Subject: Permission to apply: SBHC Funding opportunity: COVID-19 Recovery

Hi Mary and Ken,

I would like to retroactively ask permission to apply for funding from the Oregon Health Authority for School Based Health and Recovery Funding for approximately \$7,000. We received clarification this week that we could apply for this funding for HHS staff and open positions at the school-based health center. The deadline for applications is November 19, 2021.

If our application is approved, this funding is intended to increase the competitiveness of open positions and incentivize HHS staff currently working in the school-based health centers in McMinnville and Willamina.

Carolina, please place this item on the next Board Agenda for approval. Suggested Board Agenda language: "Authorize Lindsey Manfrin or designee on behalf of Yamhill County Health and Human Services to submit an application for funding from the Oregon Health Authority for approximately \$7,000."

Thank you,
