#### **IV. GENERAL PROVISIONS**

1. This Agreement may be terminated effective upon delivery of written notice to Recipient, or at such later date as may be established by County under any of the following conditions:
  - a. If Recipient fails to perform any of the provisions of this Agreement, or so fails to pursue the work as to endanger performance of this Agreement in accordance with its terms, and within ten (10) days or such longer period as County may authorize, after receipt of written notice from County, fails to correct such failures.
  - b. County or a court of competent jurisdiction determines that state law, rules, regulation or guidelines are modified, changed, or interpreted in such a way that the activities described in Exhibit A are no longer allowable or no longer eligible for funding proposed by this Agreement.
2. County may impose one (1) or more of the sanctions described in this Agreement without prior notice and without opportunity to cure, in the event County determines:
  - a. Statements, information, or representations in Recipient's proposal and documents provided by Recipient to County prior to the execution of the Agreement, were false, misleading, fraudulent or misrepresentations; or
  - b. There has been a change in circumstances so that information provided in Recipient's proposal and documents provided by Recipient to County prior to the execution of the Agreement, and relied upon in making the grant, or representations concerning Recipient's proposal or the Project are no longer true or accurate.
3. Recipient may terminate this Agreement effective upon delivery of written notice to County under any of the following conditions:
  - a. County fails to make payments due under this Agreement, or
  - b. County fails to perform the provisions of this Agreement, or so fails to pursue the work as to endanger performance of this Agreement in accordance with its terms, and within ten (10) days or such longer period as Recipient may authorize, after receipt of written notice from Recipient, fails to correct such failure.
4. Any termination of this Agreement shall not prejudice any rights or obligations accrued to the Parties prior to termination.
5. County and Recipient are the only Parties to this Agreement and, as such, are the only Parties entitled to enforce its terms. Nothing in this Agreement gives or shall be construed to give or provide any benefit, direct, indirect or otherwise to third persons unless such third persons are expressly identified by name and specifically described as intended to be beneficiaries of its terms. The State of Oregon is hereby expressly identified as an intended beneficiary under Section II.5 of this Agreement.
6. County and Recipient hereto agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be invalid, unenforceable, illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected, and the rights and obligations of the Parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.
7. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Agreement, including, without limitation, its validity, interpretation, construction, performance,

and enforcement. Any Party bringing a legal action or proceeding against any other Party arising out of or relating to this Agreement shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Yamhill County. Each Party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum. Notwithstanding the above, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This section applies to a claim brought against the State of Oregon only to the extent Congress has appropriately abrogated the State of Oregon's sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This section is also not a waiver by the State of Oregon of any form of immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

8. Except as may be provided elsewhere herein, in the event that either party to this Agreement shall take any action, judicial or otherwise, to enforce or interpret any of the terms of this Agreement each party shall be wholly responsible for its own expenses which it may incur in taking such action, including costs and attorney fees, whether incurred in a suit or action or appeal from a judgment or decree therein or in connection with any non-judicial action
9. This Agreement may be executed in several counterparts (facsimile or otherwise) all of which when taken together shall constitute one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.
10. This Agreement, Project proposal and documents provided by Recipient to County prior to the execution of the Agreement, and attached exhibits constitute the entire agreement between the Parties on the subject matter hereof. In the event of a conflict, the body of this Agreement and the attached Exhibit B will control over Exhibit A or the Project proposal and documents provided by Recipient to County. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver, consent, modification, or change of terms of this Agreement shall bind either Party unless in writing and signed by both Parties and all necessary approvals have been obtained. Such waiver, consent, modification or change, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of either party to enforce any provision of this Agreement shall not constitute a waiver by that Part of that or any other provision.
11. All rights and obligations of the parties under this Agreement will cease upon termination of this Agreement, other than the rights and obligations under Sections II.5., IV.2., IV.6., IV.7., IV.8, IV.11, IV.12 and those rights and obligations that by their express terms survive termination of this Agreement; provided, however, termination of this Agreement will not prejudice any rights or obligations accrued to either party under this Agreement prior to termination.
12. Except as provided elsewhere herein, neither party will be liable for incidental, consequential or other direct damages arising out of or related to this Agreement, regardless of whether the damages or other liability is based in contract, tort (including negligence), strict liability, product liability or otherwise. Neither party will be liable for any damages or any sort arising solely from the termination of this Agreement in accordance with its terms.
13. Recipient may not assign or transfer its interest in this Agreement without the prior written consent of County and any attempt by Recipient to assign or transfer its interest in this Agreement without such consent will be void and of no force or effect. County's consent to Recipient's assignment or transfer of its interest in this Agreement will not relieve Recipient of any of its duties or obligations under this Agreement. The provisions of this Agreement will be binding upon and inure to the benefit of the parties hereto, and their respective successors and permitted assigns.
14. Recipient shall maintain all financial records relating to this Agreement in accordance with generally accepted accounting principles. In addition, Recipient must maintain any other records, whether in paper or other form, pertinent to this Agreement in such a manner as to clearly document Recipient's performance. All financial records and other records, whether in paper, electronic or other forms, that are pertinent to this Agreement, are collectively referred to as "Records." Recipient acknowledges and agrees County and the Oregon Secretary of State's Office and the federal government and their duly authorized representatives will have access to all Records to

perform examinations and audits and make excerpts and transcripts. Recipient must retain and keep accessible all Records for a minimum of six (6) years, or such longer period as may be required by applicable law, following termination of this Agreement, or until the conclusion of any audit, controversy or litigation arising out of or related to this Agreement, whichever date is later.

15. Time is of the essence in Recipient's performance of the Project activities under this Agreement.

THE PARTIES, by execution of this Agreement, hereby acknowledge that their signing representatives have read this Agreement, understand it, and agree to be bound by its terms and conditions and that the persons executing this Agreement have been duly authorized to do so.

## EXHIBIT A

# Project Oasis – Solutions for a childcare desert

### The Problem We Aim to Address:

Not unlike other rural Oregon counties, Yamhill County has been identified as a childcare desert. COVID-19 has brought even more devastating impacts as many small service providers shut their doors permanently amidst growing concerns and regulations related to this global pandemic.

“Even before COVID-19 arrived on the scene, Yamhill County was considered a childcare desert. According to a 2019 study out of OSU, only 16% of our children age 0-5 had access to a regulated childcare slot. Now, over 4,000 children from kindergarten through 5<sup>th</sup> grade are also in need of care while our schools are engaged in distance learning. The need is great – and we need to work together to find solutions, both for family wellbeing and for the economic viability of our community.”

Jennifer Richter, Early Learning Program Manager – Yamhill CCC

The State of Oregon has identified childcare as one of the top priorities for economic recovery, allowing working parents to return to their jobs and provide for their families. Issues with distance learning structures for school aged children, still too young to be home alone, have exacerbated the need for childcare and are challenging parents to identify alternate care options for this unprecedented time in our nation’s history. Additional stresses on family structures have family support program partners concerned about how they can deliver services to families who are no longer congregating at schools and other community spaces. This leaves them looking for new access points to deliver vital services to families in need.

Ultimately, this is a problem that needs to be addressed cooperatively, with employers, day care operators, local government and economic development leaders leveraging resources to provide affordable, quality childcare options for the Yamhill County workforce.

### Our Mission:

Project Oasis seeks to provide affordable, safe, localized, dynamic, community-centered childcare, cohort-style distance learning and early-family programming for wage-earning working families and underserved persons in Yamhill County. We are striving to develop a replicable model that can be used in other communities to assist in meeting similar needs.

**Guiding Principal:** Make earning a living while raising a family, affordable, possible, and meaningful

## Project Oasis - Program Design

DCI, in conjunction with the Spencer Family Foundation and Project Bloom, aim to develop a childcare and community access facility which, at its core, will provide affordable childcare options for working parents, primarily in the Newberg, Dundee, McMinnville region who currently struggle to find safe, legal, geographically convenient options. Two buildings are currently being assessed to accommodate a 150(+)-child care facility, a dynamic community use space and a not-for-profit family services partner. Furthermore, the project would be designed in such a manner to where it could be replicated in counties around Oregon, acting as a model for private corporations, non-profit, and government partners, outlining approaches for coming together with common - but separate agendas - aiming to deliver a sustainable solution for Oregon's childcare deserts.

### Our Three-legged Stool: Childcare, Cohort-style Distance Learning & Early-family Support

**Workforce Development & Childcare:** Childcare programming will be managed by our local, licensed service partner, Little Bird Childcare. Our goal is to partner with additional sponsors who will participate in the corporate program, sponsoring employee childcare slots to support their workforce development platforms. These slots will occupy no more than 40% of the total capacity. The remaining 60% capacity will be made available to the public. We are pursuing a tiered cost structure and participant criteria to ensure that historically underserved persons, ERDC (Employment Related Daycare for low income) program recipients, and our local wage workers receive priority access to these services.

#### CHILDCARE CAPACITY ESTIMATES:

<u>Childcare Composition</u>	<u># Kids</u>
Infants	20
Wobblers	25
Toddlers	30
Pre-K	45
School Age	30
<b>Total</b>	<b>150</b>

**Cohort-Style Distance Learning (COVID-19 Resource):** The space will be purposefully designed to allow Community Support Area(s). Defined as, modular square footage and furniture that can quickly be outfitted to serve urgent and unforeseen community issues. During the remainder of the

Covid-19 relief efforts, the space can be designed as a community access cohort-style distance learning space. Depending on architectural allowances, the child capacity could potentially host up to 20.

**Early-Family Support:** We know that programs designed to support our community are most effective when they can meet the community members, where they gather. In addition to being a childcare desert, Yamhill county is home to communities that struggle with higher rates of child abuse, neglect, hunger and poverty. We are partnering with the Early Learning Hub and are in conversations with the Newberg Relief Nursery to identify the best-fit-partner to provide on-site aid and services to families in need. Other programs being explored are medical/dental clinics for children, modeled after the Gladstone Center for Children and Families program. The program selected for partnership will operate as a private 501c3 non-profit in shared space to support the needs of our community.

### **Intended Impacts:**

- Workforce Development - Provide dedicated daycare options for corporate sponsor(s) for the purpose of retaining and attracting a reliable workforce.
- Childcare - Create subsidized daycare options for the wage-level employee, who can find childcare to be a barrier to entering the workforce or retaining a job
- COVID Response & Dynamic Community Space – Develop a modular cohort-style distance learning platform to offer parents an option for children ages 6-12 who require supervision while distance learning. This space will be repurposed to adapt to changing community needs
- Family Support – Offer onsite support for families in need, through partnership with a 501c3 service organization
- Pilot a solution - Foster the practice of ideating solutions for community problems through collaboration of private, non-profit, and government sector efforts; together they can add up to a greater impact than the sum of the parts
