Subject: New Board Member Recommendation

Keri,
I finally was able to get a consensus of the fair board.

On September 8th at the monthly fair board meeting, both of the candidates for the open seat on the board came to the meeting and introduced themselves to the board. They stayed and observed the meeting and was allowed to interact with the board. The fair board would like to recommend to the Board of Commissioners that it choose Dania Opheim for the open set on the board. At the direction of the board, the manager was to contact each board member for their opinion. The only member not present that night was Leslie Lewis, and she was made aware of both candidates and she also weighed in with her thoughts.

Thanks,
