Dear Mr. Phelan

I am pleased to announce that the above project has been approved by the Local Agency Bridge Selection Committee for Local Bridge Program (LBP) funding. Your project was approved to receive funding in federal fiscal years 2022 through 2024.

We are offering to start design in 2020 by coordinating with region Area Manager listed below. Your agency may proceed with the project upon completion of the design regardless of the year it is programmed. The ability to advance projects is limited by fund availability.

Please confirm that you accept the LBP award by email to [corey.r.withroe@odot.state.or.us](mailto:corey.r.withroe@odot.state.or.us) with a cc to [rachelle.l.nelson@odot.state.or.us](mailto:rachelle.l.nelson@odot.state.or.us). If you would like to be part of the accelerated schedule for your project and start the design in 2020, we will need to know upon the acceptance of the award. Your confirmation of the award is due no later than 5/15/2019.

The ODOT Area Manager and contact information for this project is:

**Lisa Nell**
