**Subject:** Board Consideration: Permission to apply

Hi Mary and Ken,

I am requesting permission to apply for up to \$100,000 of funding from the Oregon Health Authority, School-Based Health Center (SBHC) State Program Office to support SBHC outreach and engagement projects. While this funding is not specifically included in our Health and Human Services 2020-2021 Adopted Budget, we have sufficient budget authority to receive the funds if awarded.

This funding is intended to support projects that promote student access to health and mental health services, increase students and family engagement and create systems that are responsive to community needs. Our plans include development of youth advisory committee along with outreach and engagement through video and social media so that those who would like services know how to access them.

If our application is successful, I will return to the Board to request approval of the actual amount awarded.

Carolina/Keri, please place this item on the next Board Agenda for approval. Suggested Board Agenda language: "Authorize Lindsey Manfrin or designee on behalf of Yamhill County Health and Human Services to submit an application for funding from the Oregon Health Authority for School-Based Health Center outreach and engagement for up to \$100,000."

Thanks,
