Subject: Add-on for Board Consideration: COVID-19 Telehealth Program Application

Hi Mary and Ken,

I would like to request an add on for this week's Board session. Please see the memo below and let me know if it is okay to forward to needed people.

I would like to request approval to submit an application to the Federal Communications Commission (FCC) for COVID-19 Telehealth Program funding under the Coronavirus Aid, Relief, and Economic Security (CARES) Act. We anticipate our application will not exceed \$750,000.

If our application is successful, funds will be utilized for strengthen our health care providers' ability to provide connected care services to clients at their homes or mobile locations in response to the novel Coronavirus 2019 disease (COVID-19) pandemic. This will include the purchase of telecommunication services, information services, and devices necessary to provide critical connected care services via a telehealth platform within our electronic health record.

Please let me know if you have any questions.

Carolina/Keri, please add this item to this week's agenda. Suggested Board Agenda language:

"Authorize Lindsey Manfrin or designee on behalf of Yamhill County Health and Human Services to submit an application for COVID-19 Telehealth Program funding to the Federal Communications Commission, not to exceed \$750,000."

Thank you,
