RE: Open positions on the Planning Commission Board

Dear Commissioners:

I recently learned of some openings on the Yamhill County Planning Commission Board, and I would like to submit my name as a candidate. I have attached the "Application Form" along with a one-page summary background on my experiences, that I believe will support and contribute to the mission of the Planning Commission Board, if I am chosen, to serve as a member.

Thank you for your time and consideration of my application for a position on the Planning Commission Board.

Sincerely,

Steven D Belt

Cell (503) 474-7438

Exhibit
"A"

My name is Steve Belt and as a long-time resident of Yamhill County, I am deeply invested in the future development and well-being of our community. I firmly believe that I have the qualifications to contribute to the mission of the Planning Commission, as well as, giving my time in contributing to our community. If given the opportunity, I am committed to working diligently, collaborating with fellow Board members, and representing the best interests of Yamhill County.

I have followed the planning process, and watched numerous Planning Commission meetings through live-streamed meetings, during the past few years. I am eager to contribute my expertise to further enhance the planning strategies, promote growth and address the unique challenges we face, in Yamhill County.

I have lived and worked in Yamhill County for most of my life. I was born on a family farm in Yamhill County and I have continued to maintain my primary residence here, for most of the past 60 years. I have lived in the city of McMinnville for the past 20+ years. I grew up in farming and forestry, to include Christmas tree production and livestock (a Dairy operation producing milk and a Hog operation producing pork).

I went on to graduate from Linfield with a Bachelor's degree in Business and Accounting. A few years later, I studied for and passed the CPA exam, here in Oregon.

Immediately after college, I was fortunate to go to work for a local international company, allowing me to maintain my residence in Yamhill County. My experience included world-wide travel and business development activities, such as: project management, financial budgeting and reporting, project funding and financing, as well as, executive leadership. I was tasked with developing and maintaining professional relationships while doing business in many different locations around the world. These relationships included banking, professional accounting and legal services, in addition to sales and operational assignments, for the companies that I worked for over the past 35 years.

Currently, I am semi-retired and enjoy the family farm with my brother and sister. We also own and manage residential rental properties, as well as, a few commercial / industrial properties. I have a hands on understanding of the land use laws here in Yamhill County.

I very much look forward to giving back to our community by contributing some of my time and expertise, as a member of the Planning Commission Board.

Thank you for your consideration of my application,

Sincerely,

Steven D Belt
