarded, we have sufficient expense authority in our 2018-2019 budget to accept this grant.

If our grant application is successful, I will return to the Board to request approval for the amount awarded. Please let me know if you have any questions.

Carolina/Keri, please place this item on the next Board Agenda for approval. Suggested Board Agenda language:

“Authorize Silas Halloran-Steiner on behalf of Yamhill County to submit a proposal for grant funding from the Oregon Alliance to Prevent Suicide to support the implementation of the Sources of Strength program in Yamhill County schools.”

Thanks,
