Subject: Board Consideration: Newberg School District

Hi Mary and Ken,

I would like to request Board Consideration on two related items:

1. Attached is an agreement between Yamhill County Health and Human Services and the Newberg School District to provide Alcohol and Drug Counseling. ~~The agreement is for a Behavioral Health Associate, 40 hours per week (1.0 FTE) and the not to exceed amount is \$60,305. While this specific agreement amount is not included in our Health and Human Services 2020-2021 Adopted Budget, we have sufficient budget authority.~~
2. Additionally, I would like to request Board Consideration to change the current position management authority within our HHS Family and Youth Division (075) to include an additional 1.0 full-time equivalent (FTE) of a Human Services Associate (QMHA) for the 2020-2021 fiscal year. While this represents a change to position management authority within our Adopted 2020-2021 budget, we have sufficient expense authority for the change. This change is related to the Newberg School District Agreement.

Please let me know if you have any questions.

Carolina/Keri, please place these items on the next Board Agenda for approval. Suggested Board Agenda language:

"Approval of an agreement between Yamhill County Health and Human Services and the Newberg School District, not to exceed \$60,305."

"Add 1.0 full-time equivalent (FTE) of HS Associate (406.20) (QMHA) in the Health and Human Services position management roster."

Thanks,
