Subject: Board Consideration: Permission to apply - Problem Gambling

Hi Mary and Ken,

I would like permission to apply for Problem Gambling Services Referral Pathways/Outreach funds from the Oregon Health Authority of approximately \$50,000. As part of the Problem Gambling Treatment System Transformation Initiative, the funding currently allocated for Problem Gambling Services Treatment will be dedicated to clinical services, internal screening and referral pathways (in-reach). This funding opportunity is to support client outreach and referral pathways for at risk groups. While this amount is not included in our Health and Human Services 2022-2023 budget, we have sufficient additional state grant expense authority to receive the funds if awarded.

If our grant application is successful, I will return to the Board to request approval for the actual amount awarded. Please let me know if you have any questions.

Carolina/Megan, please place this request on the next Board Agenda for consideration. Suggested Board Agenda language:

“Authorize Yamhill County Health and Human Services to submit an application for Problem Gambling Services Referral Pathways/Outreach administered by the Oregon Health Authority.”

Thank you,
