Hi Mary and Ken,

I would like permission to apply for \$9,004.93 in funding from the Healthcare Preparedness Program Region 2 Healthcare Coalition. This amount is included in our Health and Human Services 2021-2022 Budget.

The funds would be utilized to purchase two additional racks, ten trays and ten body bags for the refrigerated trailer previously purchased under Board Order 20-305. As you may recall, we conferred with funeral homes, medical examiners, and other relevant parties who would be involved in a mass fatality incident and drafted a plan outlining standard operating procedures for the use of this type of trailer. This has been a long standing identified need through emergency preparedness planning and activities.

If our application is successful, I will return to the Board to request approve for the amount awarded. Please let me know if you have any questions.

Carolina/Keri, please place this item on the next Board Agenda for approval. Suggested Board Agenda language: "Authorize Lindsey Manfrin or designee on behalf of Yamhill County Health and Human Services to submit an application for funding from the Healthcare Preparedness Program Region 2 Healthcare Coalition in the amount of \$9,004.93."

Thanks,

Lindsey Manfrin, DNP, RN
