Subject: Agenda Item for EMPG

Keri,

I would like to add the following item to next week's agenda:

The application period has opened for the FY19 Emergency Management Program Grant. Emergency Management is seeking Board approval to apply for this grant. Funding at the state level is expected to be near last year's Funding. YCEM was awarded approximately \$88,000.00, but actual numbers will be released on a later date. It is not known exactly how new qualifying applicants (City of Medford) will affect the final grant funding to the County.

The application is due to the State on June 17,2019.

If you need any more information, please let me know and I will get it to you.

Thank you,

Brian Young
