DOCKET NO.: G-02-18

REQUEST: To add Section 1014 to the Yamhill County Zoning Ordinance (YCZO), which establishes development standards for Accessory Dwelling Units. To add the definition of Accessory Dwelling Unit and add clarification to current dwelling definitions in the YCZO. To add Accessory Dwelling Units as a permitted use in rural residential, commercial and industrial zones located within Urban Growth Boundaries.

APPLICANT: Yamhill County

CRITERIA: Section 1207.01 of the Yamhill County Zoning Ordinance.

FINDINGS:

A. Analysis of the Proposed Amendments

Exhibit B contain proposed amendments to the county’s zoning ordinance, including the definition of “Accessory Dwelling Units (ADU’s)” and amendments to other ordinance sections stating where ADUs are permitted. Amendments are being made to Section 200 Definitions) and Rules of Construction of the Yamhill County Zoning Ordinance (YCZO); Section 501 Agriculture/Forestry Small Holding District; Section 502 Very Low Density Residential District; Section 503 Low Density Residential District; Section 601 Rural Commercial District; Section 602 Neighborhood Commercial District; Section 603 Highway Commercial District; Section 701 Rural Industrial District; Section 702 Light Industrial District; and Section 703 Heavy Industrial District. A new Section 1014 Accessory Dwelling Units to the YCZO is also added, including standards, limitations, and requirements related to ADU’s. The intent of the zoning ordinance revisions are to comply with Senate Bill 1051 which requires subject cities and counties, starting July 1, 2018, to allow at least one ADU per single-family dwelling in every zone that allows single-family dwellings. House Bill 4031, approved during the February 2018 session, clarified that ADU’s were only allowed within Urban Growth Boundaries (UGB’s). The standards are to be clear and objective and designed to not create additional barriers to development of ADU’s.

B. ZONING ORDINANCE PROVISIONS AND ANALYSIS

1. Section 1207.01 of the Yamhill County Zoning Ordinance (YCZO) contains the process and review criteria pertinent to the proposed zoning ordinance text amendments. The ordinance standards are as follows:

   A. An amendment may be initiated by the Board, the Commission, or the Director.
Regarding the above criterion (A), the proposed amendments are a response to Senate Bill 1051 (2017) and House Bill 4031 (2018) which amended ORS 197.312 to address the state’s housing crisis. This amendment requires subject cities and counties, starting July 1, 2018, to allow at least one Accessory Dwelling Unit (ADU) per single-family dwelling in every zone that allows single-family dwellings within an Urban Growth Boundary. The Planning Director initiated the ordinance amendment process and sent the required 35-day notice to the Department of Land Conservation and Development. Therefore, the proposed amendments comply with criterion (A).

2. B. *An owner of land may petition the Board, the Commission, or the Director to initiate such an amendment, but may not initiate the amendment by making such an application.*

Regarding criterion (B), as mentioned above the process was initiated by the Director in response to amendments to ORS 197.312 by the State Senate, Senate Bill 1051 (2017), and House of Representatives, House Bill 4031 (2018). An owner of land did not petition the Board, Commission, or Director for the proposed amendments therefore criterion (B) is not applicable.

3. C. *Such amendments shall be made only by the Board after review and recommendation by the Commission, and after public hearings have been held by both the Commission and Board, pursuant to Section 1402 of this ordinance.*

Regarding criterion (C), Section 1402.02 states: *Notice of any legislative public hearing authorized or required by this ordinance shall be published in a newspaper of general circulation in the county at least ten (10) days prior to the hearing date.* A newspaper notice was printed in the News Register on May 22, 2018. In addition, the required 35-day notice was also sent to the Department of Land Conservation and Development. On June 7th, 2018, the Planning Commission unanimously (8-0) passed the motion to approve the proposed text amendments to the Yamhill County Zoning Ordinance to allow Accessory Dwelling Units on parcels that allow single family dwellings and are located within an Urban Growth Boundary. The Planning Commission also unanimously approved the addition of language to the ADU ordinance, Section 1014.01(4), that “ADU’s shall, if possible, utilize the same driveway as the principal dwelling.” The proposed amendments comply with criterion (C).

4. D. *Approval of a legislative ordinance amendment shall include findings showing the amendment is consistent with any applicable federal, state and local government rules and statutes, and comprehensive plan goals and policies.*

Regarding criterion (D), the ordinance amendments are required to be consistent with the state legislature’s amendments to the Oregon Revised Statutes, Chapter 197.312 by section 6, chapter 745, Oregon Laws 2017, which will become operative July 1, 2018. This amendment pertains to the limitations on city and county authority to prohibit certain kinds
of housing; zoning requirements for farmworker housing; real estate sales office. The amendments to ORS 197.312 were drafted in response to the state’s housing crisis and allows for the development of at least one ADU per single-family dwelling in every zone that allows single-family dwellings within an Urban Growth Boundary (UGB). The proposed ordinance amendment is consistent with the County’s Comprehensive Planning Goal Statement regarding housing, Section (I)(E)(1.), which states that the county should aspire “To assure the provisions of safe, sanitary and decent housing for all residents of the county at a reasonable cost.” The proposed amendment has the potential to appreciably increase the number of safe and sanitary homes available within the county, therefore the proposed ordinance amendments comply with criterion (D).

5. **E. Changes to the County zoning map which result from legislative ordinance amendments shall be made and become effective upon filing said ordinance with the County Clerk.**

Regarding criterion (E) above, the request does not involve a map amendment so this criterion does not apply.

**CONCLUSIONS:**

1. The proposal is to amend the text of the Yamhill County Zoning Ordinance.

2. The proposed text language complies with the review criteria for a legislative amendment in Section 1207.02 of the Yamhill County Zoning Ordinance.

3. The proposed amendments comply with the Yamhill County Comprehensive Plan goals and policies and state statutes.

502.01 Purpose.

The purpose of the VLDR Districts is to provide for medium-to-high density rural residential development on selected lands identified as Very Low Density Residential in the Comprehensive Plan. Ultimate density limitations in VLDR Districts shall be determined in part by prevailing lot sizes, and limitations of domestic water sources or soil conditions for subsurface sewage disposal. Opportunities for small-scale or intensive farm and forestry activities compatible with rural residential uses shall be encouraged in the VLDR Districts. In areas immediately adjacent to urban centers, the VLDR Districts are intended as transitional zones between F-80, EF-20, -40 or -80, AF-20, -40 or -80 and AF-10 Districts and higher-density LDR Districts or urban districts identified in city comprehensive plans. [Amended 12/05/02; Ord. 720]
