**Subject:** Board Consideration: Permission to apply Job Placement

Hi Mary and Ken,

I would like permission to apply for funding from the Oregon Department of Human Services, Vocational Rehabilitation (VR). The current agreement was approved under BO 21-178 and expires March 31, 2023. We budgeted \$105,000 in revenue in our Health & Human Services 2022-2023 Adopted Budget.

If awarded, this will allow us to continue as a contractor with VR for job placement services. These job placement services are part of our Community Support Services supportive employment model. This is a milestone reimbursement system with eligibility for milestone payments at time of referral to VR, completion of an employment proposal plan, job placement, and job retention. The overarching program goal is to help individuals gain competitive job placements within our community.

Carolina, please place this request on the next Board Agenda for approval. Suggested Board Agenda language:

"Authorize Lindsey Manfrin to apply for funding on behalf of Yamhill County Health and Human Services to the Oregon Department of Human Services, Vocational Rehabilitation to provide vocational rehabilitation services."

Thank you.
