The Services Period for the cloud services commences on the date stated in this Ordering Document. If no date is specified, then the "Cloud Services Start Date" for each cloud service will be the date that the end user is issued access that enables the end user to activate the end user's cloud services (the "Cloud Services Start Date"). The service specifications applicable to the cloud services and the consulting/professional services ordered may be accessed at <http://www.oracle.com/contracts>.

### 4. Fees:

The cloud services payment frequency applies to all cloud services fees and taxes. All fees payable to CherryRoad are due within 30 days from the invoice date. Once placed, Your Ordering Document is non-cancelable and the sums paid nonrefundable, except as otherwise provided herein or in the agreement. You will pay any sales, value-added or other similar taxes imposed applicable law that CherryRoad must pay based on the cloud services You ordered, except for taxes based on CherryRoad's income. Unless, specifically stated otherwise, fees for cloud services listed in an order are exclusive of taxes and expenses. You agree not to disclose the terms of this Ordering Document to any third party.

### 5. Cloud Services Payment Frequency:

Your payment frequency is Annual in Advance.

### 6. Offer Validity:

This Ordering Document is valid through 27-Aug-2022 and shall become binding upon execution by You, and acceptance by CherryRoad and Oracle.

### 7. Data Center Region:

The services environment will reside in the data center region identified in the table above.

### 8. Price Hold for Cloud Services:

The Cloud Services listed above may not be renewed at the option year pricing listed above if: (i) Oracle is no longer making such Cloud Services generally available to customers, or (ii) You are seeking to cancel or reduce the number of user licenses of the Cloud Services set forth in this Ordering Document.

**10. Waiver of Immunity:**

This agreement is governed by the substantive and procedural laws of the state of Oregon. Yamhill County and CherryRoad agree to submit to the exclusive jurisdiction of, and venue in, the federal and state courts in Oregon in any dispute arising out of or relating to this agreement. While CherryRoad construes the foregoing sentence as an unambiguous waiver of any applicable immunity, and further denies that Yamhill County is entitled to any sovereign immunity, immunity under the Eleventh Amendment to the U.S. Constitution, and/or immunity as to jurisdiction or venue, the parties wish to avoid any potential future disputes on these issues. Accordingly, Yamhill County expressly and unequivocally agrees to waive any right to, and any claim of, sovereign immunity, immunity under the Eleventh Amendment to the U.S. Constitution, and/or immunity as to jurisdiction or venue with respect to any dispute, any claim (including claims of infringement of Oracle's intellectual property rights), or lawsuit arising out of or relating to this agreement. This waiver shall extend to any dispute, claim or lawsuit brought by or against Oracle or Yamhill County or CherryRoad. This paragraph shall take precedence over any other conflicting statement, including in the Ordering Document or purchase order, the CSA and/or any amendments or addenda thereto.

Notwithstanding any statement to the contrary in the Service Specifications, You expressly agree that the Services acquired under this Ordering Document will not auto-renew.

**12. Order of Precedence:**

In the event of inconsistencies between the terms contained in this Ordering Document and the CSA, this Ordering Document shall take precedence. This Ordering Document will control over the terms contained in any purchase order.

**13. Entire Agreement**

By signing below, we each agree that the CSA, this Ordering Document, and all Oracle documents referenced in this Ordering Document constitute the entire agreement between You and CherryRoad with regard to the subject matter herein and as such, no other preprinted, non-negotiated or other terms and conditions (e.g., on a purchase order or elsewhere) shall apply. This Ordering Document is placed subject to the terms of the CSA.

## **A. CLOUD SERVICES ORDER TERMS**

### **1. Cloud Services Ordered:**

Yamhill County, Oregon ("You" or "End User"), has ordered the cloud services described above and for the term of the Services Period stated above, for Your use pursuant to the terms of this order ("Ordering Document") and the CherryRoad/Oracle Public Sector Cloud Services Agreement ("CSA") dated as of August 26, 2021.

## **B. TERMS AND FEES FOR ORDERED CLOUD SERVICES**

### **1. Currency:**

All fees on this Ordering Document are in US Dollars.

### **2. Terms:**

All products and services listed on this Ordering Document are provided by Oracle under, and subject to, the terms of this Ordering Document, including the CSA and all Oracle documents referenced in this Ordering Document. You indicate Your agreement to the terms of this Ordering Document, including the CSA, by signing this Ordering Document. Any terms and conditions on Your purchase order are void and have no legal effect. For cloud services, You may not reduce the quantity of services purchased hereunder (e.g., user or record counts, storage, etc.), in whole or in part, during the Services Period set forth above. The Services Period for the cloud services commences on the date stated in this Ordering Document. If no date is specified, then the "Cloud Services Start Date" for each cloud service will be the date that the end user is issued access that enables the end user to activate the end user's cloud services (the "Cloud Services Start Date").

### **3. Fees:**

The cloud services payment frequency applies to all cloud services fees and taxes. All fees payable to CherryRoad are due within 30 days from the invoice date. Once placed, Your Ordering Document is non-cancelable and the sums paid nonrefundable, except as otherwise provided herein or in the agreement. You will pay any sales, value-added or other similar taxes imposed applicable law that CherryRoad must pay based on the cloud services You ordered, except for taxes based on CherryRoad's income. Unless, specifically stated otherwise, fees for cloud services listed in an order are exclusive of taxes and expenses. You agree not to disclose the terms of this Ordering Document to any third party.

### **4. Cloud Services Payment Frequency:**

Your payment frequency is Annual in Advance.

### **5. Offer Validity:**

This Ordering Document is valid through 31-Aug-2022 and shall become binding upon execution by You, and acceptance by CherryRoad and Oracle.

### **6. Data Center Region:**

The services environment will reside in the data center region identified in the table above.

### **7. Funded Allocation Model and Additional Fees for Any Increased Usage/Capacity**

#### **a. Funded Allocation Model**

Under the "Funded Allocation Model", Oracle allows You the flexibility to fund for an annual amount (the "Funded Allocation Value") specified in Your Ordering Document with CherryRoad, which is to be applied towards the future usage of eligible Oracle IaaS and PaaS Cloud Services specified in the rate card attached to Your Ordering Document with CherryRoad or as seen in the Cloud Portal provided such Cloud Services are available in production release when ordered, at the fees specified in the rate card. CherryRoad will invoice You monthly in arrears based on Your actual usage for the prior month at the rates for each activated Oracle IaaS and PaaS Cloud Service as defined in Your Ordering Document.

#### **b. Additional Fees for Any Increased Usage/Capacity**

As described in the Oracle PaaS and IaaS Universal Credits - Service Descriptions document available at <http://www.oracle.com/contracts>, You are responsible for monitoring Your use of the Cloud Services, and if You exceed the Funded Allocation Value at the end of any month during the Services Period, You must provide additional funding for Your usage, or You must cease to use the applicable Cloud Services. If You have exceeded the Funded Allocation Value and You have not ended Your use of the Services, You will be subject to overage fees. You must pay for such excess usage of the Oracle IaaS and PaaS Cloud Services at the Overage Unit Net Price specified in the rate card of Your Ordering Document or as seen in the Cloud Portal. You may set quotas, alerts and use other monitoring tools within the Cloud Portal to assist You in managing and tracking Your usage.

If You dispute the amount of the overages invoice:

(i) You shall promptly notify CherryRoad in writing of the dispute and the basis for the dispute. Your notification must include the Your detailed written explanation of Your objection to the overages invoice. Your written notice to CherryRoad must be delivered to CherryRoad before the due date for your overages payment to Oracle ("**your payment date**").

(ii) If no written objection is provided to CherryRoad prior to your payment date of the overages invoice, then you must transmit payment to CherryRoad for the Oracle overages invoice.

(iii) You shall use your best efforts to expedite resolution of the overages dispute with CherryRoad.

### **c. Additional Services**

If Oracle adds additional service offerings to the list of eligible Oracle IaaS and PaaS Cloud Services within Your Cloud Services Account during the Services Period, You may activate and use those service offerings and the discount will be applied based on the Cloud Service category discount specified in the rate card attached to Your order or as seen in the Cloud Portal. The development, release, and timing of any future features, functionality or service offerings remains at the sole discretion of Oracle Corporation.

### **d. Replenishment of Account at End of Services Period**

If You are continuing to use Services after the end of the Services Period specified in Your order and You have not extended the Services Period and increased the Funded Allocation Value for use of eligible Oracle IaaS and PaaS Cloud Services, You will be charged for the actual usage of all Cloud Services that You activate and/or have activated within Your Cloud Services Account based on Oracle's then current price list for such Services, which can be found at [https://cloud.oracle.com/en\\_US/ucpricing](https://cloud.oracle.com/en_US/ucpricing). Upon extending the term of the Services Period and increasing the amount of the Funded Allocation Value through a new order (or modification of Your existing order), You will receive the Cloud Services category discounts specified in the rate card attached to Your new order (or modification of Your existing order) or as seen in the Cloud Portal.

## **C. Additional End User Terms**

This Ordering Document is subject to and incorporates the Additional Terms in this Section C (the "**Additional Terms**"). You agree that Oracle is an irrevocable third-party beneficiary of this Ordering Document but Oracle does not assume any of obligations hereunder. Oracle will have no liability to You arising out of or relating Your non-compliance with the Additional Terms. You agree that should You fail to be in compliance with the Additional Terms, or because of any other circumstance outside of Oracle's control, Oracle may suspend or terminate the cloud services under this Ordering Document. In the event of termination, Your right to receive cloud services under this Ordering Document is automatically forfeited.

### **1. No Auto-Renewal**

Notwithstanding any statement to the contrary in the Service Specifications, You expressly agree that the Services acquired under this Ordering Document will not auto-renew.

### **2. Data Center Region Availability for UCM**

Platform and data center region availability information for Oracle Platform as a Service (PaaS) Cloud Services and for Oracle Infrastructure as a Service (IaaS) Cloud Services is provided on the Oracle Cloud Portal at <https://cloud.oracle.com/data-regions>.

### **3. Oregon Sovereign Immunity**

This agreement is governed by the substantive and procedural laws of the state of Oregon. Yamhill County ("County") and CherryRoad agree to submit to the exclusive jurisdiction of, and venue in, the federal and state courts in Oregon in any dispute arising out of or relating to this agreement. While Oracle and CherryRoad construe the foregoing sentence as an unambiguous waiver of any applicable immunity, and further deny that the County is entitled to any sovereign immunity, immunity under the Eleventh Amendment to the U.S. Constitution, and/or immunity as to jurisdiction or venue, the parties wish to avoid any potential future disputes on these issues. Accordingly, the County expressly and unequivocally agrees to waive any right to, and any claim of, sovereign immunity, immunity under the Eleventh Amendment to the U.S. Constitution, and/or immunity as to jurisdiction or venue with respect to any dispute, any claim (including claims of infringement of Oracle's intellectual property rights), or lawsuit arising out of or relating to this agreement, Ordering Document and CSA. This waiver shall extend to any dispute, claim or lawsuit brought by or against Oracle or the County or CherryRoad. This paragraph shall take precedence over any other conflicting statement, including in the Ordering Document or purchase order, the CSA and/or any amendments or addenda thereto.

## **D. Other**

### **1. Order of Precedence**

In the event of inconsistencies between the terms contained in this Ordering Document and the CSA, this Ordering Document shall take precedence. This Ordering Document will control over the terms contained in any purchase order.

**E. Entire Agreement**

By signing below, we each agree that the CSA, this Ordering Document, and all Oracle documents referenced in this Ordering Document constitute the entire agreement between You and CherryRoad with regard to the subject matter herein and as such, no other preprinted, non-negotiated or other terms and conditions (e.g., on a purchase order or elsewhere) shall apply. This Ordering Document is placed subject to the terms of the CSA.

The signature below affirms Your commitment to pay for the cloud services ordered in accordance with the terms of this Ordering Document and the CSA.
