MEMORANDUM

To: Board of Commissioners
Ken Huffer, County Administrator

From: Ken Friday, Planning Director

Re: **Planning Commission Membership Recommendation**

At their work session on March 2, 2023 the Planning Commission reviewed the five applications to fill the two open positions on the Planning Commission. Since the bylaws refer to a geographic balance, Lance put together a map showing the locations of the current membership and the candidates. The applications are attached in the order in which they were received and include the following.

Stephen J. Wick

✓ Craig Brown

Steven D. Belt

✓ Christy Cooke

Brian Everest

All five candidates were present and interviewed by the full Planning Commission. At the end of the hearing, they ranked their preferences and then voted 7-0 to recommend the Board of Commissioners appoint Christy Cooke and Brian Everest as new members.

As a site acquisition manager within the wireless telecommunications industry, I have had the opportunity to read and utilize the planning codes of countless jurisdictions, in cities and counties, across the US & Canada. I have worked with planners, construction drawings, navigated through administrative and SUP/CUP processes and testified at council hearings. I understand the importance of robust & well-designed infrastructure and intentional development, that balances the concerns of neighbors with the need and vision of the landowner and the long-term vision and needs for the community.
