AGREEMENT

1. **Effective Date.** This Agreement shall become effective on the later of **July 1, 2021** or the date when this Agreement is fully executed and approved as required by applicable law. Unless otherwise terminated or extended, grant funds under this Agreement shall be available for project costs incurred on or before **June 30, 2023** (the "Expiration Date"). No grant funds are available for any expenditures after the Expiration Date. State's obligation to disburse grant funds under this Agreement shall end as provided in Section 10 of this Agreement.
2. **Agreement Documents.** This Agreement consists of this document and the following documents, all of which are attached hereto and incorporated herein by reference:

Exhibit A: Project Description and Budget

Exhibit B: Financial Information

Exhibit C: Subagreement Insurance Requirements and Recipient Insurance Requirements

In the event of a conflict between two or more of the documents comprising this Agreement, the language in the document with the highest precedence shall control. The precedence of each of the documents comprising this Agreement is as follows, listed from highest precedence to lowest precedence: this Agreement without Exhibits; Exhibit A; Exhibit B; Exhibit C.

3. **Project Cost; Grant Funds.** State shall provide Recipient an amount not to exceed **\$624,320.00** (the "Grant Funds"). Recipient acknowledges and agrees that State may change the amount of funds available under this Agreement, based on availability of funds and other factors as determined by State, upon notification to Recipient in accordance with Section 11.g of this agreement. Recipient will be responsible for all Project costs not covered by the Grant Funds.
4. **Project.** The Grant Funds shall be used solely for the project described in Exhibit A (the "Project") and shall not be used for any other purpose. No Grant Funds will be disbursed for any changes to the Project unless such changes are approved by State by amendment pursuant to Section 11.d hereof.
5. **Progress Reports.** Recipient shall submit quarterly progress reports to State no later than 45 days after the close of each quarterly reporting period. Reporting periods are July through September, October through December, January through March, and April through June. Reports must be in a format acceptable to State and must be entered into the Oregon Public Transit Information System (OPTIS), which may be accessed at <https://www.oregon.gov/odot/RPTD/Pages/index.aspx>. If Recipient is unable to access OPTIS, reports must be sent to ODOTPTDReporting@odot.state.or.us. Reports shall include a statement of revenues and expenditures for each quarter, including documentation of local match contributions and expenditures. State reserves the right to request such additional information as may be necessary to comply with federal or state reporting requirements.
6. **Disbursement and Recovery of Grant Funds.**
 - a. **Disbursement Generally.** State shall reimburse eligible costs incurred in carrying out the Project, up to the Grant Funds amount provided in Section 3. Reimbursements shall be made by State within 30 days of State's approval of a request for reimbursement from Recipient using a format that is acceptable to State. Requests for reimbursement must be entered into OPTIS or sent to ODOTPTDReporting@odot.state.or.us. Eligible costs are the reasonable and necessary costs incurred by Recipient, or under a subagreement

described in Section 9 of this Agreement, in performance of the Project and that are not excluded from reimbursement by State, either by this Agreement or by exclusion as a result of financial review or audit.

- b. **Conditions Precedent to Disbursement.** State's obligation to disburse Grant Funds to Recipient is subject to satisfaction, with respect to each disbursement, of each of the following conditions precedent:

- i. State has received funding, appropriations, limitations, allotments or other expenditure authority sufficient to allow State, in the exercise of its reasonable administrative discretion, to make the disbursement.
- ii. Recipient is in compliance with the terms of this Agreement.
- iii. Recipient's representations and warranties set forth in Section 7 hereof are true and correct on the date of disbursement with the same effect as though made on the date of disbursement.
- iv. Recipient has provided to State a request for reimbursement using a format that is acceptable to and approved by State. Recipient must submit its final request for reimbursement following completion of the Project and no later than 60 days after the Expiration Date. Failure to submit the final request for reimbursement within 60 days after the Expiration Date could result in non-payment.
- v. Any audit findings relating to Recipient's use of funds under this Agreement or any other agreement with State have been resolved.

- c. **Recovery of Funds.**

- i. Recovery of Misexpended Funds or Nonexpended Funds. Any funds disbursed to Recipient under this Agreement that are either (i) disbursed but unexpended as of the Expiration Date ("Unexpended Funds") or (ii) expended in violation or contravention of one or more of the provisions of this Agreement ("Misexpended Funds") must be returned to State. Recipient shall return all Misexpended Funds to State no later than 15 days after State's written demand. Recipient shall return all Unexpended Funds to State within 15 days after the earlier of expiration or termination of this Agreement.
- ii. Recovery of Funds upon Termination. If this Agreement is terminated under either Section 10(a)(i) or Section 10(a)(v) below, Recipient shall return to State all funds disbursed to Recipient within 15 days after State's written demand for the same.

7. **Representations and Warranties of Recipient.** Recipient represents and warrants to State as follows:

- a. **Organization and Authority.** Recipient is duly organized and validly existing under the laws of the State of Oregon and is eligible to receive the funds. No authorization, consent, license, approval of, filing or registration with or notification to any governmental body or regulatory or supervisory authority is required for the execution, delivery or performance by Recipient of this Agreement.
- b. **Binding Obligation.** This Agreement has been duly executed and delivered by Recipient and constitutes a legal, valid and binding obligation of Recipient, enforceable in accordance with its terms subject to the laws of bankruptcy, insolvency, or other similar laws affecting the enforcement of creditors' rights generally.
- c. **No Solicitation.** Recipient's officers, employees, and agents shall neither solicit nor accept gratuities, favors, or any item of monetary value from contractors, potential contractors, or parties to subagreements, except as permitted by applicable law. No

member or delegate to the Congress of the United States or State of Oregon employee shall be admitted to any share or part of this Agreement or any benefit arising therefrom.

- d. **No Debarment.** Neither Recipient nor its principals is presently debarred, suspended, or voluntarily excluded from any federally-assisted transaction, or proposed for debarment, declared ineligible or voluntarily excluded from participating in this Agreement by any state or federal agency. Recipient agrees to notify State immediately if it is debarred, suspended or otherwise excluded by any state or federal agency or if circumstances change that may affect this status, including without limitation upon any relevant indictments or convictions of crimes.

The warranties set in this section are in addition to, and not in lieu of, any other warranties set forth in this Agreement or implied by law.

8. **Records Maintenance and Access; Audit.**

- a. **Records, Access to Records and Facilities.** Recipient shall make and retain proper and complete books of record and account and maintain all fiscal records related to this Agreement and the Project in accordance with all applicable generally accepted accounting principles, generally accepted governmental auditing standards and state minimum standards for audits of municipal corporations. Recipient shall require that each of its subrecipients and subcontractors complies with these requirements. State, the Secretary of State of the State of Oregon (Secretary), the United States Department of Transportation (USDOT), the Federal Transit Administration (FTA) and their duly authorized representatives shall have access to the books, documents, papers and records of Recipient that are directly related to this Agreement, the funds provided hereunder, or the Project for the purpose of making audits and examinations. In addition, State, the Secretary, USDOT, FTA and their duly authorized representatives may make and retain excerpts, copies, and transcriptions of the foregoing books, documents, papers, and records. Recipient shall permit authorized representatives of State, the Secretary, USDOT and FTA to perform site reviews of the Project, and to inspect all vehicles, real property, facilities and equipment purchased by Recipient as part of the Project, and any transportation services rendered by Recipient.
- b. **Retention of Records.** Recipient shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, including, without limitation, records relating to capital assets funded by this Agreement, the funds or the Project for a minimum of six (6) years, or such longer period as may be required by other provisions of this Agreement or applicable law, following the Expiration Date. If there are unresolved audit questions at the end of the six-year period, Recipient shall retain the records until the questions are resolved.
- c. **Expenditure Records.** Recipient shall document the expenditure of all Grant Funds disbursed by State under this Agreement. Recipient shall create and maintain all expenditure records in accordance with generally accepted accounting principles and in sufficient detail to permit State to verify how the funds were expended.
- d. **Audit Requirements.**
 - i.  - ii. Recipient shall save, protect and hold harmless State from the cost of any audits or special investigations performed by the Secretary with respect to the funds expended under this Agreement. Recipient acknowledges and agrees that any audit costs incurred by Recipient as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between Recipient and State.

This section 8 shall survive any expiration or termination of this Agreement.

9. Recipient Subagreements and Procurements

- a. **Subagreements.** Recipient may enter into agreements with sub-recipients, contractors or subcontractors (collectively, "subagreements") for performance of the Project.
 - i. All subagreements must be in writing executed by Recipient and must incorporate and pass through all of the applicable requirements of this Agreement to the other party or parties to the subagreement(s). Use of a subagreement does not relieve Recipient of its responsibilities under this Agreement.
 - ii. Recipient shall require all of its contractors performing work under this Agreement to name State as a third-party beneficiary of Recipient's subagreement with the contractor and to name State as an additional or "dual" obligee on contractors' payment and performance bonds.
 - iii. Recipient shall provide State with a copy of any signed subagreement, as well as any other purchasing or contracting documentation, upon request by State. This Paragraph 9.a.iii. shall survive expiration or termination of this Agreement.
 - iv. Recipient must report to State any material breach of a term or condition of a subagreement within ten (10) days of Recipient discovering the breach.
- b. **Subagreement indemnity; insurance.**
 - i. **Recipient's subagreement(s) shall require the other party to such subagreements(s) that is not a unit of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless State and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to Recipient's subagreement or any of such party's officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that the State shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the State, be indemnified by the other party to Recipient's subagreement(s) from and against any and all Claims.**
 - ii. Any such indemnification shall also provide that neither Recipient's subrecipient(s), contractor(s) nor subcontractor(s) (collectively "Subrecipients"), nor any attorney engaged by Recipient's Subrecipient(s), shall defend any claim in the name of the State or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Recipient's Subrecipient is prohibited from defending State or that Recipient's Subrecipient is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Recipient's Subrecipient if State elects to assume its own defense.
 - iii. Recipient shall require the other party, or parties, to each of its subagreements that are not units of local government as defined in ORS 190.003 to obtain and maintain insurance of the types and in the amounts provided in Exhibit C to this Agreement. Recipient may specify insurance requirements of its contractor(s) above the minimum insurance requirements specified in Exhibit C. Recipient shall verify its contractor(s) meet the insurance requirements in Exhibit C.
- c. **Procurements.** Recipient shall make purchases of any equipment, materials, or services for the Project under procedures that comply with Oregon law, as applicable, including all applicable provisions of the Oregon Public Contracting Code (Oregon Revised Statutes (ORS) Chapters 279 A, B and C) and rules, ensuring that:
 - i. Recipient shall make purchases of any equipment, materials, or services for the Project under procedures that comply with Oregon law, as applicable,

including all applicable provisions of the Oregon Public Contracting Code and rules. Procurements of rolling stock, facilities and personal services for any amount, and all procurements for an amount greater than \$100,000 must be approved by State prior to solicitation.

- ii. Recipient shall complete all purchases, including installation, and all construction of capital assets funded under this Agreement prior to the Expiration Date of this Agreement. If local circumstances prevent purchase, installation, or construction by the specified date, Recipient will notify State in writing of the circumstances regarding the delay. Such notification must be received at least forty-five (45) days prior to the expiration of the Agreement. Agreement amendment for time will be considered in extenuating circumstances.

d. **STIF Procurements**

Pursuant to Oregon Administrative Rule (OAR) 732-044-0050(6)
Recipient shall:

- i. Establish useful life standards for capital assets acquired pursuant to STIF Discretionary grant agreements which meet or exceed the duration of those established by State.
 - ii. Use State's published procedures or substantially similar procedures and ensure that Sub-Recipients use the same procedures for the disposition of capital assets acquired with STIF funds.
 - iii. Retain the net proceeds from a sale or other disposition of a capital asset to reinvest in a future STIF capital project or return the net proceeds to State. Net proceeds are the disposal proceeds less original value, depreciation, and disposal costs. If non-STIF funds were used in the original purchase, only the proportion representing the STIF contribution to the purchase is subject to this rule.
 - iv. Establish written procedures to ensure that a capital asset is maintained in safe operating condition.
 - v. Maintain insurance coverage, or require Sub-Recipients to maintain insurance coverage that meets or exceeds the standards in Oregon Revised Statutes (ORS) 806.070.
 - vi. Ensure that vehicles purchased in whole or in part with STIF funds are titled with the Oregon Department of Transportation Driver and Motor Vehicle Service Division pursuant to ORS 803.045 and supporting rules, with ODOT Public Transportation Division listed as a security interest holder, subject to the following additional requirements:
 - a. If the vehicle is registered in the name of a Sub-Recipient receiving the vehicle, and the Sub-Recipient is not a Qualified Entity (OAR 732-040-005(26)) or Public Transportation Service Provider (OAR 732-040-005(25)), then the Qualified Entity or Public Transportation Service Provider must be listed on the vehicle title as the primary security interest holder.
 - b. If the vehicle was purchased with federal funds in addition to STIF funds, and the federal funding source requires the vehicle to be titled otherwise than provided in this rule, then the federal titling requirements prevail.
- e. **Conflicts of Interest.** Recipient's public officials shall comply with Oregon's government ethics laws, ORS 244.010 et seq., as those laws may be subsequently amended.

10. **Termination**

- a. **Termination by State.** State may terminate this Agreement effective upon delivery of written notice of termination to Recipient, or at such later date as may be established by State in such written notice, if:
 - i. Recipient fails to perform the Project within the time specified herein or any extension thereof or commencement, continuation or timely completion of the

- Project by Recipient is, for any reason, rendered improbable, impossible, or illegal;
or
- ii. State fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow State, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement; or
 - iii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement; or
 - iv. The Project would not produce results commensurate with the further expenditure of funds; or
 - v. Recipient takes any action pertaining to this Agreement without the approval of State and which under the provisions of this Agreement would have required the approval of State.
- b. **Termination by Recipient.** Recipient may terminate this Agreement effective upon delivery of written notice of termination to State, or at such later date as may be established by Recipient in such written notice, if:
- i. Upon notification to State of its desire to withdraw from eligibility to receive the funds and providing to State a reason acceptable to State for the withdrawal; or
 - ii. If federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement.
- c. **Termination by Either Party.** Either Party may terminate this Agreement upon at least ten days' notice to the other Party and failure of the other Party to cure within the period provided in the notice, if the other Party fails to comply with any of the terms of this Agreement.

11. General Provisions

- a. **Contribution.** If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against State or Recipient with respect to which the other Party may have liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party's liability with respect to the Third Party Claim.

With respect to a Third Party Claim for which State is jointly liable with Recipient (or would be if joined in the Third Party Claim), State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Recipient in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the Recipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of State on the one hand and of Recipient on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if State had sole liability in the proceeding.

With respect to a Third Party Claim for which Recipient is jointly liable with State (or would be if joined in the Third Party Claim), Recipient shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement

actually and reasonably incurred and paid or payable by State in such proportion as is appropriate to reflect the relative fault of Recipient on the one hand and of State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Recipient on the one hand and of State on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Recipient's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.

- b. **Dispute Resolution.** The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.
- c. **Insurance.** Recipient shall meet the insurance requirements within Exhibit C.
- d. **Amendments.** This Agreement may be amended or extended only by a written instrument signed by both Parties and approved as required by applicable law.
- e. **Duplicate Payment.** Recipient is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the State of Oregon or the United States of America or any other party, organization or individual.
- f. **No Third Party Beneficiaries.** State and Recipient are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.

Recipient acknowledges and agrees that the Federal Government, absent express written consent by the Federal Government, is not a party to this Agreement and shall not be subject to any obligations or liabilities to the Recipient, contractor or any other party (whether or not a party to the Agreement) pertaining to any matter resulting from this Agreement.

- g. **Notices.** Except as otherwise expressly provided in this Agreement, any communications between the Parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, email, or mailing the same, postage prepaid, to Recipient Contact or State Contact at the address or number set forth on the signature page of this Agreement, or to such other addresses or numbers as either Party may hereafter indicate pursuant to this Section 11.i. Any communication or notice personally delivered shall be deemed to be given when actually delivered. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine, and to be effective against State, such facsimile transmission must be confirmed by telephone notice to State Contact. Any communication by email shall be deemed to be given when the recipient of the email acknowledges receipt of the email. Any communication or notice mailed shall be deemed to be given when received.
- h. **Governing Law, Consent to Jurisdiction.** This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between State (or any other agency or department of the State of Oregon) and Recipient that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County in the State of Oregon. In no event shall this section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. EACH PARTY HEREBY CONSENTS TO THE EXCLUSIVE JURISDICTION OF SUCH COURT, WAIVES ANY OBJECTION TO VENUE, AND

WAIVES ANY CLAIM THAT SUCH FORUM IS AN INCONVENIENT FORUM.

- i. **Compliance with Law.** Recipient shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to the Agreement or to the implementation of the Project, as applicable to Recipient. Without limiting the generality of the foregoing, Recipient expressly agrees to comply with (i) Title VI of Civil Rights Act of 1964; (ii) Title V and Section 504 of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990 and ORS 659A.142; (iv) all regulations and administrative rules established pursuant to the foregoing laws; and (v) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations.
- j. **Independent Contractor.** Recipient shall perform the Project as an independent contractor and not as an agent or employee of State. Recipient has no right or authority to incur or create any obligation for or legally bind State in any way. State cannot and will not control the means or manner by which Recipient performs the Project, except as specifically set forth in this Agreement. Recipient is responsible for determining the appropriate means and manner of performing the Project. Recipient acknowledges and agrees that Recipient is not an "officer", "employee", or "agent" of State, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.
- k. **Severability.** If any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid.
- l. **Counterparts.** This Agreement may be executed in two or more counterparts (by facsimile or otherwise), each of which is an original and all of which together are deemed one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart.
- m. **Integration and Waiver.** This Agreement, including all Exhibits, constitutes the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. The delay or failure of either Party to enforce any provision of this Agreement shall not constitute a waiver by that Party of that or any other provision. Recipient, by the signature below of its authorized representative, hereby acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.
- n. **Survival.** The following provisions survive termination of this Agreement: Sections 6.c., 8 and 11.

The Parties, by execution of this Agreement, hereby acknowledge that each Party has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

The Oregon Transportation Commission on October 20, 2010, approved Delegation Order Number OTC-01, which authorizes the Director of the Oregon Department of Transportation to administer programs related to public transit.

On March 1, 2012, the Director approved Delegation Order Number DIR-04, which delegates the authority to approve this Agreement to the Rail and Public Transit Division Administrator.

1. BACKGROUND

In the 2017 legislative session, the Oregon Legislature passed House Bill 2017, the Statewide Transportation Improvement Fund (STIF). The bill designated nine percent of the total funds appropriated to be awarded to eligible Public Transportation Service Providers (PTSPs) based on a competitive grant process. This nine percent is divided into a five-percent share for STIF Discretionary projects and a four-percent share for STIF Intercommunity Discretionary projects.

The STIF Discretionary fund is a flexible fund source that aims to expand or improve public transportation services by supporting projects that create new service routes, adopt enhanced forms of technology and data collection, maintain transit fleets in a state of good repair, and advance the equity and sustainability of transportation in the state.

The STIF Intercommunity Discretionary fund is housed with FTA Section 5311(f) funds under the "Statewide Transit Network Program." The purpose of the Statewide Transit Network Program is to support projects that enhance Oregon's statewide fixed route transit network by investing in key transit hubs, closing gaps between two or more communities, improving access to and from transit for pedestrians and bicyclists, improving collaboration and coordination between agencies that results in functional benefits, or other activities that improve the function of the overall transit network and serve the interests of more than one transit agency.

This Agreement describes the duties and responsibilities of State and Recipient in the management and proper use of STIF funds or 5311(f) funds and the associated reporting requirements.

2. PROJECT DESCRIPTION

This Agreement funds a pilot project to define, and implement the need for public transit along the 99W corridor between McMinnville, Oregon; and Junction City, Oregon; as part of an ongoing Highway 99W Transit Corridor Study. Yamhill County will partner with Benton County.

The initial pilot transit service will involve four round trips per day, two per partner agency,

five days a week. The pilot project would be going through, or by rural communities along the highway 99W corridor. The included rural cities include McMinnville, Amity, Rickreal, Monmouth, Adair Village, Corvallis, Monroe, with a connection in Junction City to Lane Transit District. This pilot service will make connections with Tillamook County Transportation District in Rickreal, Cherriots in Monmouth, Corvallis Transit in Corvallis, and Lane Transit District in Junction City.

Funded projects in this agreement include:

Recipient, if operating demand response service, is encouraged to create and maintain GTFS-flex data for their service. (This can be supported by State's GTFS-flex contractor.)

Competitive purchases of systems that can count passengers [e.g., Automated Passenger Counters (APC), Automated Fare Collection (AFC) systems] should include an explicit preference for systems that support the GTFS-ride data standard. Purchases of real-time (RT) information systems for fixed route service must include support for GTFS-RT data and provide GTFS-RT data access to interested third parties].

Recipient must request permission from State in advance to transfer or otherwise dispose of a vehicle prior to its meeting federal useful life standards. Recipient must request permission from State to release title for changes.

Recipient will create and maintain a vehicle maintenance plan that utilizes the original equipment

manufacturer (OEM) requirements for each vehicle and meets FTA transit asset management requirements in 49 CFR 625. Recipient will follow the plan to ensure each vehicle is maintained in a state of good repair. Recipient will provide State a copy of the plan upon request
