J. PUBLIC HEARINGS:

1. Docket G-01-21: A public hearing to consider amendments to Sections 501, 502, 503, and 1014 of the Yamhill County Zoning Ordinance to permit Accessory Dwelling Units (ADU's) on lands zoned for rural residential use which includes the AF-10, VLDR, and LDR zones.

Commissioner Berschauer opened the legislative public hearing at 11:00 a.m. There were no reports of conflict of interest by the Board. Ken Friday introduced the county-initiated proposal to adopt provisions for ADU's in response to a recently modified senate bill allowing rural residentially zoned property owners to construct an ADU up to 900 square feet with conditions. He added that this proposed language was approved by the Planning Commission with the recommendation that water be tied to an existing water source of the main dwelling and lastly added that this is a much-requested use by the public.

Public Comment:

Rae Parlier gave verbal testimony in support of the recommendation stating it was a good option for property owners choosing to age in place with family caregivers on existing qualifying property. She added that hardship dwellings and converting existing dwellings add financial hardship to families looking for options.

Deliberation: The Board and staff discussed county oversight to monitor that the ADU's under this proposal are not being used as short-term rentals. Mr. Friday responded that his office is complaint driven and have already seen issues with plans or builds that are not compliant; he noted that qualifying properties will have met existing infrastructure and impact criteria and will provide much needed entry-level housing. After discussion, Commissioner Berschauer moved approval of item J1. The motion passed, Commissioners Berschauer, Johnston, and Starrett voting aye. Staff will draft an ordinance for consideration of adoption.

2. Docket G-01-22: A public hearing to consider a Planning Commission recommendation to add "*Roads, highways and other transportation facilities and improvements*" as a permitted use to the following zoning districts:

- a. Parks, Recreation, Open Space District – Section 405 (PRO)
- b. Rural Residential Districts –502 (VLDR), and 503 (LDR)
- c. Public Assembly Institutional District – Sections 801 (PAI)

And as a conditional use to the following zoning districts:

- d. Mineral Resource District – Section 404 (MR)
- e. Rural Residential District – Section 501 (AF-10)
- f. Commercial Districts – Sections 601 (RC), 602 (NC) and 603 (HC)
- g. Industrial Districts – Sections 701 (RI), 702 (LI) and 703 (HI)
- h. Public Works/ Safety District – Section 802 (PWS)
