**EXHIBIT C**

**SUBCONTRACTOR INSURANCE**

Local Government shall require its first-tier Contractor(s) (Contractor) that are not units of local government as defined in ORS 190.003, if any, to:

- i) obtain the insurance specified under TYPES AND AMOUNTS and meet the requirements under ADDITIONAL INSURED, CONTINUOUS CLAIMS MADE COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before the Contractor(s) perform under contracts between Local Government and the Contractors (the "Subcontracts"), and
- ii) maintain the insurance in full force throughout the duration of the Subcontracts. The insurance must be provided by insurance companies or entities authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to Agency.

Local Government shall not authorize Contractors to begin work under the Subcontracts until the insurance is in full force. Thereafter, Local Government shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. Local Government shall incorporate appropriate provisions in the Subcontracts permitting it to enforce Contractor compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. Examples of "reasonable steps" include issuing stop work orders (or the equivalent) until the insurance is in full force, terminating the Subcontracts as permitted by the Subcontracts, or pursuing legal action to enforce the insurance requirements. In no event, shall Local Government permit a Contractor to work under a Subcontract when the Local Government is aware that the Contractor is not in compliance with the insurance requirements. As used in this section, a "first-tier" Contractor is a Contractor with which the Local Government directly enters into a contract. It does not include a subcontractor with which the Contractor enters into a contract.

If Contractor maintains broader coverage and/or higher limits than the minimums shown in this insurance requirement exhibit, Agency requires and shall be entitled to the broader coverage and/or higher limits maintained by Contractor.

**INSURANCE TYPES AND AMOUNTS**

**WORKERS' COMPENSATION AND EMPLOYERS' LIABILITY:**

All employers, including Contractor, that employ subject workers, as defined in ORS 656.027, shall comply with ORS 656.017 and shall provide Workers' Compensation Insurance coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2). Contractor shall require and ensure that each of its subcontractors complies with these requirements. If Contractor is a subject employer, as defined in ORS 656.023, Contractor shall also obtain Employers' Liability Insurance coverage with limits not less than \$500,000 each accident.

If Contractor is an employer subject to any other state's workers' compensation law, Contractor shall provide Workers' compensation Insurance coverage for its employees as required by applicable workers' compensation laws including Employers' Liability Insurance coverage with limits not less

than \$500,000 and shall require and ensure that each of its out-of-state subcontractors complies with these requirements.

As applicable, Contractor shall obtain coverage to discharge all responsibilities and liabilities that arise out of or relate to the Jones Act with limits of no less than \$5,000,000 and/or the Longshoremen's and Harbor Workers' Compensation Act.

**COMMERCIAL GENERAL LIABILITY:**

Contractor shall provide Commercial General Liability Insurance covering bodily injury and property damage in a form and with coverage that are satisfactory to the State of Oregon. This insurance must include personal and advertising injury liability, products and completed operations, contractual liability coverage for the indemnity provided under this Contract, and have no limitation of coverage to designated premises, project, or operation. Coverage must be written on an occurrence basis in an amount of not less than \$1,000,000 per occurrence and not less than \$2,000,000 annual aggregate limit.

**EXCESS/UMBRELLA INSURANCE:**

A combination of primary and Excess/Umbrella insurance may be used to meet the required limits of insurance. When used, all of the primary and Excess or Umbrella policies must provide all of the insurance coverages required herein, including, but not limited to, primary and non-contributory, additional insured, Self-Insured Retentions (SIRs), indemnity, and defense requirements. The Excess or Umbrella policies must be provided on a true "following form" or broader coverage basis, with coverage at least as broad as provided on the underlying insurance. No insurance policies maintained by the Additional Insureds, whether primary or Excess, and which also apply to a loss covered hereunder, are to be called upon to contribute to a loss until the Contractor's primary and Excess liability policies are exhausted.

If Excess/Umbrella insurance is used to meet the minimum insurance requirement, the Certificate of Insurance must include a list of all policies that fall under the Excess/Umbrella insurance.

**ADDITIONAL COVERAGE REQUIREMENTS:**

Contractor's insurance shall be primary and non-contributory with any other insurance. Contractor shall pay for all deductibles, self-insured retention (SIR), and self-insurance, if any.

**ADDITIONAL INSURED:**

All liability insurance, except for Workers' Compensation, Professional Liability, Directors and Officers Liability and Network Security and Privacy Liability (if applicable), required under the Subcontract must include an Additional Insured Endorsement specifying the State of Oregon, its officers, employees and agents as Additional Insureds, including additional insured status with respect to liability arising out of ongoing operations and completed operations, but only with respect to Contractor's services to be performed under the Subcontract. Coverage must be primary and non-contributory with any other insurance and self-insurance.

Regarding Additional Insured status under the General Liability policy, the State of Oregon requires Additional Insured status with respect to liability arising out of ongoing operations and completed operations. The Additional Insured Endorsement with respect to liability arising out of Contractor's ongoing operations must be on or at least as broad as ISO Form CG 20 10 and the Additional Insured

endorsement with respect to completed operations must be on or at least as broad as ISO form CG 20 37.

**WAIVER OF SUBROGATION:**

Contractor shall waive rights of subrogation which Contractor or any insurer of Contractor may acquire against the Agency or State of Oregon by virtue of the payment of any loss. Contractor must obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Agency or State of Oregon has received a waiver of subrogation endorsement from the Contractor or the Contractor’s insurer(s).

**CONTINUOUS CLAIMS MADE COVERAGE:**

If any of the required liability insurance is on a claims made basis and does not include an extended reporting period of at least 24 months, then Contractor shall maintain Continuous Claims Made coverage, provided the effective date of the Continuous Claims Made coverage is on or before the effective date of the Contract, for a minimum of 24 months following the later of:

- (i) Contractor’s completion and Agency/Local Government’s acceptance of all Services required under the Contract, or
- (ii) Agency or Contractor’s termination of this Contract, or
- (iii) The expiration of all warranty periods provided under this Contract.

**CERTIFICATE(S) AND PROOF OF INSURANCE:**

Local Government shall obtain from the Contractor a Certificate(s) of Insurance for all required insurance before Contractor delivers any goods and performs any Services required under this Contract. The Certificate(s) must list the State of Oregon, its officers, employees, and agents as a certificate holder and as an endorsed Additional Insured. The Certificate(s) of Insurance must also include all required endorsements or copies of the applicable policy language effecting coverage required by this Contract. If Excess/Umbrella Insurance is used to meet the minimum insurance requirement, the Certificate of Insurance must include a list of all policies that fall under the Excess/Umbrella Insurance. As proof of insurance, Agency/Local Government has the right to request copies of insurance policies and endorsements relating to the insurance requirements in this Contract.

**NOTICE OF CHANGE OR CANCELLATION:**

The Contractor or its insurer must provide at least 30 days’ written notice to Local Government before cancellation of, material change to, potential exhaustion of aggregate limits of, or non-renewal of the required insurance coverage(s).

**INSURANCE REQUIREMENT REVIEW:**

Contractor agrees to periodic review of insurance requirements by Agency/Local Government under this agreement and to provide updated requirements as mutually agreed upon by Contractor and Agency/Local Government.

**STATE ACCEPTANCE:**

All insurance providers are subject to Agency/Local Government acceptance. If requested by Agency/Local Government, Contractor shall provide complete copies of insurance policies, endorsements, self-insurance documents and related insurance documents to Agency/Local Government’s representatives responsible for verification of the insurance coverages required under this Exhibit.
