IN THE BOARD OF COMMISSIONERS OF THE STATE OF OREGON

FOR THE COUNTY OF YAMHILL

SITTING FOR THE TRANSACTION OF COUNTY BUSINESS

In the Matter of an Ordinance Establishing Ordinance 883
Rules for Responding to Emergencies and
Approving the Yamhill County Emergency Operations Plan; Repealing Ordinance 759;
and Declaring an Emergency.

THE BOARD OF COMMISSIONERS OF YAMHILL COUNTY, OREGON ("the Board") sat for the transaction of County business in formal session on August 29, 2013, Commissioners Kathy George, Mary P. Stern and Allen Springer being present.

THE BOARD MAKES THE FOLLOWING FINDINGS:

WHEREAS, the “Rules for Responding to Emergencies” and the “Yamhill County Emergency Operations Plan” adopted by Ordinance 759 currently govern Yamhill County’s preparations and response to emergencies; and

WHEREAS, some language modifications and updates being necessary to clarify current policies and procedures, it is in the best interests of the County to repeal Ordinance 759 and adopt a new ordinance in its place; and

WHEREAS, the policy and intent of the Oregon Legislature is that preparations for emergencies and governmental responsibility for responding to emergencies be placed at the local government level. Further, its policy and intent is that the state should prepare for emergencies, but not assume authority or responsibility for responding to such an event unless the appropriate response is beyond the capability of the local government; and

WHEREAS, the purpose of this Ordinance is to respond to the Legislature’s policy and intent; to reduce the vulnerability of Yamhill County to loss of life, injury to persons or property, and human suffering and financial loss resulting from emergencies; and to provide for recovery and relief assistance for the victims of such occurrences; and

WHEREAS, this Ordinance is intended to provide notice of conditions and circumstances that define or describe when an emergency may be declared; to provide a procedure to minimize injury to persons and property; to preserve the established civil authority in the event that a state of emergency exists within the unincorporated areas of Yamhill County or within the incorporated areas of Yamhill County, if assistance is requested by such incorporated jurisdictions, or if those jurisdictions are unable to request assistance; and to provide a post-evacuation hearing process; and
WHEREAS, the County’s Office of Emergency Management has requested revision of the “Rules for Responding to Emergencies” and the “Yamhill County Emergency Operations Plan” to better reflect the policies and intent of the Legislature as described above, and to update the document to reflect changes in applicable laws, rules, and regulations; and

WHEREAS, the Board now desires to adopt these new “Rules for Responding to Emergencies” and “Yamhill County Emergency Operations Plan” for the reasons requested by the Office of Emergency Management, pursuant to the authority granted to the Board by ORS 203.035 and ORS 401, especially ORS 401.032 to 401.035, 401.305 to 401.335, 401.358 to 401.378, 401.900 to 401.904 and 401.960 to 401.990; NOW, THEREFORE,
