Dear Senators and Representatives,

Thank you for your service to the communities of Yamhill County. The Yamhill County Board of Commissioners requests your assistance in urging Governor Brown to expedite the reopening process in Yamhill County.

Based on current numbers and trends we are confident that with a prudent and measured approach we can begin to open our businesses, recreation sites and places of worship safely keeping physical distancing and sanitation guidelines utmost in our plans going forward.

We look forward to working with the Governor's office, the Oregon Health Authority, the Yamhill County Public Health Department, Yamhill County Office of Emergency Management, the Yamhill Community Care Organization, local Chambers of Commerce, the business community and local partners to safely reopen our economic and community enterprises.

Respectfully,

Casey Kulla
